Subject: Authorize a Contract with Seeler Engineering, P.C. to Provide Professional Consultant Services for the Monroe County Department of Public Health

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Seeler Engineering, P.C. in an amount not to exceed \$54,600 to provide professional consultant services for the Monroe County Department of Public Health for the period of January 1, 2022 through December 31, 2022, with the option to renew for two (2) additional one-year terms in an amount not to exceed \$54,600 per year.

This vendor will provide plan engineering review and approval services including, but not limited to, plan design review and approval; calculations; pump sizing review; review and issuance of completed works and technical consultation work for the Monroe County Department of Public Health.

A Request for Proposals was issued for this contract and Seeler Engineering, P.C. was selected as the most qualified to provide this service.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract and any amendments thereto with Seeler Engineering, P.C., 401 Penbrooke Drive, Penfield, New York 14526, to provide professional consultant services for the Monroe County Department of Public Health in an amount not to exceed \$54,600 for the period of January 1, 2022 through December 31, 2022, with the option to renew for two (2) additional one-year terms in an amount not to exceed \$54,600 per year.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(25) ("official acts of a ministerial nature involving no exercise of discretion, including building permits and historic preservation permits where issuance is predicated solely on the applicant's compliance or noncompliance with the relevant local building or preservation code(s)") and (26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2022 operating budget of the Department of Public Health, general fund 9001, funds center 580602000, Engineering, and will be included in future years' budgets. No additional net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Seeler Engineering, P.C., nor its principal officer, Tim A. Seeler, P.E., President, owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
