RESOLUTION NO OF 2024
CLASSIFICATION OF ACTION AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR TOWN OF MENDON MILE SQUARE ROAD SIDEWALK EXTENSION PROJECT PARTIALLY FUNDED TRHOUGH MONROE COUNTY
BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:
Section 1. The Monroe County Legislature determines that the Town of Mendon Mile Square Road Sidewalk Extension Project is an Unlisted action.
Section 2. The Monroe County Legislature has reviewed and considered the Short Environmental Assessment Form dated May 13, 2024, and has considered the potential environmental impacts of the Town of Mendon Mile Square Road Sidewalk Extension Project pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will not result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopts the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.
Section 3. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution, and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.
Section 4. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.
Environment and Public Works Committee; September 23, 2024 - CV: 7-0 File No. 24-0291

Short Environmental Assessment Form Part 1 - Project Information

Instructions for Completing

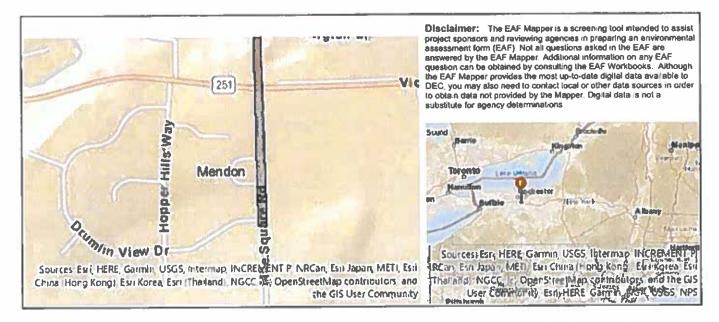

Part 1 - Project Information. The applicant or project sponsor is responsible for the completion of Part 1. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification. Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information.

Complete all items in Part 1. You may also provide any additional information which you believe will be needed by or useful to the lead agency; attach additional pages as necessary to supplement any item.

Part 1 – Project and Sponsor Information		
Town of Mendon		
Name of Action or Project:		
Mile Square Road Sidewalks		
Project Location (describe, and attach a location map):		
Mile Square Road		
Brief Description of Proposed Action:	•	
Proposed sidewalk to be installed on the east side of Mile Square Road from the Lehigh Valley feet of 5 foot wide concrete sidewalk. Proposed pedestrian crossing of NYS Rte 251, Kings Br	y Trail to Drumlin View Drive. idge and Mile Square Road a	Approximately 2,500 linear t Drumlin View Drive.

Short Environmental Assessment Form Part 2 - Impact Assessment

Part 2 is to be completed by the Lead Agency.

Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

		No, or small impact may occur	Moderate to large impact may occur
1.	Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	V	
2.	Will the proposed action result in a change in the use or intensity of use of land?	V	
3.	Will the proposed action impair the character or quality of the existing community?	V	
4.	Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	1	
5.	Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	V	
6.	Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	V	
7.	Will the proposed action impact existing: a. public / private water supplies?	V	
	b. public / private wastewater treatment utilities?	1	
8.	Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	V	
9.	Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	V	
10.	Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	V	
11.	Will the proposed action create a hazard to environmental resources or human health?	V

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

Negative Declaration - Determination of no significant adverse environmental impacts:

The Town of Mendon is proposing to install 2,500 linear feet of 5 foot wide concrete sidewalk. The sidewalk will be installed on the east side of Mile Square Road from the Lehigh Valley Trail to Drumlin View Drive. These sidewalks will improve the overall safety for those who walk along Mile Square Road. The project does not impact wetlands, the 100 year floodplain or any structures more than 50 years old. The project will not impact existing natural resources, wetlands, historical or cultural resources and will not after the existing community character or increase traffic. The proposed action is consistent with existing land use. Accordingly, the proposed action will have no significant effect upon the environment and is determined to be a negative determination.

that the proposed action may result in one or more pote environmental impact statement is required.	
Check this box if you have determined, based on the info that the proposed action will not result in any significant Monroe County	rmation and analysis above, and any supporting documentation, adverse environmental impacts.

