Subject: 2018-2023 Capital Improvement Program

Honorable Legislators:

I recommend that Your Honorable Body adopt the proposed 2018-2023 Capital Improvement Program as recommended by the Monroe County Planning Board. The proposed Capital Improvement Program is submitted to the County Legislature in accordance with Section C4-10 of Article IV and Section C5-7 of Article V of the Monroe County Charter.

This proposed program includes projects designed to address aging infrastructure while at the same time ensuring that Monroe County continues to grow and expand its job base and quality of life. Projects contained in the program are intended to improve and modernize public buildings, construct needed highway and bridge improvements, as well as continue investment in public safety, the Greater Rochester International Airport, the County park system, the Monroe County Library System, the Monroe Community Hospital, and Monroe Community College.

The 2018-2023 Capital Improvement Program is the result of a team effort involving the County Executive's Office, Departments of Planning and Development, Finance (Office of Management and Budget), Law, Transportation, Environmental Services (Engineering Division), and Information Services. In addition, the Monroe County Planning Board put in many hours in reviewing and recommending this program. I want to thank all of those involved in the preparation of this program for their hard work and dedication.

The specific legislative actions required are:
