The proposed Capital Improvement Program is submitted to the County Legislature in accordance with Section C4-10 of Article IV and Section C5-7 of Article V of the Monroe County Charter.

This proposed program includes projects designed to address aging infrastructure while at the same time ensuring that Monroe County continues to grow and expand its job base and quality of life. Projects contained in the program are intended to improve and modernize public buildings, construct needed highway and bridge improvements, as well as continue investment in public safety, the Frederick Douglass Greater Rochester International Airport, the County parks system, the Monroe County Library System, the Monroe Community Hospital, and Monroe Community College.

In addition, the Monroe County Planning Board put in many hours in reviewing and recommending this program. I want to thank all of those involved in the preparation of this program for their hard work and dedication.
