DR. JOE CARBONE

PRESIDENT

To the Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Enact a Local Law Entitled, "Business Closure Transparency Act," to Require Report of County Forced Business Closures

Honorable Legislators:

The COVID-19 pandemic has impacted local economies across the World. In New York, COVID-19 imposed shutdowns have left businesses temporarily shuttered, revenue curtailed, and even permanently closed them. From spas and salons to insurance companies to restaurants and bars, businesses have been forced to change or seize their operations.

These restrictions and closures are not the choice of the businesses themselves, but rather the use of government authority to close or curtail their operations. While the government authorities who have ordered these closures have claimed to do so out of public health and may be correct in the necessity for these closures and curtailments, the transparency regarding these decisions is simply inadequate. The use of government authority to close or curtail the ability of a private entity to conduct business should not be taken lightly and must be reasonably justified, subjected to public oversight and consistent with the rules, regulations, and laws promulgated to protect the public.

Therefore, the purpose of this legislation is ensuring any Monroe County imposed business closure in Monroe County meets the aforementioned criteria. This is imperative for the Legislature to perform its responsibility and duty of County oversight, as well as the community to perform its responsibility of public oversight. This would require the production and issuance of a Report of Justification in any instance of any Monroe County Administrative Head, Agency, Employee, or official, elected, appointed, or otherwise, utilizing any power granted to them to close a place of business for any reason or any length of time within forty-eight (48) hours of the ordered closure via email or hardcopy to the Clerk of the Legislature.

This Report of Justification would be circulated, by the Clerk of the Legislature, to every Monroe County Legislator and ensure the report is entered into the Legislature's official record. This report would be required to include the following: a detailed written report that provides justification for the decision to order the closure, signed by the Monroe County Administrative Head, Agency, Employee, or official, elected, appointed, or otherwise, ordering the closure; a copy of the official order or communication closing the place of business; and any and all evidence in the possession of Monroe County on which the closure is based.

AGENDA/CHARTER -L

The residents of Monroe County deserve transparency, clarity and justification for government-imposed business closure and curtailment of private businesses. This legislation will ensure our community, and this Honorable Body, has the information needed to make informed decisions and perform oversight of such government actions.

The specific legislative actions required are:

1. Schedule and hold a public hearing.
2. Adopt the local law as attached.

This is a Type II Action pursuant to 6 NYCRR 617.5(c) (26) ("routine of continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

This action will have no impact on the revenues or expenditures of the current Monroe County budget.

Respectfully Submitted,
