Subject: 2018 Monroe County Budget

Honorable Legislators:

When I took office as County Executive, I pledged we would take a good, hard look at every function of county government and make it work better for the people we serve. Today I am pleased to present for your consideration a balanced, flat-tax budget for 2018 that takes my good-government pledge to the next level. From protecting taxpayers to promoting job growth, this budget is a blueprint that we can use to build an even better Monroe County together in the coming year.

For the second straight year, I am honoring my commitment to protect local taxpayers by again holding the Monroe County property tax rate flat at \$8.99 per \$1,000 of full value. That means in each of my first two years in office, I've proposed a flat-tax budget to protect taxpayers, families, and jobs in every corner of our community. My flat-tax promise is the key to building a better, more affordable Monroe County for employers to grow jobs and invest in moving forward.

As we work to build a better Monroe County, nothing is more important to me than making our community a premier place to find jobs and opportunity. This budget fully-funds the County's local economic development efforts in 2018, including our innovative LadderZup, Recruiting on the Road, and JobsOne programs, to name a few. Last year through our Department of Planning and Development, Monroe County assisted in the creation of more than 850 local jobs and the retention of over 4,500 local jobs, generating a 99 to 1 private to public investment ratio. Monroe County also placed more than 7,000 workers in employment and offered training to more than 850 job seekers. Our work to attract jobs will continue tirelessly next year and I will not rest until employers far and wide know Monroe County is open for business.

Building a better Monroe County starts with producing a balanced budget for 2018 that keeps the property tax rate flat, holds spending below inflation, cuts the structural deficit, and makes County government even more efficient than ever before. The 2018 Operating Budget, totaling nearly \$1.2 billion, holds overall spending growth to 1.3%, well below the rate of inflation, calculated at 2.2% using the Consumer Price Index (CPI-U).

The 2018 Monroe County Budget is also in full compliance with the Monroe County Taxpayer Protection Act and the New York State Property Tax Cap. It additionally cuts the long-term structural deficit by \$8.2 million to \$36.4 million. As a result, the County's two-year forecasted structural deficit is now less than half of the \$106.2 million deficit projected just five years ago in 2012. By operating government more like a business, we will send a clear message to employers that Monroe County is a perfect fit for their plans to grow jobs and investment for the long haul.

Once again, the single largest portion of Monroe County's 2018 Budget is mandated spending, which accounts for a massive 85% percent of the County's total spending for the coming year. With 85% of our budget mandated, the County will truly control only 15 cents of every dollar we spend next year. Mandates will continue to be an obstacle to building a better Monroe County moving forward, so I am again asking you to join me in advocating for New York State to deliver meaningful mandate reform as soon as possible.

The dissolution of several Local Development Corporations will continue to produce significant savings for taxpayers in the 2018 Budget. By ending duplicative contractual obligations, refinancing debt on more favorable terms to the County, and better managing costs by returning County functions to County control, the dissolution of several LDCs will save taxpayers over \$2 million in the coming year.

For the first time, Monroe County's 2018 Budget will include a full accounting of all County programs, services, and initiatives that benefit local children and families. In the coming year, Monroe County will invest over \$500 million in services to benefit local children and families, accounting for more than forty percent of our annual operating budget. I am especially proud that many of these programs help at-risk children overcome the challenges of poverty to secure an education, a career, and a brighter future.

It is again my pleasure to present to you a 2018 Monroe County Budget that keeps the property tax rate flat, holds spending below inflation, and fully-funds the County's job growth programs, economic development initiatives, and quality of life services. I look forward to your partnership as we work together to build a better Monroe County in 2018 and beyond.

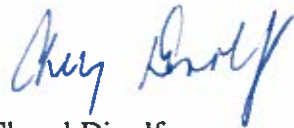

The specific legislative actions required are:

1. Pursuant to Section C4-3 of the Monroe County Charter, schedule a public hearing on the 2018 Monroe County Budget and direct the Clerk of the Legislature to cause notice of said public hearing to be published at least once in one or more daily newspapers of general circulation in the County at least five (5) days before the date of said hearing and to cause a summary of said budget, as attached hereto, to be published with said notice.

2. Pursuant to Section C4-4 of the Monroe County Charter, adopt the Monroe County 2018 Budget after said public hearing having been held.
3. Establish the 2018 Classification, Compensation and Salary Schedule for employees of the County of Monroe, as contained in the 2018 Monroe County Budget.

I recommend that this matter receive favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive

FUND SUMMARY AND TAX LEVY COMPUTATION **2018 BUDGET**

This schedule presents appropriations and revenues by fund. A fund is a self-balancing group of accounts. For fund accounting purposes the entire real estate tax levy is received into the General Fund. The "Transfer From Other Funds" column includes the amounts required from the General Fund to support other funds. The Pure Waters Fund is supported by unit charges to users.
