Subject: Amend Resolution 132 of 2016, as Amended by Resolution 251 of 2016, to Accept Additional Funding from the New York State Department of Health and Extend the Time Period for the Lead Poisoning Prevention Program

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 132 of 2016, as amended by Resolution 251 of 2016, to accept additional funding from the New York State Department of Health for the Lead Poisoning Prevention Program in the amount of \$372,904 and to extend the time period for twelve (12) months, through September 30, 2021.

By Resolution 132 of 2016, as amended by Resolution 251 of 2016, Your Honorable Body authorized the acceptance of a grant from the New York State Department of Health for the Lead Poisoning Prevention Program. The purpose of this grant is to provide medical and environmental case management and educational intervention for children with elevated blood lead levels and their families. This additional funding will be used to support Department of Public Health existing salary and benefits and other program support costs. This additional funding will bring the grant total to \$2,299,632.

The specific legislative actions required are:

1. Amend Resolution 132 of 2016, as amended by Resolution 251 of 2016, to accept an additional \$372,904 from, and to authorize the County Executive, or his designee, to execute a contract and any amendments thereto with, the New York State Department of Health for the Lead Poisoning Prevention Program, bringing the total program award to \$2,299,632, and to extend the time period for twelve (12) months, through September 30, 2021.
2. Amend the 2021 operating budget of the Department of Public Health by appropriating the sum of \$372,904 into general fund 9300, funds center 5806110000, Lead Programs.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Department of Health. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,
