Intro. No. ____

RESOLUTION NO. ____ OF 2023

AUTHORIZING CONTRACT WITH FEDERAL ENGINEERING, INC. FOR PUBLIC SAFETY RADIO SERVICE CONSULTING AND ENGINEERING

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The County Executive, or his designee, is hereby authorized to execute a contract and any amendments thereto, with Federal Engineering, Inc., for the analysis, evaluation, recommendations, direction, and project scoping for the County-wide interoperable public safety communications system in an amount not to exceed \$136,668 for the period of January 1, 2023 through December 31, 2023.

Section 2. Funding for this contract, consistent with authorized uses, is included in capital fund 1998 and in any other capital fund(s) created for the same intended purpose.

Section 3. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Subject: Authorize a Contract with Federal Engineering, Inc. for Public Safety Radio Service Consulting and Engineering

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Federal Engineering, Inc. in an amount not to exceed \$136,668 to provide for the analysis, evaluation, recommendations, direction, and project scoping for the County-wide interoperable public safety communications system for the period of January 1, 2023 through December 31, 2023.

This contract will support the County's Interoperable Public Safety Communications System. Federal Engineering, Inc. will provide its analysis, conclusions, recommendations and directions to the County in the form of a Public Safety Communications Plan and publicly present it to the County Public Safety Department.

A Request for Proposal was issued for this contract and Federal Engineering, Inc. was selected as the most qualified to provide this service.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract and any amendments thereto, with Federal Engineering, Inc., 10560 Arrowhead Drive, Suite 100, Fairfax, Virginia 22030, for the analysis, evaluation, recommendations, direction, and project scoping for the County-wide interoperable public safety communications system in an amount not to exceed \$136,668 for the period of January 1, 2023 through December 31, 2023.

This action is a Type II Action pursuant to 6 NYCRR §617.5(c)(24) ("information collection, including basic data collection and research; water quality and pollution studies, traffic counts, engineering studies; surveys; subsurface investigations; and soils studies that do not commit the agency to undertake, fund or approve any Type I or Unlisted action") and (27) ("conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action"), and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract, consistent with authorized uses, is included in capital fund 1998, and in any other capital fund(s) created for the same intended purpose. No additional net County support is required in the current Monroe County budget.

Federal Engineering, Inc. is a Virginia business corporation, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County Property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
