Honorable Legislators:

I recommend that Your Honorable Body authorize contracts with The Pike Company, Inc.; LeChase Construction Services, LLC; and DiMarco Constructors LLC for General Construction Management Term Services in a total annual aggregate amount not to exceed \$300,000 for the period of January 1, 2022 through December 31, 2022, with the option to renew for two (2) additional one-year extensions, with escalations for the extensions to be limited to the amount equal to the increase in the previous year's Consumer Price Index (U.S. City Average CPI-U from the Bureau of Labor Statistics).

These contracts will provide general construction management term services for a variety of projects for Monroe County requiring prompt turn-around. Specific services may include cost estimating; value engineering; construction scheduling and identification of project milestones; contract document and constructability reviews; inspection; maintaining record information; coordinating and monitoring the activities of prime contractors, subcontractors and outside testing agencies; reviewing safety programs; and other construction management services as identified by the County.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(24) ("information collection including basic data collection and research, water quality and pollution studies, traffic counts, engineering studies, surveys, subsurface investigations and soils studies that do not commit the agency to undertake, fund or approve any Type I or Unlisted action"); (26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment"); and (27) ("conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action") and is not subject to further review under the State Environmental Quality Review Act.
