RESOLUTION NO. 50 OF 2026

BOND RESOLUTION DATED FEBRUARY 10, 2026

RESOLUTION AUTHORIZING THE ISSUANCE OF \$3,000,000 BONDS OF THE COUNTY OF MONROE, NEW YORK, TO FINANCE THE COST OF THE INCREASE AND IMPROVEMENT OF THE FACILITIES OF THE NORTHWEST QUADRANT PURE WATERS DISTRICT, IN AND FOR SAID COUNTY, AT AN ESTIMATED MAXIMUM COST OF \$3,000,000

BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the specific object or purpose of financing the cost of the increase and improvement of the facilities of the Northwest Quadrant Pure Waters District consisting of the NWQPWD - Aeration Improvements, in and for the County of Monroe, New York (the "County"), there are hereby authorized to be issued \$3,000,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of the amount hereby authorized to pay the cost of the aforesaid specific object or purpose. The period of probable usefulness of the specific object or purpose is forty (40) years, pursuant to subdivision 4 of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is \$3,000,000, and the plan for the financing thereof is by the issuance of \$3,000,000 bonds of said County herein authorized; provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, the County Executive, or his designee, is hereby authorized to accept and shall use such funds to redeem any outstanding indebtedness incurred for such purpose or apply it, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance - Chief Financial Officer shall determine is most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be

prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance - Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and
an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or
- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Section 8. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter and the Clerk of the Legislature is hereby authorized and directed to publish this resolution or a summary hereof to be published, together with a notice attached in substantially the form and in the manner prescribed by Section 81.00 of the Local Finance Law.

RESOLUTION NO. 51 OF 2026

APPROVING INCREASE AND IMPROVEMENT OF FACILITIES IN NORTHWEST QUADRANT PURE WATERS DISTRICT ENTITLED “NWQPWD – PRELIMINARY TREATMENT IMPROVEMENTS” PROJECT

WHEREAS, the Administrative Board of the Northwest Quadrant Pure Waters District of the County of Monroe, New York has heretofore duly caused to be prepared, pursuant to Section 268 of the County Law, a map and plan by an engineer duly licensed by the State of New York for a proposed increase and improvement of the facilities of said District, consisting of the “NWQPWD – Preliminary Treatment Improvements,” all as more fully set forth in such map and plan; and

WHEREAS, the County Legislature of the County of Monroe has called a public hearing on the aforesaid increase and improvement of facilities in accordance with the provisions of Section 268 of the County Law, and said public hearing held on the 10th day of February, 2026, at 6:18 P.M. in the Legislative Chambers of the County Office Building, Rochester, New York, in said County; and

WHEREAS, notice of said public hearing was duly published in the manner provided by law and proof thereof has been submitted to said County Legislature; and

WHEREAS, said County Legislature has duly considered the evidence given at said public hearing.

NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. Upon the evidence given at the aforesaid public hearing, it is hereby found and determined that it is in the public interest to increase and improve the facilities in the Northwest Quadrant Pure Waters District, at a maximum estimated cost of \$800,000, all as more fully described in the preambles hereof.

Section 2. The cost of such increase and improvement shall be assessed against the entire geographic area encompassed by the Northwest Quadrant Pure Waters District.

Section 3. The expenditure proposed for such improvement of facilities in the Northwest Quadrant Pure Waters District is in the public interest and will not constitute an undue burden on the property which will bear the cost thereof; and all real property to be assessed for such expenditure will be benefited by the proposed improvements and no benefited property has been excluded.

Section 4. The increase and improvement of facilities in the Northwest Quadrant Pure Waters District is hereby approved at the maximum amount to be expended.

Section 5. The County Executive or the Director of Finance – Chief Financial Officer are hereby authorized to file applications and execute Project Financing Agreements and any other necessary documents as appropriate, for participation in the New York State Water Pollution Control Revolving Loan Fund under applicable laws of New York State to finance all or a portion of the project.

Section 6. The Clerk of the Legislature is hereby authorized and directed to send certified copies of this resolution to the New York State Department of Audit and Control.

Section 7. The Administrative Board of the Northwest Quadrant Pure Waters District of said County is hereby directed to proceed with the improvements in the manner set forth in Section 262 of the County Law.

Section 8. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

RESOLUTION NO. 55 OF 2026

APPROVING INCREASE AND IMPROVEMENT OF FACILITIES IN THE ROCHESTER PURE WATERS DISTRICT ENTITLED “RPWD - CSOAP TUNNEL SYSTEM IMPROVEMENTS” PROJECT

WHEREAS, the Administrative Board of the Rochester Pure Waters District of the County of Monroe, New York has heretofore duly caused to be prepared, pursuant to Section 268 of the County Law, a map and plan by an engineer duly licensed by the State of New York for a proposed increase and improvement of the facilities of said District, consisting of the “RPWD – CSOAP Tunnel System Improvements,” all as more fully set forth in such map and plan; and

WHEREAS, the County Legislature of the County of Monroe has called a public hearing on the aforesaid increase and improvement of facilities in accordance with the provisions of Section 268 of the County Law, and said public hearing held on the 10th day of February, 2026, at 6:21 P.M. in the Legislative Chambers of the County Office Building, Rochester, New York, in said County; and

WHEREAS, notice of said public hearing was duly published in the manner provided by law and proof thereof has been submitted to said County Legislature; and

WHEREAS, said County Legislature has duly considered the evidence given at said public hearing.

NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. Upon the evidence given at the aforesaid public hearing, it is hereby found and determined that it is in the public interest to increase and improve the facilities in the Rochester Pure Waters District, at a maximum estimated cost of \$4,800,000, all as more fully described in the preambles hereof.

Section 2. The cost of such increase and improvement shall be assessed against the entire geographic area encompassed by the Rochester Pure Waters District.

Section 3. The expenditure proposed for such improvement of facilities in the Rochester Pure Waters District is in the public interest and will not constitute an undue burden on the property which will bear the cost thereof; and all real property to be assessed for such expenditure will be benefited by the proposed improvements and no benefited property has been excluded.

Section 4. The increase and improvement of facilities in the Rochester Pure Waters District is hereby approved at the maximum amount to be expended.

Section 5. The County Executive or the Director of Finance – Chief Financial Officer are hereby authorized to file applications and execute Project Financing Agreements and any other necessary documents as appropriate, for participation in the New York State Water Pollution Control Revolving Loan Fund under applicable laws of New York State to finance all or a portion of the project.

Section 6. The Clerk of the Legislature is hereby authorized and directed to send certified copies of this resolution to the New York State Department of Audit and Control.

Section 7. The Administrative Board of the Rochester Pure Waters District of said County is hereby directed to proceed with the improvements in the manner set forth in Section 262 of the County Law.

Section 8. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

RESOLUTION NO. 56 OF 2026

SUPERSEDING BOND RESOLUTION DATED FEBRUARY 10, 2026

RESOLUTION AUTHORIZING THE ISSUANCE OF \$6,000,000 BONDS OF THE COUNTY OF MONROE, NEW YORK, TO FINANCE THE COST OF THE INCREASE AND IMPROVEMENT OF THE FACILITIES OF THE ROCHESTER PURE WATERS DISTRICT, IN AND FOR SAID COUNTY, AT AN ESTIMATED MAXIMUM COST OF \$6,000,000 AND SUPERSEDING THE BOND RESOLUTION ADOPTED ON FEBRUARY 11, 2025 (RESOLUTION NO. 41 OF 2025).

BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the specific object or purpose of financing the cost of the increase and improvement of the facilities of the Rochester Pure Waters District, consisting of RPWD – CSOAP tunnel improvements of the Rochester Pure Waters District, in and for the County of Monroe, New York (the “County”), there are hereby authorized to be issued, \$6,000,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$4,800,000 to pay the cost of the aforesaid specific object or purpose (\$1,200,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid specific object or purpose is forty (40) years, pursuant to subdivision 4 of paragraph a of Section 11.00 of the Local Finance Law, computed from the date of the first obligation issued therefor.

Section 2. The maximum estimated cost thereof is \$6,000,000, and the plan for the financing thereof is by the issuance of \$6,000,000 bonds of said County herein authorized; provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, such aid shall be used to redeem any outstanding indebtedness incurred for such purpose or shall be applied, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. To the extent not paid from rates, rents or charges, there shall be annually apportioned and assessed upon the several lots and parcels of land within said District, in the manner provided by law, an amount sufficient to pay the principal of and interest on such obligations as the same become due, but if not paid from such source, all the taxable real property in said County shall be subject to the levy of ad valorem taxes, sufficient to pay the principal of and interest on such obligations as the same become due.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance – Chief Financial Officer shall determine is

most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance – Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and

an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or

- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall supersede Resolution No. 41 of 2025, being a bond resolution dated February 11, 2025, except to the extent that any indebtedness shall have been contracted or encumbrances made thereunder. The purpose of this superseding bond resolution is to effect the following: to increase the maximum estimated cost of the purpose and the amount of bonds to be issued thereunder from \$1,200,000 to \$6,000,000.

Section 8. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no monies are, or are reasonably

expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Section 9. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter and the Clerk of the Legislature is hereby authorized and directed to publish this resolution or a summary hereof to be published, together with a notice attached in substantially the form and in the manner prescribed by Section 81.00 of the Local Finance Law.

The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance – Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and
an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or
- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Section 8. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter and the Clerk of the Legislature is hereby authorized and directed to publish this resolution or a summary hereof to be published, together with a notice attached in substantially the form and in the manner prescribed by Section 81.00 of the Local Finance Law.

