Subject: Authorize a Contract with and Accept a Donation of Services from Genesee Transportation Council for the Monroe County Local Road Safety Plan

Honorable Legislators:

I recommend that Your Honorable Body authorize a contract with and accept a donation of services from and through Genesee Transportation Council ("GTC") to undertake a Local Road Safety Plan for Monroe County at an approximate value of \$150,000, with a \$30,000 monetary match from the County.

Through this acceptance of service, GTC will procure and contract with a qualified consultant to prepare a Local Road Safety Plan for Monroe County. Goals of this project include a Regional Safety Program that seeks to reduce fatal and serious injury crashes for all road users through a multijurisdictional group of entities. The Monroe County Departments of Planning, Public Safety, and Transportation will work in conjunction with GTC in the development of this plan.

This project will be 80% funded by the GTC through the FY23 Safe Streets for All (SS4A), a federally-funded transportation planning program undertaken by GTC. GTC, through the SS4A, will fund and administer the Monroe County Local Road Safety Plan at an approximate value of \$150,000. Monroe County will provide a monetary match of \$30,000 from the 2025 operating budget of the Department of Public Safety.

The specific legislative action required is to authorize the County Executive, or his designee, to execute a contract, and any amendments thereto, with Genesee Transportation Council ("GTC"), 1 South Washington Street, Suite 520, Rochester, New York 14614, to accept a donation of services from and through GTC to undertake the Local Road Safety Plan for Monroe County at an approximate value of \$150,000 with a \$30,000 monetary match from the County.

This action is a Type II Action pursuant to 6 NYCRR § 617.5(c)(24) (“information collection including basic data collection and research, water quality and pollution studies, traffic counts, engineering studies, surveys, subsurface investigations and soils studies that do not commit the agency to undertake, fund or approve any Type I or Unlisted action”) and (27) (“conducting concurrent environmental, engineering, economic, feasibility and other studies and preliminary planning and budgetary processes necessary to the formulation of a proposal for action, provided those activities do not commit the agency to commence, engage in or approve such action”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this contract is included in the 2025 operating budget of the Department of Public Safety, general fund 9001, funds center 2405100000, Traffic Safety. No additional net County support is required in the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
