Honorable Legislators:

We recommend that Your Honorable Body amend the 2023-2028 Capital Improvement Program and the 2023 Capital Budget to add a project entitled "Aldrich Road Sidewalks" in the amount of \$1,300,000; authorize financing for the project in the amount of \$1,300,000; authorize the appropriation and transfer of committed fund balance; and authorize an intermunicipal agreement with the Town of Perinton for sidewalk installation in conjunction with the Aldrich Road Culvert Project.

The Monroe County Department of Transportation is undertaking a project that involves the rehabilitation or replacement of the Aldrich Road culvert over White Brook Tributary along with highway approach work and stream channel improvements. The current schedule is to conduct design during 2023 with an anticipated construction start in 2024. The current total project estimate is \$2,368,000. During the design for the Aldrich Road Culvert Project, the Town of Perinton expressed an interest in the installation of sidewalk and curbing along the length of Aldrich Road between Ayrault Road and Aldrich Glen, and reimbursing the County for the appropriate costs relating to this work. Subsequently, the County included this sidewalk work in the final design for the Aldrich Road Culvert Project and this intermunicipal agreement will allow the Town of Perinton to reimburse the County for its share of all costs relating to the sidewalk and curbing installation. The Town's share of the sidewalk costs is estimated at \$650,000 of the project's total anticipated construction cost is \$1,300,000. The remaining \$650,000 of this will be paid for by the appropriation and transfer of committed fund balance pursuant to Resolution 197 of 2023.

**The specific legislative actions required are:**

1. Amend the 2023-2028 Capital Improvement Program add a project in 2023 entitled "Aldrich Road Sidewalks," in the amount of \$1,300,000.

4. Authorize the appropriation and transfer of committed fund balance in an amount not to exceed \$650,000 from general fund 9001 to the capital fund to be established for the Aldrich Road Sidewalks project.

The provisions of the New York State Environmental Quality Review Act shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.