RESOLUTION NO. 63 OF 2026

BOND RESOLUTION DATED FEBRUARY 10, 2026

RESOLUTION AUTHORIZING THE ISSUANCE OF \$400,000 BONDS OF THE COUNTY OF MONROE, NEW YORK, TO FINANCE THE COST OF THE INCREASE AND IMPROVEMENT OF THE FACILITIES OF THE IRONDEQUOIT BAY SOUTH CENTRAL PURE WATERS DISTRICT, IN AND FOR SAID COUNTY, AT AN ESTIMATED MAXIMUM COST OF \$400,000

BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the specific object or purpose of financing the cost of the increase and improvement of the facilities of the Irondequoit Bay South Central Pure Waters District consisting of the IBSCPWD - Thomas Creek Pump Station Improvements, in and for the County of Monroe, New York (the "County"), there are hereby authorized to be issued \$400,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of the amount hereby authorized to pay the cost of the aforesaid specific object or purpose. The period of probable usefulness of the aforesaid specific object or purpose is forty (40) years, pursuant to subdivision 4 of paragraph a of Section 11.00 of the Local Finance Law.

Section 2. The maximum estimated cost thereof is \$400,000, and the plan for the financing thereof is by the issuance of \$400,000 bonds of said County herein authorized; provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, the County Executive, or his designee, is hereby authorized to accept and shall use such funds to redeem any outstanding indebtedness incurred for such purpose or apply it, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. An annual appropriation shall be made in each year sufficient to pay the principal of and interest on such obligations becoming due and payable in such year. There shall annually be levied on all the taxable real property of said County a tax sufficient to pay the principal of and interest on such obligations as the same become due and payable.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance - Chief Financial Officer shall determine is

most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance - Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and
an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or
- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no monies are, or are reasonably expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Section 8. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter and the Clerk of the Legislature is hereby authorized and directed to publish this resolution or a summary hereof to be published, together with a notice attached in substantially the form and in the manner prescribed by Section 81.00 of the Local Finance Law.

RESOLUTION NO. 65 OF 2026

SUPERSEDING BOND RESOLUTION DATED FEBRUARY 10, 2026

RESOLUTION AUTHORIZING THE ISSUANCE OF \$4,500,000 BONDS OF THE COUNTY OF MONROE, NEW YORK, TO FINANCE THE COST OF THE INCREASE AND IMPROVEMENT OF THE FACILITIES OF THE IRONDEQUOIT BAY SOUTH CENTRAL PURE WATERS DISTRICT, IN AND FOR SAID COUNTY, AT AN ESTIMATED MAXIMUM COST OF \$4,500,000 AND SUPERSEDING THE BOND RESOLUTION ADOPTED ON MARCH 28, 2017 (RESOLUTION NO. 110 OF 2017).

BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the specific object or purpose of financing the cost of the increase and improvement of the facilities of the Irondequoit Bay South Central Pure Waters District, consisting of Irondequoit Bay Pump Station improvements of the Irondequoit Bay South Central Pure Waters District, in and for the County of Monroe, New York (the "County"), there are hereby authorized to be issued, \$4,500,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$1,500,000 to pay the cost of the aforesaid specific object or purpose (\$3,000,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid specific object or purpose is forty (40) years, pursuant to subdivision 4 of paragraph a of Section 11.00 of the Local Finance Law, computed from the date of the first obligation issued therefor.

Section 2. The maximum estimated cost thereof is \$4,500,000, and the plan for the financing thereof is by the issuance of \$4,500,000 bonds of said County herein authorized; provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, such aid shall be used to redeem any outstanding indebtedness incurred for such purpose or shall be applied, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. To the extent not paid from rates, rents or charges, there shall be annually apportioned and assessed upon the several lots and parcels of land within said District, in the manner provided by law, an amount sufficient to pay the principal of and interest on such obligations as the same become due, but if not paid from such source, all the taxable real property in said County shall be subject to the levy of ad valorem taxes, sufficient to pay the principal of and interest on such obligations as the same become due.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance - Chief Financial Officer shall determine is

most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance - Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and

an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or

- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall supersede Resolution No. 110 of 2017, being a bond resolution dated March 28, 2017, except to the extent that any indebtedness shall have been contracted or encumbrances made thereunder. The purpose of this superseding bond resolution is to effect the following: to increase the maximum estimated cost of the purpose and the amount of bonds to be issued thereunder from \$3,000,000 to \$4,500,000.

Section 8. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no monies are, or are reasonably

expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Section 9. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter and the Clerk of the Legislature is hereby authorized and directed to publish this resolution or a summary hereof to be published, together with a notice attached in substantially the form and in the manner prescribed by Section 81.00 of the Local Finance Law.

RESOLUTION NO. 66 OF 2026

APPROVING INCREASE AND IMPROVEMENT OF FACILITIES IN THE IRONDEQUOIT BAY SOUTH CENTRAL PURE WATERS DISTRICT ENTITLED “IBSCPWD – SOUTH CENTRAL TRUNK SEWER IMPROVEMENTS” PROJECT

WHEREAS, the Administrative Board of the Irondequoit Bay South Central Pure Waters District of the County of Monroe, New York has heretofore duly caused to be prepared, pursuant to Section 268 of the County Law, a map and plan by an engineer duly licensed by the State of New York for a proposed increase and improvement of the facilities of said District, consisting of the “IBSCPWD – South Central Trunk Sewer Improvements,” all as more fully set forth in such map and plan; and

WHEREAS, the County Legislature of the County of Monroe has called a public hearing on the aforesaid increase and improvement of facilities in accordance with the provisions of Section 268 of the County Law, and said public hearing held on the 10th day of February, 2026, at 6:27 P.M. in the Legislative Chambers of the County Office Building, Rochester, New York, in said County; and

WHEREAS, notice of said public hearing was duly published in the manner provided by law and proof thereof has been submitted to said County Legislature; and

WHEREAS, said County Legislature has duly considered the evidence given at said public hearing.

NOW, THEREFORE, BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. Upon the evidence given at the aforesaid public hearing, it is hereby found and determined that it is in the public interest to increase and improve the facilities in the Irondequoit Bay South Central Pure Waters District, at a maximum estimated cost of \$1,800,000, all as more fully described in the preambles hereof.

Section 2. The cost of such increase and improvement shall be assessed against the entire geographic area encompassed by the Irondequoit Bay South Central Pure Waters District.

Section 3. The expenditure proposed for such improvement of facilities in the Irondequoit Bay South Central Pure Waters District is in the public interest and will not constitute an undue burden on the property which will bear the cost thereof; and all real property to be assessed for such expenditure will be benefited by the proposed improvements and no benefited property has been excluded.

Section 4. The increase and improvement of facilities in the Irondequoit Bay South Central Pure Waters District is hereby approved at the maximum amount to be expended.

Section 5. The County Executive or the Director of Finance – Chief Financial Officer are hereby authorized to file applications and execute Project Financing Agreements and any other necessary documents as appropriate, for participation in the New York State Water Pollution Control Revolving Loan Fund under applicable laws of New York State to finance all or a portion of the project.

Section 6. The Clerk of the Legislature is hereby authorized and directed to send certified copies of this resolution to the New York State Department of Audit and Control.

Section 7. The Administrative Board of the Irondequoit Bay South Central Pure Waters District of said County is hereby directed to proceed with the improvements in the manner set forth in Section 262 of the County Law.

Section 8. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

RESOLUTION NO. 67 OF 2026

SUPERSEDING BOND RESOLUTION DATED FEBRUARY 10, 2026

RESOLUTION AUTHORIZING THE ISSUANCE OF \$3,000,000 BONDS OF THE COUNTY OF MONROE, NEW YORK, TO FINANCE THE COST OF THE INCREASE AND IMPROVEMENT OF THE FACILITIES OF THE IRONDEQUOIT BAY SOUTH CENTRAL PURE WATERS DISTRICT, IN AND FOR SAID COUNTY, AT AN ESTIMATED MAXIMUM COST OF \$3,000,000 AND SUPERSEDING THE BOND RESOLUTION ADOPTED ON FEBRUARY 11, 2025 (RESOLUTION NO. 45 OF 2025).

BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the specific object or purpose of financing the cost of the increase and improvement of the facilities of the Irondequoit Bay South Central Pure Waters District, consisting of IBSCPWD-South Central Trunk Sewer improvements of the Irondequoit Bay South Central Pure Waters District, in and for the County of Monroe, New York (the "County"), there are hereby authorized to be issued, \$3,000,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$1,800,000 to pay the cost of the aforesaid specific object or purpose (\$1,200,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid specific object or purpose is forty (40) years, pursuant to subdivision 4 of paragraph a of Section 11.00 of the Local Finance Law, computed from the date of the first obligation issued therefor.

Section 2. The maximum estimated cost thereof is \$3,000,000, and the plan for the financing thereof is by the issuance of \$3,000,000 bonds of said County herein authorized; provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, such aid shall be used to redeem any outstanding indebtedness incurred for such purpose or shall be applied, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. To the extent not paid from rates, rents or charges, there shall be annually apportioned and assessed upon the several lots and parcels of land within said District, in the manner provided by law, an amount sufficient to pay the principal of and interest on such obligations as the same become due, but if not paid from such source, all the taxable real property in said County shall be subject to the levy of ad valorem taxes, sufficient to pay the principal of and interest on such obligations as the same become due.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance - Chief Financial Officer shall determine is

most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance – Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and

an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or

- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall supersede Resolution No. 45 of 2025, being a bond resolution dated February 11, 2025, except to the extent that any indebtedness shall have been contracted or encumbrances made thereunder. The purpose of this superseding bond resolution is to effect the following: to increase the maximum estimated cost of the purpose and the amount of bonds to be issued thereunder from \$1,200,000 to \$3,000,000.

Section 8. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no monies are, or are reasonably

expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Section 9. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter and the Clerk of the Legislature is hereby authorized and directed to publish this resolution or a summary hereof to be published, together with a notice attached in substantially the form and in the manner prescribed by Section 81.00 of the Local Finance Law.

