The Nutrition Programs include the Women, Infant & Children and Enhanced Peer Counselor components. The Nutrition Programs provide: nutrition and health education counseling; supplemental food for low-income infants and children up to age five; supplemental food for low-income pregnant, breastfeeding, and post-partum women; and education, promotion and support for breastfeeding. This additional funding will be used to support salaries, benefits, and program costs for an additional year and will bring the total program award to \$16,055,871.

The specific legislative actions required are:

1. Amend Resolution 314 of 2017, as amended by Resolution 244 of 2020, to accept an additional \$2,279,111 from, and to authorize the County Executive, or his designee, to execute a contract and any amendments thereto with, the New York State Department of Health for the Nutrition Programs, including the Women, Infant & Children and Enhanced Peer Counselor components, bringing the total program award to \$16,055,871, and extending the time period for one (1) year, through September 30, 2022.

2. Amend the 2021 operating budget of the Department of Public Health by appropriating the sum of \$2,279,111 into general fund 9300, funds center 5803010000, Maternal/Child Administration.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This grant is 100% funded by the New York State Department of Health. No net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
