Subject: Authorize a Contract with Passero Associates, Engineering, Architecture & Surveying, P.C. for Design Services for the Parking Facility Upgrades Project at the Frederick Douglass-Greater Rochester International Airport

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with Passero Associates, Engineering, Architecture & Surveying, P.C. in the amount of \$187,900 for design services for the Parking Facility Upgrades Project at the Frederick Douglass-Greater Rochester International Airport.

This project will upgrade the existing airport employee parking lot by expanding it with approximately 27,300 square feet of new asphalt pavement as well as reconstructing approximately 30,100 square feet of existing asphalt pavement that is in poor condition. Lighting upgrades and the addition of security cameras will also be provided throughout the new and reconstructed areas. During the design phase of the project, approximately 450,000 square feet of existing pavement within the circulation loop will be evaluated to determine additional areas of pavement rehabilitation and/or expansion.

The Department of Aviation recommends authorization of a contract with Passero Associates, Engineering, Architecture & Surveying, P.C., a designated airport consultant per Resolution 365 of 2023, to provide design services for the Parking Facility Upgrades Project in the amount of \$187,900.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract with Passero Associates, Engineering, Architecture & Surveying, P.C., 242 West Main Street, Suite 100, Rochester, New York 14614, for design services for the Parking Facility Upgrades Project at the Frederick Douglass-Greater Rochester International Airport in the amount of \$187,900, along with any amendments necessary to complete the project within the total capital fund(s) appropriation.

This action is a Type II action pursuant to 6 NYCRR §617.5(c) (1) ("maintenance or repair involving no substantial changes in an existing structure or facility") and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in capital fund 1870 and any capital fund(s) created for the same intended purpose. The local funding for this project will be provided by the Monroe County Airport Authority from Airport generated revenues. No net County support is required in the current Monroe County budget.

The records in the Office of the Monroe County Treasury have indicated that neither Passero Associates, Engineering, Architecture & Surveying, P.C., nor any of its principal officers, owe any delinquent Monroe County property taxes. The principal officers of the firm are:

Jess D. Sudol, President
Andrew M. Holesko, Chief Executive Officer
Peter Wehner, Vice President
Bradley Wentz, Vice President
Jeff Bonecutter, Vice President
David Passero, Chief Financial Officer

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