RESOLUTION NO. 68 OF 2026

CLASSIFICATION OF ACTION AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR SALE OF COUNTY OWNED TAX FORECLOSURE PROPERTY LOCATED AT 1504 ENGLISH ROAD, ROCHESTER, NY 14616; 16 SWANSEA PARK, ROCHESTER, NY 14616 IN THE TOWN OF GREECE AND 139 RENOUF DRIVE, ROCHESTER, NY 14624 IN TOWN OF GATES

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The Monroe County Legislature determines that the sale of County owned tax foreclosure property located at 1504 English Road, Rochester, NY 14616; 16 Swansea Park, Rochester, NY 14616 in the Town of Greece and 139 Renouf Drive, Rochester, NY 14624 in the Town of Gates is an Unlisted action.

Section 2. The Monroe County Legislature has reviewed and considered the Short Environmental Assessment Form dated December 3, 2025 and has considered the potential environmental impacts of the sale of County owned tax foreclosure property located at 1504 English Road, Rochester, NY 14616; 16 Swansea Park, Rochester, NY 14616 in the Town of Greece and 139 Renouf Drive, Rochester, NY 14624 in the Town of Gates pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will not result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopts the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.

Section 3. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution, and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

Section 4. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

 Part 3 Determination of Significance**

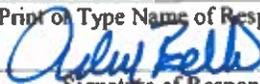

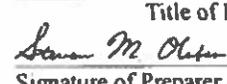

For every question in Part 2 that was answered "moderate to large impact may occur", or if there is a need to explain why a particular element of the proposed action may or will not result in a significant adverse environmental impact, please complete Part 3. Part 3 should, in sufficient detail, identify the impact, including any measures or design elements that have been included by the project sponsor to avoid or reduce impacts. Part 3 should also explain how the lead agency determined that the impact may or will not be significant. Each potential impact should be assessed considering its setting, probability of occurring, duration, irreversibility, geographic scope and magnitude. Also consider the potential for short-term, long-term and cumulative impacts.

Monroe County intends to sell the County Owned Tax Foreclosure Properties located at 1504 English Road, Rochester, NY 14616; 16 Swansea Park, Rochester, NY 14616 in the Town of Greece and 139 Renouf Drive, Rochester, NY 14624 in the Town of Gates.

Part 1 of the EAF indicates that the 139 Renouf Drive property in the Town of Gates is near a remediation site. The property is approximately 1,700 feet west of the Gates Dump at Hinchey Road which is listed on the State Superfund Program.

This action pertains solely to the sale of the County Owned Tax Foreclosure Property. No remediation site will be impacted by the acquisition itself. Any future development of the parcels will be subject to local zoning and building codes, as well as all applicable federal and New York State laws.

Accordingly, no remediation site will be impacted from the sale and the action will not result in any significant adverse environmental impacts.

<input type="checkbox"/> Check this box if you have determined, based on the information and analysis above, and any supporting documentation, that the proposed action may result in one or more potentially large or significant adverse impacts and an environmental impact statement is required.

RESOLUTION NO. 70 OF 2026

CLASSIFICATION OF ACTION AND DETERMINATION OF SIGNIFICANCE PURSUANT TO STATE ENVIRONMENTAL QUALITY REVIEW ACT FOR AUTHORIZATION OF AGREEMENT WITH MONROE COUNTY WATER AUTHORITY AND MONROE COMMUNITY COLLEGE, AND CONVEYANCE OF PERMANENT EASEMENT TO MONROE COUNTY WATER AUTHORITY, FOR WATER MAIN EXTENSION ON PROPERTY OWNED BY MONROE COUNTY, AS LOCAL SPONSOR AND TRUSTEE FOR MONROE COMMUNITY COLLEGE, FOR THE MCC APPLIED TECHNOLOGY CENTER-S.T.E.M. ADDITION PROJECT IN TOWN OF BRIGHTON; APPROVAL OF EXECUTION OF WATER MAIN EXTENSION AGREEMENT AND PRIVATE FIRE PROTECTION SERVICE AGREEMENT BY MONROE COMMUNITY COLLEGE; AUTHORIZATION OF PETITION TO ESTABLISH AN EXTENSION TO BRIGHTON CONSOLIDATED SANITARY SEWER DISTRICT

BE IT RESOLVED BY THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. The Monroe County Legislature determines that the Authorization of an Agreement with the Monroe County Water Authority and Monroe Community College, and Conveyance of a Permanent Easement to the Monroe County Water Authority, for a Water Main Extension on Property Owned by Monroe County, as Local Sponsor and Trustee for Monroe Community College, for the MCC Applied Technology Center-S.T.E.M. Addition Project in the Town of Brighton; Approval of the Execution of a Water Main Extension Agreement and Private Fire Protection Service Agreement by Monroe Community College; and Authorization of a Petition to Establish an Extension to the Brighton Consolidated Sanitary Sewer District (collectively, "the Action") is a Type 1 action.

Section 2. The Monroe County Legislature designates Monroe County to serve as Lead Agency pursuant to a coordinated review.

Section 3. The Monroe County Legislature has reviewed and considered the Full Environmental Assessment Form dated December 4, 2025 and has considered the potential environmental impacts of the Action pursuant to the requirements of State Environmental Quality Review Act and has found that the proposed action will not result in any significant adverse environmental impacts. The Monroe County Legislature hereby issues and adopts the Negative Declaration attached hereto and made a part hereof and determines that an environmental impact statement is not required.

Section 4. The County Executive, or his designee, is hereby authorized to take such actions to comply with the requirements of the State Environmental Quality Review Act, including without limitation, the execution of documents and the filing, distribution, and publication of the documents required under the State Environmental Quality Review Act, and any other actions to implement the intent of this resolution.

Section 5. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter.

Instructions for Completing Part 1

Part 1 is to be completed by the applicant or project sponsor. Responses become part of the application for approval or funding, are subject to public review, and may be subject to further verification.

Complete Part 1 based on information currently available. If additional research or investigation would be needed to fully respond to any item, please answer as thoroughly as possible based on current information; indicate whether missing information does not exist, or is not reasonably available to the sponsor; and, when possible, generally describe work or studies which would be necessary to update or fully develop that information.

Applicants/sponsors must complete all items in Sections A & B. In Sections C, D & E, most items contain an initial question that must be answered either "Yes" or "No". If the answer to the initial question is "Yes", complete the sub-questions that follow. If the answer to the initial question is "No", proceed to the next question. Section F allows the project sponsor to identify and attach any additional information. Section G requires the name and signature of the applicant or project sponsor to verify that the information contained in Part 1 is accurate and complete.

A. Project and Applicant/Sponsor Information.

Name of Action or Project: Monroe Community College - Applied Technologies Center - S.T.E.M. Addition (ATC-STEM)		
Project Location (describe, and attach a general location map): 1000 E. Henrietta Road, Rochester, NY 14623		
Brief Description of Proposed Action (include purpose or need): Construction of new Applied Technology Center including 80,000± SF main building; 2,000± SF Solar Energy Lab; 3,500± SF Entry Plaza; 10,000± SF storage barn; 15,000± SF renovations to existing building; 100,000± new paved area; miscellaneous improvements to pedestrian circulation. The existing Applied Technology Center ("ATC"), currently located on West Henrietta Road, houses the facilities necessary for practical, hands-on training leading to a certificate or associate degree in Automotive Technology, Heating, Ventilation and Air Conditioning Technology, Solar Thermal Technology, and Precision and Tooling Machining Technology. An addition was planned to provide space for new Science, Technology, Engineering and Mathematics (S.T.E.M.) programs. The 2021 Facilities Master Plan included a recommendation to relocate the ATC to the Brighton Campus in order to better integrate its technical programs with academic and S.T.E.M. programs currently available at the Brighton Campus. In addition, there are significant deferred maintenance costs at the existing ATC site. Avoiding these costs as well as placing the ATC on the Brighton Campus provides an opportunity to improve efficiency of campus staffing and facility maintenance efforts. This project also includes the execution of agreements involving the Monroe County Water Authority and Monroe Community College to effectuate a Water Main Extension, the conveyance of an easement to the Monroe County Water Authority in connection with the same Water Main Extension, and the establishment of an extension to the Brighton Consolidated Sanitary Sewer District.

vi. If water supply will be from wells (public or private), what is the maximum pumping capacity: _____ gallons/minute.

d. Will the proposed action generate liquid wastes? Yes No

If Yes:

i. Total anticipated liquid waste generation per day: _____ 10,000 gallons/day

ii. Nature of liquid wastes to be generated (e.g., sanitary wastewater, industrial; if combination, describe all components and approximate volumes or proportions of each): _____

Sanitary Wastewater

iii. Will the proposed action use any existing public wastewater treatment facilities? Yes No

If Yes:

- Name of wastewater treatment plant to be used: Frank E. VanLare WRRF
- Name of district: Irondequoit Bay - South Central Pure Waters District and Town of Brighton Sewer District
- Does the existing wastewater treatment plant have capacity to serve the project? Yes No
- Is the project site in the existing district? Yes No
- Is expansion of the district needed? Yes No

Yes No
 Yes No

• Do existing sewer lines serve the project site?
 • Will a line extension within an existing district be necessary to serve the project?
 If Yes:
 • Describe extensions or capacity expansions proposed to serve this project: _____

iv. Will a new wastewater (sewage) treatment district be formed to serve the project site? Yes No
 If Yes:
 • Applicant/sponsor for new district: _____
 • Date application submitted or anticipated: _____
 • What is the receiving water for the wastewater discharge? _____
 v. If public facilities will not be used, describe plans to provide wastewater treatment for the project, including specifying proposed receiving water (name and classification if surface discharge or describe subsurface disposal plans):

vi. Describe any plans or designs to capture, recycle or reuse liquid waste: _____

e. Will the proposed action disturb more than one acre and create stormwater runoff, either from new point sources (i.e. ditches, pipes, swales, curbs, gutters or other concentrated flows of stormwater) or non-point source (i.e. sheet flow) during construction or post construction? Yes No
 If Yes:
 i. How much impervious surface will the project create in relation to total size of project parcel?
 _____ Square feet or 3.2 acres (impervious surface)
 _____ Square feet or 296.5 acres (parcel size)
 ii. Describe types of new point sources. Roof drains, sidewalks, road pavement

 iii. Where will the stormwater runoff be directed (i.e. on-site stormwater management facility/structures, adjacent properties, groundwater, on-site surface water or off-site surface waters)?
Existing storm sewers, dry swales, bioretention areas

