County Executive

December 9, 2016

To The Honorable
Monroe County Legislature
407 County Office Building
Rochester, New York 14614

Subject: Authorize an Intermunicipal Agreement with Genesee County for the Location and Operation of Interoperable Communications Equipment

Honorable Legislators:

I recommend that Your Honorable Body authorize an intermunicipal agreement with Genesee County for the location and operation of interoperable communications equipment.

Genesee County was awarded a Statewide Interoperable Communications grant from the New York State Division of Homeland Security and Emergency Services that will fund the purchase and installation of microwave equipment on Monroe County's communication site at 4304 Union Street in the Town of Chili, to link the radio communications systems.

Genesee County is the lead agency for this interoperable communications project between Genesee and Monroe County's common platform radio systems to provide interoperability for public safety responders traveling into and throughout the counties. Genesee County will assume responsibility for maintenance of the communications equipment.
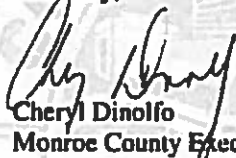

The specific legislative action required is to authorize the County Executive, or her designee, to execute an intermunicipal agreement, and any amendments thereto, with Genesee County, for the location and operation of interoperable communications equipment.

Environmental assessments were completed for this action and it was determined that there would be no significant effect on the environment.

This agreement will have no impact on the revenues or expenditures of the current Monroe County budget.

I recommend that this matter be referred to the appropriate committee(s) for favorable action by Your Honorable Body.

Sincerely,

Cheryl Dinolfo
Monroe County Executive
