Executive Leadership Experience

Ibero- American Action League Inc.

February 2019 to Present

President & Chief Executive Officer

Responsibilities: Named the seventh President and CEO in the 52-year history of Ibero-American Action League (Ibero). Ibero, a dual language multi service agency that uplifts, empowers, and

advocates for Latinos and the underserved to achieve equity and become fully valued community members. Ibero has a \$13 million operating budget with two hundred employees across upstate NY.

Highlights

- Led through an unprecedented global pandemic, transforming the organization's technological infrastructure, successful adaptation of virtual services and maintaining all revenues at pre pandemic levels.
- Led the largest divestitures and transformation in Ibero history and executed a successful rebranding strategy for the organization resulting in close to \$5 million in new program revenue.
- Led the creation of the Latinx Leaders Roundtable which resulted in over seventy volunteers and community leaders publishing the first Rochester Latinx Agenda in the 130-year-old history of the Rochester region's Latinx community. This report included background, analysis, and recommendations on: Arts & Culture, Housing, Faith Community, Education, Health, LGBTQi+, Youth, Economic Development, Language Access, and Civic Engagement.
- Expanded services to Western New York, Ontario County, Mohawk Valley, and the Capital region. Making Ibero the largest dual language service organization outside of New York City.
- Secured the expansion of Poder 97.1 from a Low Power FM to a non-profit commercial radio station in partnership with WXXI and WDKX.
- Expanded childcare services by 23% to address childcare dessert needs and bilingual services for children in our highest need neighborhoods.
- Leading rapid response efforts and relocation of migrant families from New York City to Albany County and Monroe County. Relocating over one hundred individuals to date.
- Relocated Ibero's administrative offices to the St. Michael campus to support the sustainability of St. Michael's ministries and anchor revitalization projects in the El Camino neighborhood.

Villa of Hope

October 2013 to February 2019

Chief Administrative Officer

Responsibilities: Executive oversight of all behavioral health services and responsible for the development and administration of compliance; quality; organizational development; human resources; information technology; facility operations and enterprise-wide strategic initiatives. Villa of Hope has a \$26 million operating budget with 450 employees.

Highlights

- Responsible, accountable for over 90% of the operating budget expenditures, and capital investments. Over \$20 million in personnel expenses, information technology and facility operations expenditures.

- Designed, implemented, and opened the Villa's Mental Health Clinic, serving over five hundred individuals and generating a surplus.
- Expanded Chemical Dependency Outpatient Clinic services and increased revenue from \$100k to \$300k in 12 months.
- Led the implementation of the electronic client record across twenty diverse behavioral health programs.
- Developed and executed strategy for data analysis and reporting.
- Increased licensure and operating certificates across the agency to the highest levels. Moving several programs from 6-month operating certificates to maximum operating certification.
- Oversight of compliance and quality for over twenty programs under multiple regulatory licenses. (OCFS, OMH, SED, DOH and OASAS)
- Led and executed strategic direction for each oversight department contributing and aligning with enterprise-wide five-year strategy plan.
- Led high impact capital projects for Information Technology and Facility Operations. Including securing over \$5 million in capital funds for the expansion of the mental health clinic and eighteen bed detox facility.
- Led the implementation of agency wide centralized intranet and automation of incident management, facility operations, training, and human resources processes.
- Designed and implemented the agency's performance quality improvement framework, internal auditing system and compliance reporting structure.
- Led policy and procedure initiatives leading to the implementation and centralization of all policies across the agency.
- Led the assessment, creation, and execution of agency wide risk management plan.
- Led the creation and execution of monthly and quarterly reporting of agency wide key performance indicators and operational metrics.
- Designed Work Based Learning Program Model and leveraged operations on campus to provide meaningful work experience opportunities for youth. In partnership with Chief Development Officer, secured funding for pilot program.

Horizon Health Services

January 2011 – October 2013

Senior Coordinator of Continuous Quality Improvement

Responsibilities: Administrative oversight of a team of 10 Auditors and multiple clinical systems Specialist. Responsible for the compliance for over twenty-four clinics in three counties under multiple regulatory licenses. (Part 599, 512, 822 and 819)

Highlights

- Coordinated with CCO, CEO, CFO, and all VPs to implement quality improvement, risk management, and business plan activities to enhance service delivery, service environments and documentation.
- Oversight of all internal auditing of program operations, monitoring compliance with regulations, and providing results of reviews to the CCO, CEO, CFO, and all VPs.

- Oversight of operations to prepare for licensing or certification reviews. Oversight of day-to-day quality assurance and compliance systems to appraise whether programs comply with internal and external standards.
- Assisted Program Directors with audits to verify completion of correction plans in response to surveys. Responsible for problem solving and implementing any system management issues cited in correction plans.
- Designed, implemented, and reviewed compliance with policies/procedures.
- Designed, developed, and maintained auditing tracking system to ensure reviews are completed timely, analyze data, establish trends and develop systems solutions.
- Conducted internal investigations of critical incidents under the direction of the CCO.
- Reviewed critical incident data and prepares trended reports for operations management.
- Assisted in the design of all training initiatives, maintained training materials developed by the company, policies, and procedures, and accepted evidenced based practices.
- Oversight of the new hire clinical credentialing process, client-specific and clinical type training.
- Identified training needs and coordinated training programs to address those needs.
- Collaborated with other internal training experts on training program delivery.
- Chaired monthly QA team meetings, operation meetings and program other meetings as needed.