 • If to surface waters, identify receiving water bodies or wetlands: _____

 • Will stormwater runoff flow to adjacent properties? Yes No
 iv. Does the proposed plan minimize impervious surfaces, use pervious materials or collect and re-use stormwater? Yes No

f. Does the proposed action include, or will it use on-site, one or more sources of air emissions, including fuel combustion, waste incineration, or other processes or operations? Yes No
 If Yes, identify:
 i. Mobile sources during project operations (e.g., heavy equipment, fleet or delivery vehicles)

 ii. Stationary sources during construction (e.g., power generation, structural heating, batch plant, crushers)

 iii. Stationary sources during operations (e.g., process emissions, large boilers, electric generation)

g. Will any air emission sources named in D.2.f (above), require a NY State Air Registration, Air Facility Permit, or Federal Clean Air Act Title IV or Title V Permit? Yes No
 If Yes:
 i. Is the project site located in an Air quality non-attainment area? (Area routinely or periodically fails to meet ambient air quality standards for all or some parts of the year) Yes No
 ii. In addition to emissions as calculated in the application, the project will generate:
 • _____ Tons/year (short tons) of Carbon Dioxide (CO₂)
 • _____ Tons/year (short tons) of Nitrous Oxide (N₂O)
 • _____ Tons/year (short tons) of Perfluorocarbons (PFCs)
 • _____ Tons/year (short tons) of Sulfur Hexafluoride (SF₆)
 • _____ Tons/year (short tons) of Carbon Dioxide equivalent of Hydrofluorocarbons (HFCs)
 • _____ Tons/year (short tons) of Hazardous Air Pollutants (HAPs)

h. Will the proposed action generate or emit methane (including, but not limited to, sewage treatment plants, landfills, composting facilities)? Yes No

If Yes:

i. Estimate methane generation in tons/year (metric): _____

ii. Describe any methane capture, control or elimination measures included in project design (e.g., combustion to generate heat or electricity, flaring): _____

i. Will the proposed action result in the release of air pollutants from open-air operations or processes, such as quarry or landfill operations? Yes No

If Yes: Describe operations and nature of emissions (e.g., diesel exhaust, rock particulates/dust): _____

j. Will the proposed action result in a substantial increase in traffic above present levels or generate substantial new demand for transportation facilities or services? Yes No

If Yes:

i. When is the peak traffic expected (Check all that apply): Morning Evening Weekend
 Randomly between hours of _____ to _____

ii. For commercial activities only, projected number of truck trips/day and type (e.g., semi trailers and dump trucks): _____

iii. Parking spaces: Existing _____ Proposed _____ Net increase/decrease _____

iv. Does the proposed action include any shared use parking? Yes No

v. If the proposed action includes any modification of existing roads, creation of new roads or change in existing access, describe: _____

vi. Are public/private transportation service(s) or facilities available within 1/2 mile of the proposed site? Yes No

vii. Will the proposed action include access to public transportation or accommodations for use of hybrid, electric or other alternative fueled vehicles? Yes No

viii. Will the proposed action include plans for pedestrian or bicycle accommodations for connections to existing pedestrian or bicycle routes? Yes No

k. Will the proposed action (for commercial or industrial projects only) generate new or additional demand for energy? Yes No

If Yes:

i. Estimate annual electricity demand during operation of the proposed action: _____

TBD

ii. Anticipated sources/suppliers of electricity for the project (e.g., on-site combustion, on-site renewable, via grid/local utility, or other): _____

On-site combustion (CHP) and/or local utility

iii. Will the proposed action require a new, or an upgrade, to an existing substation? Yes No

l. Hours of operation. Answer all items which apply.

i. During Construction:

- Monday - Friday: _____ Daylight hours only
- Saturday: _____
- Sunday: _____
- Holidays: _____

ii. During Operations:

- Monday - Friday: _____ 6AM - 6PM
- Saturday: _____ 6AM - 6PM
- Sunday: _____ Closed
- Holidays: _____ Closed

m. Will the proposed action produce noise that will exceed existing ambient noise levels during construction, operation, or both? Yes No
 If yes:
 i. Provide details including sources, time of day and duration:
 There will be short-duration construction-related noise, limited to daylight hours, which will pose minimal impact only on project site.

ii. Will the proposed action remove existing natural barriers that could act as a noise barrier or screen? Yes No
 Describe: _____

n. Will the proposed action have outdoor lighting? Yes No
 If yes:
 i. Describe source(s), location(s), height of fixture(s), direction/aim, and proximity to nearest occupied structures:
 Site and building-mounted lighting for safety and security. Lighting will be aimed towards interior of campus.

ii. Will proposed action remove existing natural barriers that could act as a light barrier or screen? Yes No
 Describe: _____

o. Does the proposed action have the potential to produce odors for more than one hour per day? Yes No
 If Yes, describe possible sources, potential frequency and duration of odor emissions, and proximity to nearest occupied structures:
 During construction there may be typical odors generated by construction vehicles and construction operations. During occupancy, there may be odors associated with vehicles that may be out-of-tune, but are being repaired by students

p. Will the proposed action include any bulk storage of petroleum (combined capacity of over 1,100 gallons) or chemical products 185 gallons in above ground storage or any amount in underground storage? Yes No
 If Yes:
 i. Product(s) to be stored _____
 ii. Volume(s) _____ per unit time _____ (e.g., month, year)
 iii. Generally, describe the proposed storage facilities: _____

q. Will the proposed action (commercial, industrial and recreational projects only) use pesticides (i.e., herbicides, insecticides) during construction or operation? Yes No
 If Yes:
 i. Describe proposed treatment(s):

ii. Will the proposed action use Integrated Pest Management Practices? Yes No

r. Will the proposed action (commercial or industrial projects only) involve or require the management or disposal of solid waste (excluding hazardous materials)? Yes No
 If Yes:
 i. Describe any solid waste(s) to be generated during construction or operation of the facility:
 • Construction: _____ TBD tons per _____ (unit of time)
 • Operation: _____ No significant change tons per _____ (unit of time)

ii. Describe any proposals for on-site minimization, recycling or reuse of materials to avoid disposal as solid waste:
 • Construction: County may implement source-separation and recycling of C&D materials.

 • Operation: College follows the County's law for institutional recycling. College also recycles materials generated from the technical programs offered at ATC, such as motor oil, tires, batteries and electronics

iii. Proposed disposal methods/facilities for solid waste generated on-site:
 • Construction: Existing landfill / recycling center

 • Operation: Existing landfill / recycling center

s. Does the proposed action include construction or modification of a solid waste management facility? Yes No

If Yes:

i. Type of management or handling of waste proposed for the site (e.g., recycling or transfer station, composting, landfill, or other disposal activities): _____

ii. Anticipated rate of disposal/processing:

- _____ Tons/month, if transfer or other non-combustion/thermal treatment, or
- _____ Tons/hour, if combustion or thermal treatment

iii. If landfill, anticipated site life: _____ years

t. Will the proposed action at the site involve the commercial generation, treatment, storage, or disposal of hazardous waste? Yes No

If Yes:

i. Name(s) of all hazardous wastes or constituents to be generated, handled or managed at facility: _____
 Air conditioning refrigerants, machining oils and coolants, motor oils

ii. Generally describe processes or activities involving hazardous wastes or constituents: _____
 Small quantities of materials used for educational purposes

iii. Specify amount to be handled or generated <1 tons/month

iv. Describe any proposals for on-site minimization, recycling or reuse of hazardous constituents: _____

v. Will any hazardous wastes be disposed at an existing offsite hazardous waste facility? Yes No

If Yes: provide name and location of facility: _____
 Certified disposal and/or recycling facilities TBD based on public bid

If No: describe proposed management of any hazardous wastes which will not be sent to a hazardous waste facility: _____

E. Site and Setting of Proposed Action

E.1. Land uses on and surrounding the project site

a. Existing land uses.

i. Check all uses that occur on, adjoining and near the project site.

Urban Industrial Commercial Residential (suburban) Rural (non-farm)

Forest Agriculture Aquatic Other (specify): _____

ii. If mix of uses, generally describe: _____

b. Land uses and covertypes on the project site.

