PURE WATERS ADMINISTRATIVE BOARD OF THE
ROCHESTER PURE WATERS DISTRICT

Intro. No. _____

RESOLUTION NO. _____ OF 2021

**AUTHORIZING ACCEPTANCE OF ENGINEERING PLANNING GRANT FROM NEW YORK
STATE ENVIRONMENTAL FACILITIES CORPORATION FOR GENESEE VALLEY PUMP
STATION PROJECT**

BE IT RESOLVED BY THE PURE WATERS ADMINISTRATIVE BOARD OF THE ROCHESTER
PURE WATERS DISTRICT, as follows:

Section 1. The Pure Waters Administrative Board of the Rochester Pure Waters District hereby authorizes the acceptance of an Engineering Planning Grant from the New York State Environmental Facilities Corporation in an amount up to \$50,000 for the Genesee Valley Pump Station project.

Section 2. This grant requires a local match of 20% (i.e., \$10,000). This \$10,000 match is included in the 2021 operating budget of the Department of Environmental Services, pure waters fund 9007, funds center 8572010000 Pure Waters Administration.

Section 3. This resolution shall take effect immediately.

To The Administrative Board of the
Rochester Pure Waters District
407 County Office Building
Rochester, New York 14614

Subject: Authorize the Acceptance of an Engineering Planning Grant from the New York State Environmental Facilities Corporation for the Genesee Valley Pump Station Project

Honorable Legislators:

I recommend that the Administrative Board of the Rochester Pure Waters District authorize the acceptance of an Engineering Planning Grant ("EPG") from the New York State Environmental Facilities Corporation in an amount up to \$50,000 for the Genesee Valley Pump Station project.

The Genesee Valley Pump Station project is required to provide relief to the Rochester Pure Waters District's (the "District") Wilson Boulevard trunk sewer and restore capacity in the District's collection system. Additionally, this project would allow the University of Rochester ("UofR") to expand its emergency medical facilities and permit future development in the Wilson Boulevard trunk sewer's sewershed south of the UofR Medical Center. The improvements will include a new 3.5 million gallon per day sanitary pump station and force main consisting of a diversion structure, wet well with submersible pumps, valve and meter vaults, a small building to house electrical, instrumentation, and control components, and a force main approximately 1,500 linear feet that will cross under the Genesee River roughly 900 feet south of Elmwood Avenue. The project also includes upgrading Irondequoit Bay South Central Pure Waters District's Brighton 5 Pump Station and extending a force main from the Brighton 5 Pump Station to the new force main.

The Genesee Valley Pump Station project has been selected to receive up to \$50,000 from the Wastewater Infrastructure EPG program through the New York State Clean Water State Revolving Fund administered through the New York State Environmental Facilities Corporation to help pay for engineering and planning to produce an engineering report for Genesee Valley Pump Station project. The estimated cost of the Genesee Valley Pump Station project is \$5,500,000.

The specific Administrative Board action required is to authorize the acceptance of an Engineering Planning Grant from the New York State Environmental Facilities Corporation in an amount up to \$50,000 for the Genesee Valley Pump Station project.

Administrative Board of the
Rochester Pure Waters District
August 6, 2021
Page 2

The provisions of the New York State Environmental Quality Review Act shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

This grant requires a local match of 20% (i.e., \$10,000). This \$10,000 match is included in the 2021 operating budget of the Department of Environmental Services, pure waters fund 9007, funds center 8572010000 Pure Waters Administration. No additional net County support is required in the current Monroe County budget.

I recommend that this matter receive favorable action by the Administrative Board of the Rochester Pure Waters District.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Adam J. Bello', is written over the printed name. To the left of the signature is a small, stylized blue ink mark that looks like 'EL'.
