## Hilda Rosario Escher

For the past 30+ years, Hilda Rosario Escher has dedicated both her personal and professional life to helping others. Her work at Ibero has changed the lives of children, youth, families, and individuals with developmental disabilities. Children can start school on time and at the appropriate level, teens build their self-esteem through Ibero programs, parents are able to go back to school and strengthen their family unit, all because of Hilda's work at Ibero and in the community through various organizations. At the end of this year, which happens to be Ibero's 50th anniversary, Hilda will retire. She can never be replaced, but she has taught her staff through by example and served as an inspirational leader.

### PROFESSIONAL LEADERSHIP

As the President and CEO of the Ibero-American Action League (Ibero) for the past 13 years, Hilda Rosario Escher has transformed the only dual-language human services agency in the Rochester region. Ibero provides programs and services to children, youth, families, and individuals with developmental disabilities. Ibero also offers a program for entrepreneurs in Buffalo and Waverly, an affordable housing program for residents in the City of Rochester, and oversees its own radio station WEPL-El Poder in Rochester. In addition to all these programs and initiatives, Ibero oversees a recently acquired subsidiary, Centro Civico, in Amsterdam and Albany. The above-mentioned programs are either new or have grown tremendously under the leadership of Hilda Rosario Escher. The results from this growth and new partnerships has resulted in the following:

- An increase in the number of individuals and families Ibero serves (from approximately 10,000 at the start of Hilda's term as president/CEO to more than 20,000 in 2018).
- An increase in staff, consequently providing additional jobs for individuals in the Rochester community (from 165 employees to 300 current employees).
- An award-winning Early Childhood Center that is recognized both locally and nationally for its successful program and results that include a parent engagement and student attendance rate of 95 percent. The Center has also received awards for the early reading initiative. Kids that attend the center are able to read by the time they reach first grade.
- The establishment of the first and only dual-language radio station in 2015. WEPL (El Poder Latino/Latino Power) 97.1FM is a community station that offers educational programming for both Latinos and non-Latinos in Rochester. Topics focus on education, health, advocacy, law, financial management, civic engagement, and other areas. This is the first 24-hour Latino radio station in Upstate NY.
- An increase in consumer reach in New York State through Ibero's subsidiary Centro Civico in Amsterdam, New York. Centro Civico is the only Latino human services agency in Amsterdam, an area with a high number of Latinos who live in extreme poverty. The agency was on the brink of financial collapse until Hilda put together a team of board members to analyze their finances, programs, and structure. Once Ibero acquired Centro Civico as a subsidiary, Ibero implemented its proposed changes and Centro Civico is now starting to make a profit. Had this new relationship not been formed at the urging of Hilda, Centro Civico would have closed, leaving approximately 6,000 Latinos with nowhere to go for direct support.
- An expansion of Ibero's youth program into additional schools in the Rochester City School District and the Eugenio Maria de Hostos Charter School.
- When Hilda started at Ibero the Latino Scholarship Program gave scholarships to 8 students for a total of \$16,000. By partnering with colleges, businesses, philanthropists and community leaders, Ibero was able to increase the number of scholarships to 86 for a total of \$1 million.
- Increased services for individuals with disabilities from \$350,000 to \$7 million.
- Created new affordable housing opportunities in a distressed neighborhood.

The results listed above were made possible under Hilda's leadership and in collaboration with new managerial staff she handpicked to help in Ibero's transformation. These new leaders were in the roles of Chief Operations Officer, Chief Financial Officer, and Director of Development and Communications. With this new team in place, Ibero reduced its line of credit from \$300,000 to \$150,000; increased unrestricted funding by three percent; increased event attendance by three percent; secured its largest sponsorship in history (5-year agreement/\$15,000 per year) with Vision

Auto; and increased media coverage of the agency by 500 percent. The communications efforts resulted in two awards from both the American Marketing Association of Rochester and the Public Relations Society of America Rochester Chapter in 2016.

Under Hilda's leadership, Ibero has several programs that continue to be recognized for their results. These include the children's programs at the Early Childhood Center, youth programs in the division of Youth Services, and programs in the Family Services Division. The quality of Ibero's programs and services are well-known in the Latino community in Rochester and throughout Monroe County and among nonprofits that must also work with consumers in similar roles. Additionally, Ibero is now well-known in Puerto Rico because of the number of families that have relocated to Rochester due to Hurricane Maria. Individuals in Puerto Rico contacted Ibero through social media and email before they even arrived because they had been referred to the agency by a relative or friend. Ibero's ability to reach so many more individuals and families today is because of the work that Hilda has done and the team she has brought on staff to fulfill the agency's mission.

### III. PERSONAL LEADERSHIP

Hilda's own personal mission has always been to help other people. She puts the needs of others first, never hesitating to assist them with their needs. Hilda has undoubtedly stood behind the advancement of female staff as evidenced by those in leadership roles. An example is the year 2017: women were in the roles of Chief Operations Officer, Director of Development and Communications, Director of Family Services, Director of Early Childhood Services, and Director of Centro Civico in Amsterdam. Hilda supports every Latino organization in Rochester, which are all run by women with the exception of approximately two out of 20. She donates to their causes, she attends their events and fundraisers, and she encourages Ibero staff to offer support and/or in-kind services to the other Latino organizations. She took an idea of a radio station to connect the Latino community and made it happen.

The disaster of Hurricane Maria tested Hilda's view on the world. She was proud to work with the Red Cross to raise \$100,000 during a telethon immediately after the hurricane hit her island. She then traveled to Puerto Rico because she had not heard from her family and wanted answers. Her visit to her crippled island was traumatizing and rocked her core. After seeing the devastation, she felt helpless, but knew she could impact those searching for a place to call home in Rochester. She started a partnership with over 40 agencies to create a multi-agency welcoming center where families could come and receive services in one place. A family could enroll kids in school as well as find primary care doctors, mental health services, health insurance, employment, housing and English classes. This was all under one roof. Hilda took on the role of case manager for the families and helped them navigate the system. This was a new model of service provision that is still working today and has successfully helped 3,300 families settle in the Rochester area, the largest number of Puerto Ricans who relocated to NY state. The center is still operational and servicing families who are still coming to the area. Hilda sees what needs to happen and creates the solution through her passion, relationships and grit.

As a mother, Escher and her husband drilled community leadership into their children. Hilda would bring them to community events, foster care visits to kids on her caseload, community residences that she oversaw and clothing drives. She exposed them to the realities of society, and that is true leadership. When Melisza was born, she made the decision to take a "career timeout" to raise her two children, Melisza Campos and Herb Escher, until they were school-aged. Melisza attributes her drive, leadership and community involvement to her mom. She conveyed her gratefulness in having an exemplary female role model in her mother. Melisza discussed that she served in political office because of the inspiration instilled in her by her mother. "My mom always challenged me to bring my mind and heart wherever I served. That high standard is engrained in me and now I am paying it forward to my three beautiful children." We see that not only does she lead professionally, but she has led her family personally. She has given the Rochester community a gift of family community involvement. Her husband and children are all active in the community, and the grandchildren have already collected used books for the Ibero daycare center, supplies for the victims of Hurricane Maria and food for the homeless at Center for Youth. This is all based on her example.
