Subject: Home Rule Message for Senate Bill No. S.6690 Entitled "AN ACT to authorize the county of Monroe to offer an optional twenty year retirement plan to Christopher R. Fay, a captain employed by such county"

Honorable Legislators:

This matter is being referred to Your Honorable Body at the request of Sheriff Todd K. Baxter.

We recommend that Your Honorable Body adopt a Home Rule Message in regard to the above bill that will authorize Monroe County to offer an optional twenty year retirement plan to Captain Christopher R. Fay of the Monroe County Sheriff's Office Road Patrol.

Captain Fay was hired to work in the Monroe County Jail Bureau on August 26, 1991. On May 25, 1998, he was transferred to the Road Patrol Division. His pension membership should have been transferred to the 20-year retirement plan provided in §§552 and 553 of Article 14-B of the Retirement and Social Security Law. For reasons unknown to him, his pension plan membership was not transferred from the jail retirement plan to the 20-year Road Patrol plan.

When he learned that he was still in the jail retirement plan, he was informed that he could not be moved to the 20-year plan without state legislative approval. This bill would authorize this Honorable Body to approve such a transfer.

The specific legislative action required is to adopt a Home Rule Message for Senate Bill No. S.6690 Entitled "AN ACT to authorize the county of Monroe to offer an optional twenty year retirement plan to Christopher R. Fay, a captain employed by such county."

This is a Type II Action pursuant to 6 NYCRR §617.5 (c)(26) ("routine or continuing agency administration and management, not including new programs or major reordering of priorities that may affect the environment") and is not subject to further review under the State Environmental Quality Review Act.

Adoption of this Home Rule Message will have no impact on the revenues or expenditures of the current Monroe County budget, however, if this bill becomes law, Your Honorable Body will have the option of offering this pension benefit to Captain Christopher R. Fay, which according to the fiscal note prepared by the Office of the State Comptroller would increase the County's annual contribution to the pension system by approximately \$14,000 for the fiscal year ending March 31, 2026. In future years, this cost will vary as the billing rates and salary of Christopher R. Fay change. In addition to the annual contributions discussed above, there would be an immediate past service cost of approximately \$153,000,

which will be borne by the County as a one-time payment on or before February 1, 2026 or at the County's election, it may amortize this cost over a five-year period, the cost or each year including interest would be \$34,200.

We recommend that this matter receive favorable action by Your Honorable Body.
