The price for these easements was determined to be market value by Monroe County Real Estate. The land will be used by the State as part of their project to improve Brooks Avenue.

These easements have been approved by the Monroe County Airport Authority at its meeting on November 20, 2024.

The specific legislative action required is to accept an offer of compensation and corresponding payment, in the amount of \$13,420, from the State of New York for the appropriation of permanent easements for the above temporary and permanent easements in the Town of Gates and the City of Rochester and to authorize the County Executive, or his designee, to execute an agreement and any other documents necessary to accept payment and to release the State from any further claim or interest by the County.

The provisions of the New York State Environmental Quality Review Act shall be complied with prior to Your Honorable Body undertaking, funding, or approving the action requested in this referral.

This contract is revenue generating and no net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
