Subject: Authorize Contracts for the Provision of Mental Health, Developmental Disabilities, and Alcoholism and Substance Abuse Services in 2018 for the Monroe County Office of Mental Health

Honorable Legislators:

I recommend that Your Honorable Body authorize contracts with the agencies listed in Attachment A, in an amount not to exceed \$41,929,442, for the provision of mental health, developmental disability, and alcoholism and substance abuse services for Monroe County residents, for the period of January 1, 2018 through December 31, 2018.

The Monroe County Office of Mental Health coordinates and manages community behavioral health services in accordance with the local Mental Hygiene Services Plan by contracting with a wide range of local, direct services agencies. This year's funding represents a decrease of \$504,182 from 2017, in State and Federal funding, resulting from a New York State Office of Alcohol and Substance Abuse Services' state wide initiative for reinvigorating prevention on college campuses not materializing in 2017.

Numerous Requests for Proposals were solicited for these service and the chosen vendors were selected as the most qualified to provide these services.

Please refer to the attached Purchase of Services Information Forms for disclosure of information required pursuant to Resolution 223 of 2007 as amended by Resolution 11 of 2008.

The specific legislative actions required are:

1. Authorize the County Executive, or her designee, to execute contracts, and any amendments thereto, with the contractors listed in Attachment A, and any other subcontractors as necessary, to provide mental health, developmental disability, and alcoholism and substance abuse services for Monroe County residents, in an amount not to exceed \$41,929,442, for the period of January 1, 2018 through December 31, 2018.
2. Authorize the County Executive to appropriate any subsequent years of these funds, any returned contractor funds, or any deferred revenues, in accordance with the grant terms, to reappropriate any unencumbered balances during the grant period according to the grantor requirements, and to make any necessary funding modifications within the grant guidelines to meet contractual commitments.

3. Should funding of these programs be modified or terminated for any reason, the County Executive is hereby authorized to terminate or modify the program(s) and where applicable, to terminate or abolish some or all positions funded under such program(s). Any termination or abolishment of positions shall be in accordance with the New York State Civil Service Law, and when applicable, the terms of any labor agreement affecting such positions.

Environmental assessments were completed for this action and it was determined that there would be no significant effect of the environment.

Funding for these contracts is included in the proposed 2018 operating budget of the Department of Human Services, Office of Mental Health, general fund 9001, funds centers 5702010000, Mental Health Services; 5702030000, Alcohol and Other Substance Abuse Services; and 5702020000, Developmental Disabilities Services. No additional net County support is required in the current Monroe County budget.

Each of these contractors has been reviewed for not-for-profit corporate status and the records in the Office of the Monroe County Treasury have indicated that none of these agencies owe any delinquent Monroe County property taxes.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive
