Subject: Amend Resolution 132 of 2021 to Amend and Increase the Contract with URMCLabs, a Division of the University of Rochester, for Laboratory Services at Monroe Community Hospital

Honorable Legislators:

I recommend that Your Honorable Body amend Resolution 132 of 2021 to amend and increase the contract with URMCLabs, a Division of the University of Rochester, from a total amount not to exceed \$1,250,000 to a total amount not to exceed \$1,670,000 to provide laboratory services for residents at Monroe Community Hospital ("MCH") for the period of April 1, 2021 through March 31, 2022, with all other terms to remain the same.

As the COVID-19 pandemic continues, MCH must adhere to the resident COVID-19 testing regulations set forth by U.S. Centers for Medicare & Medicaid Services. All residents (approximately 400) must be tested every three to seven days, for a minimum of fourteen days, after a single positive COVID-19 case within the facility, whether a resident, staff member, or contractor. The increase in the contract is due to the volume of COVID tests being processed.

The specific legislative action required is to amend Resolution 132 of 2021 to increase the contract with URMCLabs, a Division of the University of Rochester, to provide laboratory services for residents of Monroe Community Hospital, from a total amount not to exceed \$1,250,000 to a total amount not to exceed \$1,670,000 for the period of April 1, 2021 through March 31, 2022, with all other terms to remain the same.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract amendment is included in the 2022 operating budget of Monroe Community Hospital, fund 9012, funds center 6204020000, Laboratory. No additional net County support is required in the current Monroe County budget.

The University of Rochester is a not-for-profit entity, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
