Subject: Approval of the Rose Hill Estates Gates-Chili-Ogden Sewer District Extension

Honorable Legislators:

I recommend that the Administrative Board of the Gates-Chili-Ogden Sewer District approve the Rose Hill Estates Gates-Chili-Ogden Sewer District ("District") Extension.

The District has been requested to include in the District approximately 355 acres located in the Town of Chili along Beaver Road extending 250 feet east of Archer Rd and 1,660 feet west of Archer Road. The northern boundary is adjacent to the CSX railroad tracks and the southern boundary is adjacent to Black Creek. The area consists of twenty-four (24) neighboring properties listed below:

The District extension is driven by a request from Forest Creek Equity Corporation to develop two (2) parcels with an aggregate area of 176.2 acres for a proposed 161 lot single family residential subdivision entitled Rose Hill Estates, the sanitary sewer to be installed to service the Rose Hill Estates subdivision will include a pump station and force main all of which is to be funded and constructed by the developer.

The proposed District Extension will not require that any funds be expended by the District. The hookup fees per connection will be the same hookup fees as are charged elsewhere in the District. Future capital, maintenance and operation charges will be assessed against the District Extension using the same formula to assess the rest of the District. A map and description for the proposed extension, prepared on behalf of the Town of Chili, are on file at the Office of the Clerk of the Legislature.

The specific Administrative Board actions required are:

1. Subject to the approval and recommendation of the Administrative Board of the Gates-Chili-Ogden Sewer District, adopt a resolution calling a public hearing for the proposed Gates-Chili-Ogden Sewer District Extension and requiring publication of the public hearing in the official publication of Monroe County.
2. Following the public hearing, subject to the approval of the Administrative Board, adopt a resolution finding:
 - a. that the proposed sewerage facility is adequate and appropriate;
 - b. that all of the property and property owners within the Gates-Chili-Ogden Sewer District and Gates-Chili-Ogden Sewer District Extension are benefited thereby;
 - c. that all the property and property owners benefited are included within the limits of the proposed Gates-Chili-Ogden Sewer District;
 - d. that it is in the public interest to establish the Gates-Chili-Ogden Sewer District Extension; and
 - e. that the proposed assessment and allocation of costs of the sewerage facility represent as nearly as may be the proportionate amount of benefit which the several lots and parcels of land situated in the Gates-Chili-Ogden Sewer District will derive therefrom.
3. Following the public hearing, adopt a resolution approving the establishment of the Gates-Chili-Ogden Sewer District Extension subject to the approval of the State Comptroller, if necessary, on the petition.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This proposal will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter receive favorable action by the Administrative Board of the Gates-Chili-Ogden Sewer District.
