Subject: Authorize an Agreement with the New York State Department of Environmental Conservation and Convey 600 Ridge Road to the Town of Webster

Honorable Legislators:

I recommend that Your Honorable Body authorize an agreement with the New York State Department of Environmental Conservation ("NYSDEC") and convey 600 Ridge Road, Webster, New York 14580 to the Town of Webster.

Pursuant to Resolution 264 of 2022, Your Honorable Body authorized an intermunicipal agreement, and any amendments thereto, with the Town of Webster to pursue temporary incidents of ownership over 600 Ridge Road, Webster, New York 14580 (the "Property") in order to conduct environmental site assessments under Environmental Conservation Law § 56-0508. The Property was formerly the site of Webster Furniture Strippers, has sat vacant for several years, and has been offered at Monroe County tax sales since 2016 with no bids, including the most recent tax sale held this September.

In order to help foster future development of the Property, address the blighted structures from the Property, and otherwise return the Property to productive use, Monroe County will acquire the property through tax delinquency and foreclosure and then immediately transfer the property to the Town of Webster. Prior to this acquisition, Monroe County will enter into an agreement with the NYSDEC, through which the NYSDEC will covenant not to sue or seek payment from Monroe County as a responsible party.

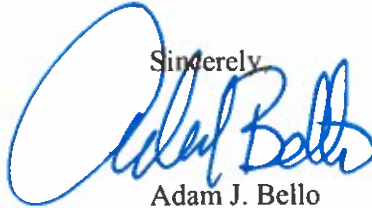

The specific legislative action required are:

1. Authorize the County Executive, or his designee, to execute an agreement, and any amendments thereto, with the New York State Department of Environmental Conservation regarding 600 Ridge Road, Webster, New York.
2. Authorize the County Executive, or his designee, to execute all documents necessary for the conveyance of 600 Ridge Road, Webster, New York to the Town of Webster.

This action is an Unlisted Action under the New York State Environmental Quality Review Act ("SEQRA"). The Town of Webster will serve as Lead Agency to conduct a coordinated review, and the provisions of SEQRA shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

This agreement will have no net impact on the revenues or expenditures of the Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
