Supplement to the Recommended 2023-2028 Capital Improvement Program

This Supplement to the April, 2022, Recommended CIP submitted to the Monroe County Legislature is being provided to expand the project summary tables for those departments that use cash from their operating budgets as a source of funds for capital projects (Information Services, Library, Pure Waters, Solid Waste, Parks, Traffic Engineering, Public Safety, and the Office of the Sheriff).

As described in the main CIP document, the sources of funds for financing the County's capital projects are primarily County revenues, project revenues, state and federal aid, and debt financing. Sometimes, private parties or local governments contribute towards a portion of project costs. County revenues primarily consist of property and sales taxes. Project revenues are made up of special district charges (Pure Waters assessments) and enterprise (direct user) fees (Airport, Solid Waste, and Monroe Community Hospital). State and federal aid is in the form of grants for specific projects.

The following department summary tables designate funding sources as follows: County operating cash (cc); County debt financing (c); special district charges (d); district operating cash (dc); enterprise fees (e); enterprise operating cash (ec); state grants (s); federal grants (f); and private funds (p).

Subject: Adopt 2023-2028 Capital Improvement Program

The proposed Capital Improvement Program is submitted to the County Legislature in accordance with Section C4-10 of Article IV and Section C5-7 of Article V of the Monroe County Charter.

This proposed program includes projects designed to address aging infrastructure while at the same time ensuring that Monroe County continues to grow and expand its job base and quality of life. Projects contained in the program are intended to improve and modernize public buildings, construct needed highway and bridge improvements, as well as continue investment in public safety, the Frederick Douglass Greater Rochester International Airport, the County Parks System, the Monroe County Library System, the Monroe Community Hospital, and Monroe Community College.

In addition, the Monroe County Planning Board put in many hours in reviewing and recommending this program. I want to thank all of those involved in the preparation of this program for their hard work and dedication.
