Honorable Legislators:

I am submitting for your consideration and approval the proposed 2023 operating budget for Monroe County.

This budget supports priorities my administration has focused on since taking office nearly three years ago: public safety; public health and wellness; economic and workforce development; and rebuilding our community infrastructure to enhance our quality of life. The budget makes strategic investments in our priority areas in order to *Bring Monroe Back* and *Plan Forward* as we continue to move away from the pandemic.

Overall, the 2023 proposed budget calls for \$1.34 billion in spending, an increase of about 4.9% over the adopted budget of 2022 — more than three full percentage points less than the annual national inflation rate of 8.2%. The proposed 2023 budget also lowers the county property tax rate to \$7.56 per thousand of taxable value – a reduction of ninety cents from the current year. This is not only the county's single largest tax rate decrease in 30 years, but also results in the lowest county property tax rate in more than 75 years.

Additionally, the proposed 2023 operating budget includes a 1.2% increase in the tax levy, which is more than \$10 million less allowed by the state's property tax cap as well as the smallest percentage increase in the tax levy since 2014.

This budget recognizes the financial pressures facing the county and the county's residents as we continue to grapple with the after effects of the COVID-19 pandemic and resulting worldwide inflation. We continue to build on the sound financial practices that recently resulted in the three major credit rating agencies assigning the county its highest ratings in two decades, with Moody's Investors Service in October noting the upgrade "reflects the {County's} significantly improved financial position over the past three years."

While we recognize that COVID-19 is still a threat to our community, we must continue our focus on recovery and moving forward by maintaining our investments in public safety, public health and wellness, economic and workforce development and infrastructure. The 2023 County budget supports the recovery agenda I laid out in my 2022 State of the County Address.

Public Safety — This Budget:

- Invests more in public safety with a \$14 million, or 8.6%, increase in the Sheriff's Office budget that will more than double the staffing of the Tactical Unit, including 11 additional road patrol deputies.
- Adds \$700,000 to expand the Rochester Threat Advisory Committee, or ROCTAC, a collaborative coalition of businesses, schools and colleges, social service agencies, mental health professionals and local and federal law enforcement that partner to prevent acts of targeted violence and online radicalization. This provides for an additional three deputies, bringing the total increase in deputies for 2023 to 14.
- Provides an additional four Assistant District Attorneys who will help expedite the prosecution of non-violent felony cases like retail store and catalytic converter thefts.
- Increases the laboratory budget of the Medical Examiner's Office by 12.5% to add two full-time toxicologists, provide competitive wages and create a career ladder for experienced staff. A \$500,000 increase in funding for the crime lab will add two forensic firearms examiners.

Public Health — This Budget:

- Allocates \$1.5 million in opioid settlement funds to expand the Improving Addiction Coordination Team and continues our push to provide Naloxone distribution boxes throughout the community to help prevent overdose deaths.
- Provides \$175,000 to expand the successful TRYBE Ecotherapy program for veterans. This program offers nature-based therapy to promote health, healing and recovery. So far, data shows a 70% reduction in PTSD symptoms for participants. The additional funding will allow us to double the number of veterans able to participate in the program
- Provides additional funding for Early Intervention Services and Preschool Special Education, and adds two bilingual health service coordinators to assist families navigate getting children the services they need. Additionally, Preschool Special Education reimbursement rates will increase by 5% for the third consecutive year, fulfilling this administration's commitment to increasing those rates by a total of 15%.
- Further invests \$1.4 million in our community integration model, so people will be able to access support services through trusted partner organizations right in their own neighborhoods – a key recommendation of the Commission on Racial and Structural Equity.

Economic Development — This Budget:

- Funds the construction of a new Applied Technology Center at Monroe Community College, increasing opportunity for students to receive training for high-demand skilled trades.
- Continues the county's in-house Minority and Women-owned business certification program offered by the Department of Diversity, Equity and Inclusion. This successful program — another key recommendation of the RASE commission — increases opportunity for MWBE's to bid on local and county contracts.
- Continues the modernization of the County of Monroe Industrial Development Agency through its support for workforce training programs such as the Young Manufacturing Training Program, or YAMTEP, and through the Multi-Craft Apprenticeship Training Program, or MAPP.
- Continues this administration's commitment to increasing support for small- and mid-sized arts groups by doubling county funding for these organizations and providing \$60,000 in annual support for Hochstein School of Music, Garth Fagan Dance and the Avenue Black Box Theatre.

Community Infrastructure — This Budget:

- Continues renovations at Seneca Park Zoo, for the new front entry and tropics complex.
- Continues ongoing renovations to accommodate MLB-mandated upgrades and improve fan experiences at Frontier Field – soon to be Innovative Field.
- Invests in the county's human infrastructure of dedicated employees by funding an across-the-board pay increase for all employees, retention bonuses and pay increase for social services workers including caseworkers, examiners, child protective services staffers, child detention staffers and probation employees.
- Creates an Environmental Quality Office to oversee and coordinate efforts to implement Phase I of the County's Climate Action Plan, which calls for an 80% reduction in greenhouse gas emissions stemming from county operations.
- Provides for a new Chief Information Security Officer to safeguard against cyber hacking and secure the confidentiality and integrity of county data, networks and all critical computer-linked infrastructure.

This proposed 2023 budget is a smart, fiscally-responsible plan that continues our work to Bring Monroe Back, funds our police and makes key investments in public safety, public health and wellness, economic and workforce development and in restoring and rebuilding the critical community infrastructure that contributes to our quality of life. At the same time, this common-sense budget provides for the lowest property tax rate in three-quarters of a century.

With this proposed budget, we look to the future — a re-envisioned future that lifts every resident in every corner of Monroe County — makes Monroe County a destination for entrepreneurs and businesses — ensures equitable opportunities for our residents and positions Monroe County as the best place to live, work and raise a family.

The specific legislative actions required are:

1. Pursuant to Section C4-3 of the Monroe County Charter, schedule a public hearing on the 2023 Monroe County Budget and direct the Clerk of the Legislature to cause notice of said public hearing to be published at least once in one or more daily newspapers of general circulation in the County at least five (5) days before the date of said hearing and to cause a summary of said budget, as attached hereto, to be published with said notice.
2. Pursuant to Section C4-4 of the Monroe County Charter, adopt the Monroe County 2023 Budget after said public hearing having been held.
3. Establish the 2023 Classification, Compensation and Salary Schedule for employees of the County of Monroe, as contained in the 2023 Monroe County Budget.

I recommend that this matter receive favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive

FUND SUMMARY AND TAX LEVY COMPUTATION

2023 BUDGET

This schedule presents appropriations and revenues by fund. A fund is a self-balancing group of accounts. For fund accounting purposes the entire real estate tax levy is received into the General Fund. The "Transfer From Other Funds" column includes the amounts required from the General Fund to support other funds. The Pure Waters Fund is supported by unit charges to users.
