RESOLUTION NO. _____ OF 2024

CLASSIFICATION OF ACTION, DESIGNATION OF LEAD AGENCY, AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT (SEQRA) FOR TOWN OF BRIGHTON CLOVER STREET SIDEWALK PROJECT FUNDED THROUGH MONROE COUNTY COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM/HOME

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The Monroe County Legislature determines that the Town of Brighton Clover Street Sidewalk Project funded through the Monroe County Community Development Block Grant (CDBG) Program is an Unlisted Action.

Section 2. The Monroe County Legislature hereby designates Monroe County as Lead Agency for the Town of Brighton Clover Street Sidewalk Project funded through the Monroe County Community Development Block Grant (CDBG) Program.

Section 3. The Monroe County Legislature has reviewed and considered the Short Environmental Assessment Form dated April 1, 2024, and has considered the potential environmental impacts of the Town of Brighton Clover Street Sidewalk Project funded through the Monroe County Community Development Block Grant (CDBG) Program, pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will not result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopts the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.

Section 4. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution, and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

Section 5. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Short Environmental Assessment Form Part 3 Determination of Significance

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

The Town of Brighton is proposing to install 1,000 linear feet of ADA compliant concrete sidewalk. The sidewalk will start at the Interstate-490 bridge and run north along the east side of Clover Street within the Town's R.O.W. and along the west side of Clover Street from Rawlingswood Park to Greenaway Road. The Town is also proposing to remove 250 LF of existing 4' wide sidewalks that are structurally failing and do not meet current Town standards. These sidewalks will connect the neighborhood to the East Avenue area and will improve the overall safety for those who walk along Clover Street. The project does not impact wetlands, the 100 year floodplain or any structures more than 50 years old. The new sidewalks will benefit the residents by improving the overall safety for those who walk frequently in the area. The project will not impact existing natural resources, wetlands, historical or cultural resources and will not alter the existing community character or increase traffic. The proposed action is consistent with existing land use. Accordingly, the proposed action will not result in any significant adverse environmental impacts.

☐ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

☒ Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action will not result in any significant adverse environmental impacts.

Monroe County, New York

Adam J. Bello
County Executive

May 10, 2024

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Classification of Action, Designation of Lead Agency, and Determination of Significance Pursuant to State Environmental Quality Review Act (SEQRA) for the Town of Brighton Clover Street Sidewalk Project Funded Through the Monroe County Community Development Block Grant (CDBG) Program /HOME

Honorable Legislators:

I recommend that Your Honorable Body designate Monroe County as Lead Agency for the Town of Brighton Clover Street Sidewalk Project funded through the Monroe County Community Development Block Grant ("CDBG") Program and to determine whether the action may have a significant adverse impact on the environment pursuant to SEQRA.

The project consists of the Town of Brighton using CDBG funds to install 1000 linear feet of 5' wide concrete sidewalk and the removal of 300' of failing sidewalks that no longer meet Town of Brighton standards. The installation will occur in a suburban-residential neighborhood that was previously disturbed at the time of construction.

This project will not impact existing wetlands, or historical, cultural, or natural resources nor will it alter the existing community character. The proposed action is consistent with existing land use and will increase the safety of nearby residents.

The Town of Brighton Clover Street Sidewalk Project funded through the Monroe County Community Development Block Grant (CDBG) Program has been preliminarily classified as an Unlisted Action pursuant to 6 NYCRR § 617(b). The State Environmental Quality Review Act regulations found at 6 NYCRR Part 617 requires that no agency shall carry out or approve an Action until it has complied with the requirements of SEQRA.

The specific legislative actions required are:

1. Determine that the Town of Brighton Clover Street Sidewalk Project funded through the Monroe County Community Development Block Grant (CDBG) Program is an Unlisted Action.
2. Designate Monroe County as Lead Agency for the Town of Brighton Clover Street Sidewalk Project funded through the Monroe County Community Development Block Grant (CDBG) Program.
3. Make a determination of significance of the Town of Brighton Clover Street Sidewalk Project funded through the Monroe County Community Development Block Grant (CDBG) Program pursuant to 6 NYCRR § 617.7.
4. Authorize the County Executive, or his designee, to take such actions to comply with the requirements of SEQRA, including without limitation, the execution of documents and the filing, distribution and publication of the documents required under SEQRA, and any other actions to implement the intent of this resolution.

This designation will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
