Subject: Authorization to Memorialize Titus Avenue in the Town of Irondequoit in Honor of Dr. Joseph Carbone, Former President of the Monroe County Legislature

Honorable Legislators:

We recommend that this Honorable Body authorize the fabrication and installation of two memorial signs along Titus Avenue (County Route 91) in the Town of Irondequoit to honor and commemorate the late Dr. Joseph Carbone, former President of the Monroe County Legislature, who passed away on June 21, 2025.

Dr. Carbone was a lifelong Irondequoit resident whose legacy of service to both medicine and public life left a lasting mark on Monroe County. Elected to the Legislature in 2012, he represented the 16th Legislative District in Irondequoit until 2021, serving as President of the Monroe County Legislature from 2018 through 2021. During his tenure, Dr. Carbone was widely recognized for his steady leadership and deep commitment to improving the lives of Monroe County residents from all walks of life.

Beyond public service, Dr. Carbone was a respected and compassionate physician who practiced podiatry for over 40 years. He served as Chief of Podiatry at Rochester Regional Health and cared for generations of local families from his practice located on Titus Avenue - making this location a fitting and symbolic place for memorial recognition. Dr. Carbone also dedicated much of his time to civic and charitable causes, reflecting his belief that community service was both a calling and a duty.

In addition to honoring Dr. Carbone's public service and professional accomplishments, this designation will help raise awareness of neuroblastoma, the rare and aggressive cancer that took his life. By memorializing Dr. Carbone's name along this well-traveled corridor, the County will not only pay tribute to his leadership and compassion, but also bring visibility to families who have experienced or are currently battling this devastating disease.

This memorialization will serve as a lasting reminder of Dr. Carbone's courage, dedication, and profound love for the Irondequoit community he so proudly served.

Dr. Carbone is survived by his beloved wife, Mary; his daughter and son-in-law, Roma and Lucas McGrann; his mother, Loretta; and his sister, Carol. His warmth, humor, and integrity continue to inspire all who had the privilege of knowing him.

The specific legislative actions required are:

1. Memorialize Titus Avenue (County Route 91) in honor of former President of the Legislature Dr. Joseph Carbone.
2. Authorize the County Executive to take appropriate steps to effectuate the fabrication and posting of the two memorialization signs on Titus Avenue between St. Paul Boulevard and Sea Breeze Drive in the Town of Irondequoit.

This is a Type II Action pursuant to 6 NYCRR §617.5(c)(26) (“routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment”) and is not subject to further review under the State Environmental Quality Review Act. No additional net County support is required in the current Monroe County budget.

We recommend that this matter be referred to the appropriate committee(s) for favorable action by this Honorable Body.

Respectfully Submitted,
