Committee Assignment	
URGENT	-L

Honorable Legislators:

I am submitting for your consideration and approval the proposed 2022-operating budget for Monroe County.

This budget supports initiatives my administration has prioritized since taking office nearly two years ago: public health and safety; economic development; and rebuilding our community infrastructure to enhance our quality of life. The budget makes strategic investments in our priority areas in order to *Bring Monroe Back* and *Plan Forward* as we pivot from the pandemic.

Overall, the 2022 proposed budget calls for \$1.28 billion in spending, an increase of about 3.4% over the adopted budget of 2021. That is two full percentage points under the national inflation rate of 5.4%. The proposed budget reduces the tax rate to \$8.46 per thousand of assessed value – a reduction of \$0.07 from the current year and the lowest rate this county has seen since 2003.

We are building on the sound practices we began last year when we eliminated the misleading budgetary tactics used by previous administrations. The 2021 budget eliminated the "Snow Tax," and this year the proposed budget eliminates \$2.5 million in unnecessary pork barrel spending created by the Legislature to fund pet projects.

While we recognize that the COVID-19 pandemic is still a threat to public health, safety, and the economy, we also need to turn our focus to recovery and moving forward. The 2022 County budget invests in the recovery agenda I laid out in my 2021 State of the County Address.

Public Health and Safety — This Budget:

- Invests more in public safety with a new, fair contract with the Sheriff's Police Benevolent Association, increases funding for the Sheriff's Office by \$4.9 million, adds 3.4% more funding to our Public Safety department, and 6.1% to the District Attorney's Office.

- Adds funding to expand the *Improving Addiction Coordination Team (IMPACT)* into a 24/7 service to battle the opioid epidemic ravaging every corner of our county.
- Increases staffing in our Youth Bureau and adds more funding for Early Intervention Services and Pre-School Special Education.
- Further invests in our community integration model, so people will be able to reach out to trusted partner organizations right in their own neighborhoods.

Economic Development — This budget:

- Increases in the minimum wage for county employees to \$15 per hour.
- Expands MPower, our extended partnership with Monroe Community College to train people with real skills that fit real jobs that already exist.
- Ensures the county workforce reflects our diverse residents by further investing in the county's first Department of Diversity, Equity and Inclusion.

Community Infrastructure — This Budget:

- Continues renovations at Seneca Park Zoo, completing work on the Trailside Café and beginning work on the new front entry complex.
- Increases investments in the arts with \$500,000 for small and mid-sized organizations.
- Ensures that the Rochester Red Wings remain in Monroe County with \$12 million in MLB-mandated upgrades.

To augment our recovery plan, we are engaging the public with both an intermediate and long-term investment plan. *Bring Monroe Back* is seeking community input to invest \$144 million in federal American Rescue Plan Act funding. *Plan Forward*, the first comprehensive plan our county has seen since the 1970s, will plot our course for many years to come. Monroe County celebrates its Bicentennial in 2022. It is our job to create a future strong enough for the next 200 years.

This responsible and realistic budget continues to fund our priorities with real results for real people – and still delivers the lowest property tax rate this county has seen since 2003.

I am proud of the hard work of my administration. We delivered vital services and support to a public struggling with the hardships of the pandemic. Our healthcare workers put in countless hours and endured the frontlines of containing this virus. This proposed budget will invest in the programs and plans we need to move forward and come out better and stronger than we were before COVID.

The specific legislative actions required are:

1. Pursuant to Section C4-3 of the Monroe County Charter, schedule a public hearing on the 2022 Monroe County Budget and direct the Clerk of the Legislature to cause notice of said public hearing to be published at least once in one or more daily newspapers of general circulation in the County at least five (5) days before the date of said hearing and to cause a summary of said budget, as attached hereto, to be published with said notice.
2. Pursuant to Section C4-4 of the Monroe County Charter, adopt the Monroe County 2022 Budget after said public hearing having been held.
3. Establish the 2022 Classification, Compensation and Salary Schedule for employees of the County of Monroe, as contained in the 2022 Monroe County Budget.

I recommend that this matter receive favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