Land use or Covertype	Current Acreage	Acreage After Project Completion	Change (Acres +/-)
• Roads, buildings, and other paved or impervious surfaces	10.9	10.9	0
• Forested			
• Meadows, grasslands or brushlands (non-agricultural, including abandoned agricultural)			
• Agricultural (includes active orchards, field, greenhouse etc.)			
• Surface water features (lakes, ponds, streams, rivers, etc.)			
• Wetlands (freshwater or tidal)			
• Non-vegetated (bare rock, earth or fill)			
• Other Describe: _____			

c. Is the project site presently used by members of the community for public recreation? Yes No
 i. If Yes, explain: _____

d. Are there any facilities serving children, the elderly, people with disabilities (e.g., schools, hospitals, licensed day care centers, or group homes) within 1500 feet of the project site? Yes No
 If Yes,
 i. Identify Facilities: _____

e. Does the project site contain an existing dam? Yes No
 If Yes:
 i. Dimensions of the dam and impoundment:
 • Dam height: _____ feet
 • Dam length: _____ feet
 • Surface area: _____ acres
 • Volume impounded: _____ gallons OR acre-feet
 ii. Dam's existing hazard classification: _____
 iii. Provide date and summarize results of last inspection: _____

f. Has the project site ever been used as a municipal, commercial or industrial solid waste management facility, or does the project site adjoin property which is now, or was at one time, used as a solid waste management facility? Yes No
 If Yes:
 i. Has the facility been formally closed? Yes No
 • If yes, cite sources/documentation: _____
 ii. Describe the location of the project site relative to the boundaries of the solid waste management facility: _____
 iii. Describe any development constraints due to the prior solid waste activities: _____

g. Have hazardous wastes been generated, treated and/or disposed of at the site, or does the project site adjoin property which is now or was at one time used to commercially treat, store and/or dispose of hazardous waste? Yes No
 If Yes:
 i. Describe waste(s) handled and waste management activities, including approximate time when activities occurred: _____

h. Potential contamination history. Has there been a reported spill at the proposed project site, or have any remedial actions been conducted at or adjacent to the proposed site? Yes No
 If Yes:
 i. Is any portion of the site listed on the NYSDEC Spills Incidents database or Environmental Site Remediation database? Check all that apply: Yes No
 Yes - Spills Incidents database Provide DEC ID number(s): 8280830, 751539, 1304684, 1405569
 Yes - Environmental Site Remediation database Provide DEC ID number(s): _____
 Neither database
 ii. If site has been subject of RCRA corrective activities, describe control measures: _____
 iii. Is the project within 2000 feet of any site in the NYSDEC Environmental Site Remediation database? Yes No
 If yes, provide DEC ID number(s): _____
 iv. If yes to (i), (ii) or (iii) above, describe current status of site(s): _____

v. Is the project site subject to an institutional control limiting property uses? Yes No

- If yes, DEC site ID number: _____
- Describe the type of institutional control (e.g., deed restriction or easement): _____
- Describe any use limitations: _____
- Describe any engineering controls: _____
- Will the project affect the institutional or engineering controls in place? Yes No
- Explain: _____

E.2. Natural Resources On or Near Project Site

a. What is the average depth to bedrock on the project site? _____ >20 feet

b. Are there bedrock outcroppings on the project site? Yes No
 If Yes, what proportion of the site is comprised of bedrock outcroppings? _____ %

c. Predominant soil type(s) present on project site: sandy silty clay _____ 100 %
 _____ %
 _____ %

d. What is the average depth to the water table on the project site? Average: _____ 10 feet

e. Drainage status of project site soils: Well Drained: _____ % of site
 Moderately Well Drained: 50 % of site
 Poorly Drained 50 % of site

f. Approximate proportion of proposed action site with slopes: 0-10%: 100 % of site
 10-15%: _____ % of site
 15% or greater: _____ % of site

g. Are there any unique geologic features on the project site? Yes No
 If Yes, describe: _____

h. Surface water features.

i. Does any portion of the project site contain wetlands or other waterbodies (including streams, rivers, ponds or lakes)? Yes No

ii. Do any wetlands or other waterbodies adjoin the project site? Yes No
 If Yes to either i or ii, continue. If No, skip to E.2.i.

iii. Are any of the wetlands or waterbodies within or adjoining the project site regulated by any federal, state or local agency? Yes No

iv. For each identified regulated wetland and waterbody on the project site, provide the following information:

- Streams: Name 846-61 _____ Classification C _____
- Lakes or Ponds: Name _____ Classification _____
- Wetlands: Name Federal Waters, Federal Waters, Federal Waters,... _____ Approximate Size 4.23 AC
- Wetland No. (if regulated by DEC) _____

v. Are any of the above water bodies listed in the most recent compilation of NYS water quality-impaired waterbodies? Yes No
 If yes, name of impaired water body/bodies and basis for listing as impaired: _____

i. Is the project site in a designated Floodway? Yes No

j. Is the project site in the 100-year Floodplain? Yes No

k. Is the project site in the 500-year Floodplain? Yes No

l. Is the project site located over, or immediately adjoining, a primary, principal or sole source aquifer? Yes No
 If Yes:
 i. Name of aquifer: _____

<p>m. Identify the predominant wildlife species that occupy or use the project site:</p> <table style="width: 100%; border: none;"> <tr> <td style="border: none;">Canadian Geese</td> <td style="border: none;">Gray Squirrel</td> <td style="border: none;">various field mammals</td> </tr> <tr> <td style="border: none;">various field birds</td> <td style="border: none;"></td> <td style="border: none;"></td> </tr> </table>	Canadian Geese	Gray Squirrel	various field mammals	various field birds

various field birds							
<p>n. Does the project site contain a designated significant natural community? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Describe the habitat/community (composition, function, and basis for designation): _____</p> <p>ii. Source(s) of description or evaluation: _____</p> <p>iii. Extent of community/habitat:</p> <ul style="list-style-type: none"> • Currently: _____ acres • Following completion of project as proposed: _____ acres • Gain or loss (indicate + or -): _____ acres 							
<p>o. Does project site contain any species of plant or animal that is listed by the federal government or NYS as endangered or threatened, or does it contain any areas identified as habitat for an endangered or threatened species? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Species and listing (endangered or threatened): _____</p>							
<p>p. Does the project site contain any species of plant or animal that is listed by NYS as rare, or as a species of special concern? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Species and listing: _____</p>							
<p>q. Is the project site or adjoining area currently used for hunting, trapping, fishing or shell fishing? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If yes, give a brief description of how the proposed action may affect that use: _____</p>							
E.3. Designated Public Resources On or Near Project Site							
<p>a. Is the project site, or any portion of it, located in a designated agricultural district certified pursuant to Agriculture and Markets Law, Article 25-AA, Section 303 and 304? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes, provide county plus district name/number: _____</p>							
<p>b. Are agricultural lands consisting of highly productive soils present? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>i. If Yes: acreage(s) on project site? _____</p> <p>ii. Source(s) of soil rating(s): _____</p>							
<p>c. Does the project site contain all or part of, or is it substantially contiguous to, a registered National Natural Landmark? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes:</p> <p>i. Nature of the natural landmark: <input type="checkbox"/> Biological Community <input type="checkbox"/> Geological Feature</p> <p>ii. Provide brief description of landmark, including values behind designation and approximate size/extent: _____</p>							
<p>d. Is the project site located in or does it adjoin a state listed Critical Environmental Area? <input type="checkbox"/> Yes <input checked="" type="checkbox"/> No</p> <p>If Yes:</p> <p>i. CEA name: _____</p> <p>ii. Basis for designation: _____</p> <p>iii. Designating agency and date: _____</p>							

e. Does the project site contain, or is it substantially contiguous to, a building, archaeological site, or district which is listed on the National or State Register of Historic Places, or that has been determined by the Commissioner of the NYS Office of Parks, Recreation and Historic Preservation to be eligible for listing on the State Register of Historic Places?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If Yes:	
<i>i.</i> Nature of historic/archaeological resource: <input type="checkbox"/> Archaeological Site <input type="checkbox"/> Historic Building or District	
<i>ii.</i> Name: _____	
<i>iii.</i> Brief description of attributes on which listing is based: _____	
f. Is the project site, or any portion of it, located in or adjacent to an area designated as sensitive for archaeological sites on the NY State Historic Preservation Office (SHPO) archaeological site inventory?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
g. Have additional archaeological or historic site(s) or resources been identified on the project site?	
If Yes:	
<i>i.</i> Describe possible resource(s): _____	
<i>ii.</i> Basis for identification: _____	
h. Is the project site within five miles of any officially designated and publicly accessible federal, state, or local scenic or aesthetic resource?	<input checked="" type="checkbox"/> Yes <input type="checkbox"/> No
If Yes:	
<i>i.</i> Identify resource: <u>Various State, County, Local parks, trails, scenic byways, and related resources</u>	
<i>ii.</i> Nature of, or basis for, designation (e.g., established highway overlook, state or local park, state historic trail or scenic byway, etc.): <u>State and local significance</u>	
<i>iii.</i> Distance between project and resource: _____ <u>0 - 5 miles.</u>	
i. Is the project site located within a designated river corridor under the Wild, Scenic and Recreational Rivers Program 6 NYCRR 666?	<input type="checkbox"/> Yes <input checked="" type="checkbox"/> No
If Yes:	
<i>i.</i> Identify the name of the river and its designation: _____	
<i>ii.</i> Is the activity consistent with development restrictions contained in 6NYCRR Part 666?	
<input type="checkbox"/> Yes <input type="checkbox"/> No	

F. Additional Information

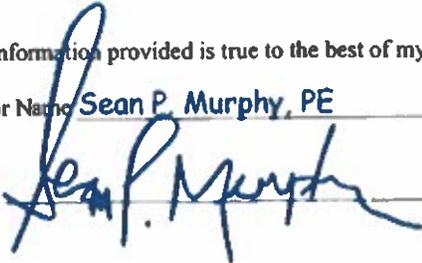

Attach any additional information which may be needed to clarify your project.

