Subject: Authorize a Contract with the University of Rochester for Continuing Development and Sustainment of the County's Medical Countermeasure Program

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with the University of Rochester in an amount not to exceed \$60,000 for continuing development and sustainment of the County's Medical Countermeasure Program for the period of July 1, 2021 through February 28, 2022.

This contract will support the County's Medical Countermeasure Program through which the Monroe County Department of Public Health provides public health emergency preparedness program administration, planning, logistics, and operations development and implementation (including PODs, mass vaccination clinics, and other preparedness drills and exercises). The University of Rochester will provide: support of exercise and drill development and implementation; communication and information management activities; Monroe County Department of Public Health staff and partner training; and completion of other related projects and activities as determined by the Program Manager of the Office of Public Health Preparedness.

A Request for Qualifications was issued for this contract with the University of Rochester the sole responder.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with the University of Rochester, 601 Elmwood Avenue, Rochester, New York 14642, for the continuing development and sustainment of the County's Medical Countermeasure Program in an amount not to exceed \$60,000 for the period of July 1, 2021 through February 28, 2022.

This action is a Type II Action pursuant to 6 NYCRR 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2021 operating budget of the Department of Public Safety, general fund 9300, funds center 2408030100, Office of Emergency Management. No additional net County support is required in the current Monroe County budget.

The University of Rochester is a not-for-profit entity, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County Property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
