This grant will fund the purchase of child safety seats, supplies and handouts for the Office of Traffic Safety's fitting station. A staff member, through a monthly fitting station, will inspect and oversee the installation of child safety seats along with increasing the knowledge of Monroe County residents on the proper use and installation of child safety seats. This will be the twelfth year the County has received this grant. This year's funding represents a decrease of \$6,500 from last year.
