Honorable Legislators:

The total Increase and Improvements of Facilities in the District is comprised of the "GCOSD - General Collection System Improvements" project for a total estimated cost of \$350,000.

The Increase and Improvement of Facilities is necessary to provide funding for the "GCOSD - General Collection System Improvements" project. This project includes major mechanical, electrical, hydraulic and structural improvements to the GCO Collection System. The project is necessary to maintain the reliability and continuity of services to District customers. The estimated cost of the improvements is \$350,000.

Portions of the project may become eligible for financing through the New York State Water Pollution Control Revolving Loan Fund. It is therefore requested that the County have the ability to submit applications and take any necessary steps to utilize this financing vehicle if it becomes available.

The specific Administrative Board action required is to submit a request to the Monroe County Legislature to approve an Increase and Improvement of Facilities in the Gates-Chili-Ogden Sewer District consisting of a capital project entitled "GCOSD - General Collection System Improvements," at an estimated cost of \$350,000; amend the 2026 Capital Budget to add the project; and authorize an interfund transfer.
