The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of the amount hereby authorized to pay the cost of the aforesaid class of objects or purposes. The period of probable usefulness of the class of objects or purposes is forty (40) years, pursuant to subdivision 4 of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is \$1,000,000, and the plan for the financing thereof is by the issuance of \$1,000,000 bonds of said County herein authorized; provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, the County Executive, or his designee, is hereby authorized to accept and shall use such funds to redeem any outstanding indebtedness incurred for such purpose or apply it, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. To the extent not paid from rates, rents, or charges, there shall annually be apportioned and assessed upon the several lots and parcels of land within said District, in the manner provided by law, an amount sufficient to pay the principal of and interest on such obligations becoming due and payable in such year, but if not paid from such source, all the taxable real property of said County shall be subject to a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance - Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto.

Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. **Subject:** Increase and Improvement of Facilities in the Rochester Pure Waters District Entitled "RPWD - FEV SPDES Permit Upgrades" Project; Amend the 2025 Capital Budget to Add the Project; and Authorize Financing

Honorable Legislators:

I recommend that Your Honorable Body approve a request to establish an Increase and Improvement of Facilities in the Rochester Pure Waters District (the "District") in the amount of \$1,000,000, consisting of a capital project entitled "RPWD - FEV SPDES Permit Upgrades;" amend the 2025 Capital Budget to add the project; and authorize financing.

The total Increase and Improvements of Facilities in the District is comprised of the "RPWD - FEV SPDES Permit Upgrades" project (\$1,000,000), "RPWD - General Collection System and Treatment Plant Improvements" project (\$2,500,000), "RPWD - CSOAP Tunnel System Improvements" project (\$1,200,000), and the "Replacement Heavy Equipment" (\$750,000), for a total estimated cost of the Increase and Improvement in the amount of \$5,450,000. The "RPWD - General Collection System and Treatment Plant Improvements", "RPWD - CSOAP Tunnel System Improvements", and "Replacement Heavy Equipment" projects are under consideration by Your Honorable Body as companion referrals.

The Increase and Improvement of Facilities is necessary to provide funding for the "RPWD - FEV SPDES Permit Upgrades" project for the Frank E. Van Lare (FEV) Water Resource Recovery Facility (WRRF). This project includes modifications to operating processes as required by State Pollutant Discharge Elimination System (SPDES) Permit issued by New York State Department of Environmental Services.

The estimated cost of the improvements is \$1,000,000. The actual debt service obligation for the additional cost of the project, as projected in future years, could potentially result in an increase of \$0.56 to the future annual charges of the average District ratepayer. However, the actual impact is typically reduced through retirement of previous debt and other offsets to the District's capital charge levy. Based on an average water consumption of 60,000 gallons, the total annual charge for both operation & maintenance and capital to the District ratepayer in 2024 is \$273.62.

Portions of the project may become eligible for financing through the New York State Water Pollution Control Revolving Loan Fund. It is therefore requested that the County have the ability to submit applications and take any necessary steps to utilize this financing vehicle if it becomes available.

**The specific legislative actions required are:**

1. Hold a Public Hearing for the proposed maximum amount to be expended for an “Increase and Improvement of Facilities in the Rochester Pure Waters District.”
2. Following the Public Hearing, adopt a resolution approving the “Increase and Improvement of Facilities in the Rochester Pure Waters District” at the maximum amount to be expended.
3. Amend the 2025 Capital Budget to add a project entitled “RPWD - FEV SPDES Permit Upgrades” in the amount of \$1,000,000.
4. Authorize financing for the project entitled “RPWD - FEV SPDES Permit Upgrades” in the amount of \$1,000,000.
5. Authorize filing of applications and execution of Project Financing Agreements and any other necessary documents by the County Executive or the Director of Finance – Chief Financial Officer, as appropriate, for participation in the New York State Water Pollution Control Revolving Loan Fund under the applicable laws of New York State to finance all or a portion of the project.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(1) (“maintenance or repair involving no substantial changes in an existing structure or facility”) and (2) (“replacement, rehabilitation or reconstruction of a structure or facility, in kind, on the same site, including upgrading buildings to meet building, energy, or fire codes unless such action meets or exceeds any of the thresholds in section 617.4 of this Part”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be available in the capital fund to be created once the financing authorization herein is approved, and in any capital fund(s) created for the same intended purpose. The local funding for this project will ultimately be provided by the Rochester Pure Waters District user fees. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,  

Adam J. Bello  
Monroe County Executive