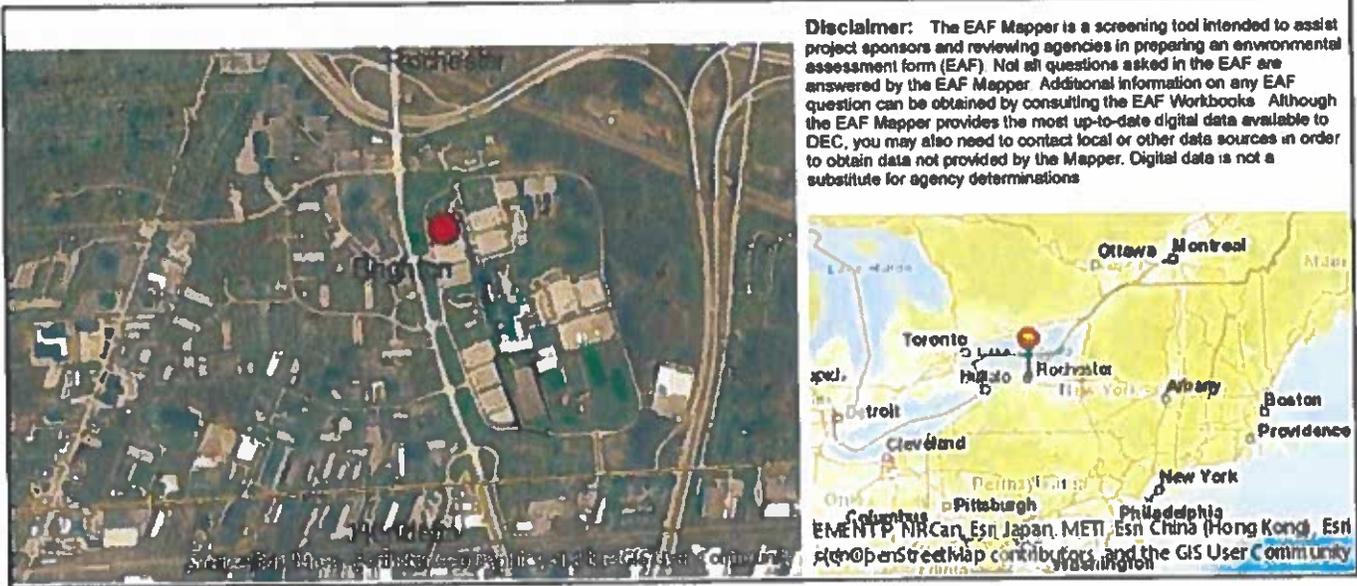

If you have identified any adverse impacts which could be associated with your proposal, please describe those impacts plus any measures which you propose to avoid or minimize them.

G. Verification

I certify that the information provided is true to the best of my knowledge.

Full Environmental Assessment Form
Part 2 - Identification of Potential Project Impacts

Agency Use Only (If applicable)
 Project : MCC ATC STEM
 Date : 12/3/2025

Part 2 is to be completed by the lead agency. Part 2 is designed to help the lead agency inventory all potential resources that could be affected by a proposed project or action. We recognize that the lead agency's reviewer(s) will not necessarily be environmental professionals. So, the questions are designed to walk a reviewer through the assessment process by providing a series of questions that can be answered using the information found in Part 1. To further assist the lead agency in completing Part 2, the form identifies the most relevant questions in Part 1 that will provide the information needed to answer the Part 2 question. When Part 2 is completed, the lead agency will have identified the relevant environmental areas that may be impacted by the proposed activity.

If the lead agency is a state agency and the action is in any Coastal Area, complete the Coastal Assessment Form before proceeding with this assessment.

Tips for completing Part 2:

- Review all of the information provided in Part 1.
- Review any application, maps, supporting materials and the Full EAF Workbook.
- Answer each of the 18 questions in Part 2.
- If you answer "Yes" to a numbered question, please complete all the questions that follow in that section.
- If you answer "No" to a numbered question, move on to the next numbered question.
- Check appropriate column to indicate the anticipated size of the impact.
- Proposed projects that would exceed a numeric threshold contained in a question should result in the reviewing agency checking the box "Moderate to large impact may occur."
- The reviewer is not expected to be an expert in environmental analysis.
- If you are not sure or undecided about the size of an impact, it may help to review the sub-questions for the general question and consult the workbook.
- When answering a question consider all components of the proposed activity, that is, the "whole action".
- Consider the possibility for long-term and cumulative impacts as well as direct impacts.
- Answer the question in a reasonable manner considering the scale and context of the project.

I. Impact on Land		<input type="checkbox"/> NO	<input checked="" type="checkbox"/> YES
Proposed action may involve construction on, or physical alteration of, the land surface of the proposed site. (See Part 1. D.1)			
<i>If "Yes", answer questions a - j. If "No", move on to Section 2.</i>			
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may involve construction on land where depth to water table is less than 3 feet.	E2d	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may involve construction on slopes of 15% or greater.	E2f	<input checked="" type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may involve construction on land where bedrock is exposed, or generally within 5 feet of existing ground surface.	E2a	<input checked="" type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may involve the excavation and removal of more than 1,000 tons of natural material.	D2a	<input checked="" type="checkbox"/>	<input type="checkbox"/>
e. The proposed action may involve construction that continues for more than one year or in multiple phases.	D1e	<input checked="" type="checkbox"/>	<input type="checkbox"/>
f. The proposed action may result in increased erosion, whether from physical disturbance or vegetation removal (including from treatment by herbicides).	D2e, D2q	<input checked="" type="checkbox"/>	<input type="checkbox"/>
g. The proposed action is, or may be, located within a Coastal Erosion hazard area.	B1i	<input checked="" type="checkbox"/>	<input type="checkbox"/>
h. Other impacts: _____		<input checked="" type="checkbox"/>	<input type="checkbox"/>

2. Impact on Geological Features The proposed action may result in the modification or destruction of, or inhibit access to, any unique or unusual land forms on the site (e.g., cliffs, dunes, minerals, fossils, caves). (See Part 1. E.2.g) <input checked="" type="checkbox"/> NO <input type="checkbox"/> YES <i>If "Yes", answer questions a - c. If "No", move on to Section 3.</i>			
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. Identify the specific land form(s) attached: _____	E2g	<input type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may affect or is adjacent to a geological feature listed as a registered National Natural Landmark. Specific feature: _____	E3c	<input type="checkbox"/>	<input type="checkbox"/>
c. Other impacts: _____		<input type="checkbox"/>	<input type="checkbox"/>

3. Impacts on Surface Water The proposed action may affect one or more wetlands or other surface water bodies (e.g., streams, rivers, ponds or lakes). (See Part 1. D.2, E.2.h) <input type="checkbox"/> NO <input checked="" type="checkbox"/> YES <i>If "Yes", answer questions a - l. If "No", move on to Section 4.</i>			
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may create a new water body.	D2b, D1h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may result in an increase or decrease of over 10% or more than a 10 acre increase or decrease in the surface area of any body of water.	D2b	<input checked="" type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may involve dredging more than 100 cubic yards of material from a wetland or water body.	D2a	<input checked="" type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may involve construction within or adjoining a freshwater or tidal wetland, or in the bed or banks of any other water body.	E2h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
e. The proposed action may create turbidity in a waterbody, either from upland erosion, runoff or by disturbing bottom sediments.	D2a, D2h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
f. The proposed action may include construction of one or more intake(s) for withdrawal of water from surface water.	D2c	<input checked="" type="checkbox"/>	<input type="checkbox"/>
g. The proposed action may include construction of one or more outfall(s) for discharge of wastewater to surface water(s).	D2d	<input checked="" type="checkbox"/>	<input type="checkbox"/>
h. The proposed action may cause soil erosion, or otherwise create a source of stormwater discharge that may lead to siltation or other degradation of receiving water bodies.	D2e	<input checked="" type="checkbox"/>	<input type="checkbox"/>
i. The proposed action may affect the water quality of any water bodies within or downstream of the site of the proposed action.	E2h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
j. The proposed action may involve the application of pesticides or herbicides in or around any water body.	D2q, E2h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
k. The proposed action may require the construction of new, or expansion of existing, wastewater treatment facilities.	D1a, D2d	<input checked="" type="checkbox"/>	<input type="checkbox"/>

I. Other impacts: _____ _____	<input checked="" type="checkbox"/>	<input type="checkbox"/>
----------------------------------	-------------------------------------	--------------------------

4. Impact on groundwater The proposed action may result in new or additional use of ground water, or may have the potential to introduce contaminants to ground water or an aquifer. (See Part 1. c. The proposed action may occur wholly or partially within, or substantially contiguous to, an archaeological site not included on the NY SHPO inventory. Source: _____	E3g	<input type="checkbox"/>	<input type="checkbox"/>

d. Other impacts: _____		<input type="checkbox"/>	<input type="checkbox"/>
e. If any of the above (a-d) are answered "Moderate to large impact may occur", continue with the following questions to help support conclusions in Part 3:			
i. The proposed action may result in the destruction or alteration of all or part of the site or property.	E3e, E3g, E3f	<input type="checkbox"/>	<input type="checkbox"/>
ii. The proposed action may result in the alteration of the property's setting or integrity.	E3e, E3f, E3g, E1a, E1b	<input type="checkbox"/>	<input type="checkbox"/>
iii. The proposed action may result in the introduction of visual elements which are out of character with the site or property, or may alter its setting.	E3e, E3f, E3g, E3h, C2, C3	<input type="checkbox"/>	<input type="checkbox"/>

11. Impact on Open Space and Recreation The proposed action may result in a loss of recreational opportunities or a reduction of an open space resource as designated in any adopted municipal open space plan. <input checked="" type="checkbox"/> NO <input type="checkbox"/> YES (See Part 1. C.2.c, E.1.c., E.2.q.) <i>If "Yes", answer questions a - e. If "No", go to Section 12.</i>			
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may result in an impairment of natural functions, or "ecosystem services", provided by an undeveloped area, including but not limited to stormwater storage, nutrient cycling, wildlife habitat.	D2e, E1b, E2h, E2m, E2o, E2n, E2p	<input type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may result in the loss of a current or future recreational resource.	C2a, E1c, C2c, E2q	<input type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may eliminate open space or recreational resource in an area with few such resources.	C2a, C2c, E1c, E2q	<input type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may result in loss of an area now used informally by the community as an open space resource.	C2c, E1c	<input type="checkbox"/>	<input type="checkbox"/>
e. Other impacts: _____		<input type="checkbox"/>	<input type="checkbox"/>

12. Impact on Critical Environmental Areas The proposed action may be located within or adjacent to a critical environmental area (CEA). (See Part 1. E.3.d) <input checked="" type="checkbox"/> NO <input type="checkbox"/> YES <i>If "Yes", answer questions a - c. If "No", go to Section 13.</i>			
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur

c. Other impacts: _____		<input type="checkbox"/>	<input type="checkbox"/>

13. Impact on Transportation
 The proposed action may result in a change to existing transportation systems. NO YES
 (See Part I. D.2.j)
 If "Yes", answer questions a - f. If "No", go to Section 14.

