Subject: Amend Resolution 432 of 2017, as Amended by Resolution 229 of 2018, to Increase the Contracts for the Provision of Mental Health, Developmental Disabilities, and Alcoholism and Substance Abuse Services in 2018 for the Monroe County Office of Mental Health

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 432 of 2017, as amended by Resolution 229 of 2018, to increase the contracts with the agencies listed in Attachment A from an amount not to exceed \$42,904,664 to an amount not to exceed \$45,865,115 for the provision of mental health, developmental disability, and alcoholism and substance abuse services for Monroe County residents for the period of January 1, 2018 through December 31, 2018.

Monroe County Office of Mental Health advances payments to provider agencies throughout the year. At the end of the year, the providers are required to submit a Consolidated Fiscal Report ("CFR") to New York State Office of Mental Health ("NYSOMH"). The CFR is the year-end cost report required for submission by community behavioral health service providers in accordance with the local Mental Hygiene Services Plan. Once NYSOMH receives and analyzes each provider's CFR, it may be determined that the Monroe County Office of Mental Health either overpaid or underpaid providers. In instances where a provider was overpaid, the County issues a credit memo. In instances where a provider was underpaid, a contract amendment is required.

The specific legislative action required is to amend Resolution 432 of 2017, as amended by Resolution 229 of 2018, to increase the contracts with the agencies listed in Attachment A, and any other subcontractors as necessary, to provide mental health, developmental disability, and alcoholism and substance abuse services for Monroe County residents from an amount not to exceed \$42,904,664 to an amount not to exceed \$45,865,115 for the period of January 1, 2018 through December 31, 2018.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this increase is included in the 2021 operating budget of the Department of Human Services, Office of Mental Health, fund 9001, funds centers 5702010000, Mental Health Services; 5702030000, Alcohol and Other Substance Abuse Services; and 5702020000, Developmental Disabilities Services. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
