Subject: Authorize Intermunicipal Agreements with the Towns of Greece and Irondequoit to Provide the Towns Partial Reimbursement of Interoperable Radio Communications Equipment Installations within the Towns' Public Safety Facilities

I recommend that Your Honorable Body authorize intermunicipal agreements with the Towns of Greece and Irondequoit in a total aggregate amount not to exceed \$20,000 to provide the towns a partial reimbursement of interoperable radio communications equipment installations within the towns' public safety facilities.

The proposed intermunicipal agreements would fund a partial reimbursement to the Towns of Greece and Irondequoit for pre-approved costs to enhance in-building public safety radio communications within their primary base of public safety operations. These enhancements will facilitate the towns' effective operation on the Public Safety Trunked Radio System.

**The specific legislative action required is** to authorize the County Executive, or his designee, to execute intermunicipal agreements with the Towns of Greece and Irondequoit in a total aggregate amount not to exceed \$20,000, and any amendments thereto, to provide the towns a partial reimbursement of interoperable radio communications equipment installations within the towns' public safety facilities.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(31) purchase or sale of furnishings, equipment or supplies, including surplus government property, other than the following: land, radioactive material, pesticides, herbicides, or other hazardous materials") and is not subject to further review under the State Environmental Quality Review Act.

Funding for these agreements is included in the 2023 operating budget of the Department of Public Safety, general fund 9001, funds center 2406010000, Public Safety Communications. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello  
Monroe County Executive