	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. Projected traffic increase may exceed capacity of existing road network.	D2j	<input type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may result in the construction of paved parking area for 500 or more vehicles.	D2j	<input type="checkbox"/>	<input type="checkbox"/>
c. The proposed action will degrade existing transit access.	D2j	<input type="checkbox"/>	<input type="checkbox"/>
d. The proposed action will degrade existing pedestrian or bicycle accommodations.	D2j	<input type="checkbox"/>	<input type="checkbox"/>
e. The proposed action may alter the present pattern of movement of people or goods.	D2j	<input type="checkbox"/>	<input type="checkbox"/>
f. Other impacts: _____		<input type="checkbox"/>	<input type="checkbox"/>

14. Impact on Energy
 The proposed action may cause an increase in the use of any form of energy. NO YES
 (See Part I. D.2.k)
 If "Yes", answer questions a - e. If "No", go to Section 15.

	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action will require a new, or an upgrade to an existing, substation.	D2k	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. The proposed action will require the creation or extension of an energy transmission or supply system to serve more than 50 single or two-family residences or to serve a commercial or industrial use.	D1f, D1q, D2k	<input checked="" type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may utilize more than 2,500 MWhrs per year of electricity.	D2k	<input checked="" type="checkbox"/>	<input type="checkbox"/>
d. The proposed action may involve heating and/or cooling of more than 100,000 square feet of building area when completed.	D1g	<input checked="" type="checkbox"/>	<input type="checkbox"/>
e. Other Impacts: _____		<input checked="" type="checkbox"/>	<input type="checkbox"/>

15. Impact on Noise, Odor, and Light
 The proposed action may result in an increase in noise, odors, or outdoor lighting. NO YES
 (See Part I. D.2.m., n., and o.)
 If "Yes", answer questions a - f. If "No", go to Section 16.

	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action may produce sound above noise levels established by local regulation.	D2m	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. The proposed action may result in blasting within 1,500 feet of any residence, hospital, school, licensed day care center, or nursing home.	D2m, E1d	<input checked="" type="checkbox"/>	<input type="checkbox"/>
c. The proposed action may result in routine odors for more than one hour per day.	D2o	<input checked="" type="checkbox"/>	<input type="checkbox"/>

d. The proposed action may result in light shining onto adjoining properties.	D2n	<input checked="" type="checkbox"/>	<input type="checkbox"/>

f. Other impacts: <u>None</u>		<input checked="" type="checkbox"/>	<input type="checkbox"/>

16. Impact on Human Health			
The proposed action may have an impact on human health from exposure to new or existing sources of contaminants. (See Part 1.D.2.q., E.1. d. f. g. and h.)			
<input type="checkbox"/> NO <input checked="" type="checkbox"/> YES			
<i>If "Yes", answer questions a - m. If "No", go to Section 17.</i>			
	Relevant Part I Question(s)	No, or small impact may occur	Moderate to large impact may occur
a. The proposed action is located within 1500 feet of a school, hospital, licensed day care center, group home, nursing home or retirement community.	E1d	<input checked="" type="checkbox"/>	<input type="checkbox"/>
b. The site of the proposed action is currently undergoing remediation.	E1g, E1h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
c. There is a completed emergency spill remediation, or a completed environmental site remediation on, or adjacent to, the site of the proposed action.	E1g, E1h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
d. The site of the action is subject to an institutional control limiting the use of the property (e.g., easement or deed restriction).	E1g, E1h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
e. The proposed action may affect institutional control measures that were put in place to ensure that the site remains protective of the environment and human health.	E1g, E1h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
f. The proposed action has adequate control measures in place to ensure that future generation, treatment and/or disposal of hazardous wastes will be protective of the environment and human health.	D2t	<input checked="" type="checkbox"/>	<input type="checkbox"/>
g. The proposed action involves construction or modification of a solid waste management facility.	D2q, E1f	<input checked="" type="checkbox"/>	<input type="checkbox"/>
h. The proposed action may result in the unearthing of solid or hazardous waste.	D2q, E1f	<input checked="" type="checkbox"/>	<input type="checkbox"/>
i. The proposed action may result in an increase in the rate of disposal, or processing, of solid waste.	D2r, D2s	<input checked="" type="checkbox"/>	<input type="checkbox"/>
j. The proposed action may result in excavation or other disturbance within 2000 feet of a site used for the disposal of solid or hazardous waste.	E1f, E1g E1h	<input checked="" type="checkbox"/>	<input type="checkbox"/>
k. The proposed action may result in the migration of explosive gases from a landfill site to adjacent off site structures.	E1f, E1g	<input checked="" type="checkbox"/>	<input type="checkbox"/>
l. The proposed action may result in the release of contaminated leachate from the project site.	D2s, E1f, D2r	<input checked="" type="checkbox"/>	<input type="checkbox"/>
m. Other impacts: <u>None</u>		<input checked="" type="checkbox"/>	<input type="checkbox"/>

17. Consistency with Community Plans The proposed action is not consistent with adopted land use plans. (See Part 1. C.1, C.2. and C.3.) <i>If "Yes", answer questions a - h. If "No", go to Section 18.</i>			
		<input checked="" type="checkbox"/> NO	<input type="checkbox"/> YES

Full Environmental Assessment Form
Part 3 - Evaluation of the Magnitude and Importance of Project Impacts
and
Determination of Significance

Part 3 provides the reasons in support of the determination of significance. The lead agency must complete Part 3 for every question in Part 2 where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.

Based on the analysis in Part 3, the lead agency must decide whether to require an environmental impact statement to further assess the proposed action or whether available information is sufficient for the lead agency to conclude that the proposed action will not have a significant adverse environmental impact. By completing the certification on the next page, the lead agency can complete its determination of significance.

Reasons Supporting This Determination:

To complete this section:

- Identify the impact based on the Part 2 responses and describe its magnitude. Magnitude considers factors such as severity, size or extent of an impact.
- Assess the importance of the impact. Importance relates to the geographic scope, duration, probability of the impact occurring, number of people affected by the impact and any additional environmental consequences if the impact were to occur.
- The assessment should take into consideration any design element or project changes.
- Repeat this process for each Part 2 question where the impact has been identified as potentially moderate to large or where there is a need to explain why a particular element of the proposed action will not, or may, result in a significant adverse environmental impact.
- Provide the reason(s) why the impact may, or will not, result in a significant adverse environmental impact
- For Conditional Negative Declarations identify the specific condition(s) imposed that will modify the proposed action so that no significant adverse environmental impacts will result.
- Attach additional sheets, as needed.

The 2021 Monroe Community College Facilities Master Plan included a recommendation to relocate the Applied Technology Center ("ATC") from its current location on West Henrietta Road to the Brighton Campus on East Henrietta Road ("Campus") in order to better integrate its technical programs with academic and S.T.E.M. programs currently available at the Brighton Campus. In addition, there are significant deferred maintenance costs at the existing ATC site. Avoiding these costs, as well as placing the ATC on the Brighton Campus, provides an opportunity to improve efficiency of campus staffing and facility maintenance efforts as well as reduce the need for staff and students to travel from one location to another. Finally, locating the ATC on the Brighton Campus enables growth in emerging highly technical fields such as optics and diesel technology. Advancing the construction of the ATC helps to accelerate the availability of properly trained workers to help satisfy the occupational demand in these well-paying technical fields. Equipment may be relocated from the existing facility to the new building, but the abandonment and/or sale of the existing building is not in the current scope of this project.

The specific project site is located at the southern end of the previously developed Campus site, and well within the existing Campus parcel of land. The site was previously disturbed during the development of the existing Campus. The proposed building location is on the site of an existing, temporary structure and paved parking lot. There will be no new ground disturbance for the construction of the new building. Part 1 of the environmental assessment form (EAF) indicated that there may be wetlands or waterbodies present on the overall parcel. However, those wetland and waterbodies are distant from this site and all proposed activities associated with the new ATC building are not within or adjacent to any wetland, nor within or adjacent to existing water-bodies. The proposed project will impact approximately 10.9 acres of the 296.52 acre parcel that comprises the MCC Brighton location. All improvements are inside the existing developed Campus delineated by a perimeter roadway and will not impact the community character or surrounding area. No impacts to any areas that may contain threatened or endangered species is anticipated. Traffic from the proposed project is expected to be very similar to the conditions resulting from the current use and surplus parking is available on-site.

This proposed project results in a minor expansion of the existing use of the site, but all within its current capacity. The net increase after considering the relocation of operations from West Henrietta will be minimal and complimentary, while also reducing VMTs for students and staff. No significant increases in traffic or any other potential impacts from this project are anticipated. Based on information contained in this EAF, as well as supporting documentation retained by the Department of Environmental Services, Monroe County has determined that there will not be any significant adverse environmental impact associated with this proposed project.

Determination of Significance - Type 1 and Unlisted Actions

SEQR Status:

 Type 1 Unlisted

Identify portions of EAF completed for this Project:

 Part 1 Part 2 Part 3

Upon review of the information recorded on this EAF, as noted, plus this additional support information

None

and considering both the magnitude and importance of each identified potential impact, it is the conclusion of the
County of Monroe as lead agency that:

A. This project will result in no significant adverse impacts on the environment, and, therefore, an environmental impact statement need not be prepared. Accordingly, this negative declaration is issued.

B. Although this project could have a significant adverse impact on the environment, that impact will be avoided or substantially mitigated because of the following conditions which will be required by the lead agency:

There will, therefore, be no significant adverse impacts from the project as conditioned, and, therefore, this conditioned negative declaration is issued. A conditioned negative declaration may be used only for UNLISTED actions (see 6 NYCRR 617.7(d)).

C. This Project may result in one or more significant adverse impacts on the environment, and an environmental impact statement must be prepared to further assess the impact(s) and possible mitigation and to explore alternatives to avoid or reduce those impacts. Accordingly, this positive declaration is issued.