Not to be removed from the Office of the Legislature Of

Monroe County
Committee Assignment

ENV. & PUB. WORKS-L

September 6, 2024

To The Honorable Monroe County Legislature 407 County Office Building Rochester, New York 14614

Subject: Classification of Action and Determination of Significance Pursuant to the State

Environmental Quality Review Act for the Town of Mendon Mile Square Road

Sidewalk Extension Project Partially Funded through Monroe County

Honorable Legislators:

I recommend that Your Honorable Body determine whether the Town of Mendon Mile Square Road Sidewalk Extension Project, partially funded through Monroe County may have a significant adverse impact on the environment pursuant to the State Environmental Quality Review Act ("SEQRA").

This project involves Monroe County providing funding to the Town of Mendon for a proposed sidewalk to be installed on the east side of Mile Square Road from the Lehigh Valley Trail to Drumlin View Drive. This project involves the installation of approximately 2,500 linear feet of five-foot wide concrete sidewalk and pedestrian crossings at NYS Rte 251, Kings Bridge and Mile Square Road at Drumlin View Drive. This project will extend the sidewalk system, increase pedestrian safety, and provide greater access to the Monroe County Park's Lehigh Valley Trail.

The specific legislative actions required are:

- 1. Determine that the Town of Mendon Mile Square Road Sidewalk Extension Project is an Unlisted Action.
- 2. Make a determination of significance regarding the Town of Mendon Mile Square Road Sidewalk Extension Project pursuant to 6 NYCRR § 617.7.

3. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of SEQRA, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under SEQRA, and any other actions to implement the intent of this resolution.

The Town of Mendon Mile Square Road Sidewalk Extension Project has been preliminarily classified as an Unlisted Action pursuant to 6 NYCRR § 617(b). The State Environmental Quality Review Act regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

This designation will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Adam J. Bello

Monroe County Executive

Short Environmental Assessment Form Part 2 - Impact Assessment

Part 2 is to be completed by the Lead Agency.

Answer all of the following questions in Part 2 using the information contained in Part 1 and other materials submitted by the project sponsor or otherwise available to the reviewer. When answering the questions the reviewer should be guided by the concept "Have my responses been reasonable considering the scale and context of the proposed action?"

W II W		No, or small impact may occur	Moderate to large impact may occur
1.	Will the proposed action create a material conflict with an adopted land use plan or zoning regulations?	V	
2.	Will the proposed action result in a change in the use or intensity of use of land?	✓	
3.	Will the proposed action impair the character or quality of the existing community?	✓	
4.	Will the proposed action have an impact on the environmental characteristics that caused the establishment of a Critical Environmental Area (CEA)?	V	
5.	Will the proposed action result in an adverse change in the existing level of traffic or affect existing infrastructure for mass transit, biking or walkway?	V	
6.	Will the proposed action cause an increase in the use of energy and it fails to incorporate reasonably available energy conservation or renewable energy opportunities?	✓	
7.	Will the proposed action impact existing: a. public / private water supplies?	✓	
	b. public / private wastewater treatment utilities?	✓	
8.	Will the proposed action impair the character or quality of important historic, archaeological, architectural or aesthetic resources?	V	
9.	Will the proposed action result in an adverse change to natural resources (e.g., wetlands, waterbodies, groundwater, air quality, flora and fauna)?	V	
10.	Will the proposed action result in an increase in the potential for erosion, flooding or drainage problems?	V	
11.	Will the proposed action create a hazard to environmental resources or human health?	✓

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

Negative Declaration - Determination of no significant adverse environmental impacts:

The Town of Mendon is proposing to install 2,500 linear feet of 5 foot wide concrete sidewalk. The sidewalk will be installed on the east side of Mile Square Road from the Lehigh Valley Trail to Drumlin View Drive. These sidewalks will improve the overall safety for those who walk along Mile Square Road. The project does not impact wetlands, the 100 year floodplain or any structures more than 50 years old. The project will not impact existing natural resources, wetlands, historical or cultural resources and will not alter the existing community character or increase traffic. The proposed action is consistent with existing land use. Accordingly, the proposed action will have no significant effect upon the environment and is determined to be a negative determination.

that the proposed action may result in one or more pote environmental impact statement is required.			
Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts. Monroe County
