Subject: Authorize an Intermunicipal Agreement with the Town of Henrietta Transferring
Ownership of Town-Owned Land to Monroe County

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with the Town of Henrietta transferring ownership of town-owned land to Monroe County for the purpose of establishing a new County park.

This agreement will govern the transfer of approximately 70 acres of land that will be subdivided from tax parcels 203.01-2-3.001 and 202.02-2-29.117 and combined to form a new parcel to be used as a County park. The land is generally southeast of the intersection of Ward Hill and East Henrietta Roads, with pedestrian access from Longtrail Lane off of East Henrietta Road and pedestrian and vehicular access from Chatwood Lane off of Ward Hill Road.

The land is crossed by the existing Lehigh Valley Linear Trail, and per, the terms of the proposed agreement, the County will develop the land as low-impact, interconnected parklands with hiking trails, and potentially a pavilion and restrooms in the future.

Any and all future development of this new County park would be contingent upon the development of a master plan. The process of developing this plan would include the involvement of a town advisory committee and require a public input session involving the communities adjacent to the new park.

The specific legislative action required is to authorize the County Executive, or his designee, to execute an intermunicipal agreement, and any amendments thereto, with the Town of Henrietta, to transfer ownership of town-owned land to Monroe County.

This action is a Type I Action under the New York State Environmental Quality Review Act ("SEQRA"). The Town of Henrietta conducted a coordinated review and found that the proposed action will not result in any significant adverse environmental impacts. The Town of Henrietta has therefore issued a Negative Declaration for this action and no further action under SEQRA is required.

This intermunicipal agreement will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
