Re: Enacting a Local Law Entitled "Amending Monroe County Charter and Administrative Code Relating to Legislative District Boundaries and Term of Members of County Legislature"

Honorable Legislators:

As Chairwoman of the Legislative District Revision Commission, I hereby submit the following proposed Local Law regarding the revision of Legislative District Boundaries as required by §C2-12 of the Monroe County Charter. The proposed law also defines the length of terms of office for the Monroe County Legislature. The Commission approved this proposal during its meeting held on December 23, 2022.

The specific legislative action required is to adopt the Local Law as attached.

The legislative action requested in this referral is not an "Action" as that term is defined in 6 NYCRR 617.5(b) and is not subject to review under the State Environmental Quality Review Act.

This action will have no impact on the revenues or expenditures of the current Monroe County budget.

Sincerely,

Sabrina LaMar
President of the Legislature
