BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the object or purpose of financing the cost of the Ontario Beach Park - Master Plan Improvements Project, in and for the County of Monroe, New York (the "County"), consisting of entry and exit gates, there are hereby authorized to be issued \$200,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of the amount hereby authorized to pay the cost of the aforesaid specific object or purpose. The period of probable usefulness of the aforesaid specific object or purpose is fifteen (15) years, pursuant to subdivision 19(c) of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is \$200,000, and the plan for the financing thereof is by the issuance of \$200,000 bonds of said County herein authorized; provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, the County Executive, or his designee, is hereby authorized to accept and shall use such funds to redeem any outstanding indebtedness incurred for such purpose or apply it, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance - Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue

variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance - Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or
- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Subject: Amend the 2025-2030 Capital Improvement Program to Advance the "Ontario Beach Park – Master Plan Improvements" Project from 2026 to 2025; Amend the 2025 Capital Budget to Add a Project Entitled "Ontario Beach Park – Master Plan Improvements" and Authorize Financing

Honorable Legislators:

I recommend that Your Honorable Body amend the 2025-2030 Capital Improvement Program to advance the "Ontario Beach Park – Master Plan Improvements" project from 2026 to 2025; amend the 2025 capital budget to add a project entitled "Ontario Beach Park – Master Plan Improvements" in the amount of \$200,000; and authorize financing.

While the "Ontario Beach Park – Master Plan Improvements" project contemplates an array of improvements, this proposal seeks an authorization of \$200,000 to accelerate the design and installation of entry and exit gates at the Monroe County-controlled parking lots at Ontario Beach Park.

The Rochester Police Department and Monroe County Sheriff's Office have been in consultation with the Monroe County Parks Department and Department of Environmental Services regarding maintaining a safe environment for park patrons and staff at Ontario Beach Park. They have expressed that establishing additional control over when vehicles can arrive at the park is a top priority. Recent security concerns at Ontario Beach Park have prompted the desire to accelerate this component of the project from 2026 to 2025.

These gates will be installed at all points of entry and exit from the Monroe County-operated lots at Ontario Beach Park, and will be opened and closed each day when the park itself opens and closes. Three will be manual gates, which will be opened and closed by Parks staff. The fourth will be an automatic gate that will allow the electronic detection of vehicles wishing to exit the lot at all times, to prevent vehicles from becoming unable to depart after hours. Signage will clearly direct vehicles wishing to exit the lot after gate closing time to the automatic gate.

The specific legislative actions required are:

1. Amend the 2025-2030 Capital Improvement Program to advance the “Ontario Beach Park – Master Plan Improvements” project from 2026 to 2025 in the amount of \$200,000.
2. Amend the 2025 Capital Budget to add the project entitled “Ontario Beach Park – Master Plan Improvements” in the amount of \$200,000.
3. Authorize financing for the “Ontario Beach Park – Master Plan Improvements” project in the amount of \$200,000.

This is a Type II action pursuant to 6 NYCCR 617.5(c)(22) (“installation of traffic control devices on existing streets, roads and highways”) and is not subject to further review under the State Environmental Quality Review Act.

Funding for this project, consistent with authorized uses, will be available in the capital fund to be created, and any other capital fund(s) created for the same intended purpose once the financing authorization requested herein is approved. No additional net County support is required in the current Monroe County budget.

I recommend that this matter receive favorable action by Your Honorable Body.

Sincerely,

Adam J. Bello
Monroe County Executive
