Subject: Authorize a Contract with Cornell University to Provide Renovation, Repair, and Painting Training for the Monroe County Childhood Lead Poisoning Prevention Program

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Cornell University in an amount not to exceed \$25,000 to provide renovation, repair, and painting training for the Monroe County Childhood Lead Poisoning Prevention Program for the period of October 1, 2023 through September 30, 2024, with the option to renew for two (2) additional one-year terms in an amount not to exceed \$25,000 annually.

By Resolution 118 of 2022, Your Honorable Body authorized the acceptance of a grant from the New York State Department of Health for the Childhood Lead Poisoning Prevention Program. This contract will support the County's Childhood Lead Poisoning Prevention Program. Cornell University will provide Environmental Protection Agency-certified renovation, repair, and painting training for contractors and property owners who engage in maintenance of their own properties or who are interested in learning how to maintain a lead safe home.

A request for proposals was issued and Cornell University was selected as the most qualified vendor to provide these services.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Cornell University, 373 Pine Tree Road, Ithaca, New York 14850, to provide renovation, repair, and painting training for the Monroe County Childhood Lead Poisoning Prevention Program in an amount not to exceed \$25,000 for the period of October 1, 2023 through September 30, 2024, with the option to renew for two (2) additional one-year terms in an amount not to exceed \$25,000 annually.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2023 operating budget of the Department of Public Health, general fund 9300, funds center 5806110000, Lead Programs, and will be requested in future years' budgets. No additional net County support is required in the current Monroe County budget.

Cornell University is a not-for-profit entity, and the records in the Office of the Monroe County Treasury have indicated that it does not owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