RESOLUTION NO. 82 OF 2026

SUPERSEDING BOND RESOLUTION DATED FEBRUARY 10, 2026

RESOLUTION AUTHORIZING THE ISSUANCE OF \$9,000,000 BONDS OF THE COUNTY OF MONROE, NEW YORK, TO FINANCE THE COST OF THE INCREASE AND IMPROVEMENT OF THE FACILITIES OF THE NORTHWEST QUADRANT PURE WATERS DISTRICT, IN AND FOR SAID COUNTY, AT AN ESTIMATED MAXIMUM COST OF \$9,000,000 AND SUPERSEDING THE BOND RESOLUTION ADOPTED ON FEBRUARY 11, 2025 (RESOLUTION NO. 30 OF 2025).

BE IT RESOLVED BY THE AFFIRMATIVE VOTE OF NOT LESS THAN TWO-THIRDS OF THE TOTAL VOTING STRENGTH OF THE LEGISLATURE OF THE COUNTY OF MONROE, as follows:

Section 1. For the specific object or purpose of financing the cost of the increase and improvement of the facilities of the Northwest Quadrant Pure Waters District, consisting of NWQPWD – NWQ WRRF electrical improvements of the Northwest Quadrant Pure Waters District, in and for the County of Monroe, New York (the “County”), there are hereby authorized to be issued, \$9,000,000 bonds of the County, pursuant to the provisions of the Local Finance Law. The duly adopted current Capital Budget of the County, to the extent inconsistent herewith, is hereby amended to provide for the appropriation of an additional \$7,200,000 to pay the cost of the aforesaid specific object or purpose (\$1,800,000 having been heretofore appropriated from one or more Capital Budgets). The period of probable usefulness of the aforesaid specific object or purpose is forty (40) years, pursuant to subdivision 4 of paragraph a of Section 11.00 of the Local Finance Law, computed from the date of the first obligation issued therefor.

Section 2. The maximum estimated cost thereof is \$9,000,000, and the plan for the financing thereof is by the issuance of \$9,000,000 bonds of said County herein authorized; provided, however, that to the extent any state and/or federal aid and/or grant and/or gift is received for the aforesaid purpose, such aid shall be used to redeem any outstanding indebtedness incurred for such purpose or shall be applied, dollar for dollar, to reduce the amount of bonds to be issued for such purpose.

Section 3. The faith and credit of the County are hereby irrevocably pledged for the payment of the principal of and interest on such obligations as the same respectively become due and payable. To the extent not paid from rates, rents or charges, there shall be annually apportioned and assessed upon the several lots and parcels of land within said District, in the manner provided by law, an amount sufficient to pay the principal of and interest on such obligations as the same become due, but if not paid from such source, all the taxable real property in said County shall be subject to the levy of ad valorem taxes, sufficient to pay the principal of and interest on such obligations as the same become due.

Section 4. Subject to the provisions of the Local Finance Law, the power to authorize the issuance of and to sell the bonds and bond anticipation notes in anticipation of the issuance and sale of the bonds herein authorized, including renewals of such notes, is hereby delegated to the Director of Finance - Chief Financial Officer, the chief fiscal officer of the County under the Local Finance Law. The Director of Finance - Chief Financial Officer may sell such bonds or notes at public or private sale, at a discount or premium, at fixed or variable rates of interest or at no interest whatsoever, or as capital appreciation bonds, and with such amortization of principal as the Director of Finance – Chief Financial Officer shall determine is

most favorable to the County, and in compliance with any rules of the State Comptroller applicable thereto. Such bonds or notes shall be of such terms, form and contents, and shall be sold in such manner, as may be prescribed by said Director of Finance - Chief Financial Officer, consistent with the provisions of the Local Finance Law. The Director of Finance - Chief Financial Officer may, in the event it is determined to issue variable rate bonds or notes, enter into such agreements as said officer finds reasonable to facilitate the issuance, sale, resale and repurchase of such bonds or notes, as authorized under Section 54.90 of the Local Finance Law. The Director of Finance - Chief Financial Officer is also authorized to enter into such agreements and take such other action as may be necessary or appropriate and lawful to assure that, to the extent possible, (i) interest on the bonds and notes authorized hereby will not be includable in the gross income, for federal income tax purposes, of the recipients thereof, and (ii) to enable the purchaser thereof to comply with Securities and Exchange Commission Rule 15c2-12. The Director of Finance - Chief Financial Officer is hereby further delegated all powers of this County Legislature with respect to agreements for credit enhancement, derived from and pursuant to Section 168.00 of the Local Finance Law, for such bonds or notes, including, but not limited to the determination of the provider of such credit enhancement facility or facilities and the terms and contents of any agreement or agreements related thereto.

Section 5. All other matters, except as provided herein, relating to such bonds or notes, including prescribing whether manual or facsimile signatures shall appear on said bonds or notes, prescribing the method for the recording of ownership of said bonds or notes, appointing the fiscal agent or agents for said bonds or notes, providing for the printing and delivery of said bonds or notes (and if said bonds or notes are to be executed in the name of the County by only facsimile signatures, providing for the manual countersignature of a fiscal agent or of a designated official of the County), the date, form, denominations, maturities, interest rate or rates, terms of and manner of sale and interest payment dates, place or places of payment, and also including the consolidation with other issues, shall be determined by the Director of Finance - Chief Financial Officer. The Director of Finance - Chief Financial Officer may elect to become the fiscal agent for the bonds or notes, or may contract on behalf of the County for this service pursuant to the Local Finance Law. Such bonds or notes shall contain substantially the recital of validity clause provided for in Section 52.00 of the Local Finance Law and shall otherwise be in such form and contain such recitals, in addition to those required by Section 52.00 of the Local Finance Law, as the Director of Finance - Chief Financial Officer shall determine.

Section 6. The validity of such bonds and bond anticipation notes, as authorized by this resolution, may be contested only if:

- 1) such obligations are authorized for an object or purpose for which said County is not authorized to expend money, or
- 2) the provisions of law which should be complied with at the date of publication of this resolution are not substantially complied with, and

an action, suit or proceeding contesting such validity is commenced within twenty (20) days after the date of such publication, or

- 3) such obligations are authorized in violation of the provisions of the Constitution.

Section 7. This resolution shall supersede Resolution No. 30 of 2025, being a bond resolution dated February 11, 2025, except to the extent that any indebtedness shall have been contracted or encumbrances made thereunder. The purpose of this superseding bond resolution is to effect the following: to increase the maximum estimated cost of the purpose and the amount of bonds to be issued thereunder from \$1,800,000 to \$9,000,000.

Section 8. This resolution shall constitute a statement of official intent for purposes of Section 1.150-2 of the Treasury Regulations. Other than as specified in this resolution, no monies are, or are reasonably

expected to be, reserved, allocated on a long-term basis, or otherwise set aside with respect to the permanent funding of the objects or purposes described herein.

Section 9. This resolution shall take effect in accordance with Section C2-7 of the Monroe County Charter and the Clerk of the Legislature is hereby authorized and directed to publish this resolution or a summary hereof to be published, together with a notice attached in substantially the form and in the manner prescribed by Section 81.00 of the Local Finance Law.

OFFICE OF THE PUBLIC DEFENDER

ANNUAL REPORT

2025

INTRODUCTION

This report serves as an overview of the work done by the Monroe County Public Defender's Office ("the Office") office during 2025. The report is divided into five sections:

1. Recruitment, retention, and diversification of staff.
2. Continued improvement of the quality of the legal representation provided to our clients.
3. Staff training and continuing legal education.
4. Staffing and caseloads.
5. Plans for the future.

Creation of Office and its Jurisdiction

As described in the 2020 Annual Report authored by former Public Defender Timothy Donaher, the following is a brief history of the history and structure of the Office of the Monroe County Public Defender:

"In a 1963 landmark decision, the Supreme Court of the United States ruled that all indigent defendants had the right to be represented by counsel in criminal proceedings. In order to comply with the Supreme Court ruling, Article 18-B of the County Law of the State of New York was adopted by the State Legislature in 1965. This law required the various counties throughout the State to adopt a plan for the representation of indigent defendants. In compliance with the state mandate, on May 23, 1968, by virtue of Resolution No. 250 of 1968, the Monroe County Legislature adopted Local Law No. 5 of 1968, thus creating the Office of the Monroe County Public Defender.

By law, the Public Defender is required to 'represent, without charge, at the request of the defendant, or by order of the court with the consent of the defendant, each indigent defendant who is charged with a crime...in the county...in which such public defender serves.'

The Monroe County Public Defender's Office represents individuals in the courts within Monroe County, including the City of Rochester and the towns and villages within the geographical boundaries of the County. This area has a population of approximately 760,000 people.

The Office handles cases in:

- A. Town and Village Justice Courts
- B. Rochester City Court (including treatment and diversion courts)
- C. County Court (including treatment and diversion courts)
- D. Supreme Court
- E. Family Court
- F. Appellate Division, Fourth Department
- G. Court of Appeals
- H. United States Supreme Court (when required)
- I. Parole matters
- J. Post-Conviction matters

The Public Defender represents the indigent accused at every stage of the criminal proceeding from the arraignment through final disposition, including, when appropriate, appeals from adverse judgments and decisions as well as sentencing. Our family court clients are provided representation pre-petition, as well as in cases of alleged abuse or neglect.

Our goal is to provide to the indigent who are accused of a crime, entitled to an appeal,

or who are entitled to representation in family court, an exceptional level of legal representation which exceeds that which they would expect to obtain from privately retained counsel. An individual's constitutional rights must be protected regardless of his or her financial circumstances. Assistant public defenders are assigned to work in the Local Court, Superior Court, Family Court, or the Appeals Sections and each takes great pride in the quality of the work they provide to our clients. Their dedication and talent ensure that the rights of our clients are protected, and their dignity respected, in a way that promotes true justice in our community.

PART 1: DIVERSIFICATION, RECRUITMENT, AND RETENTION OF STAFF

The Office continues to value a diverse, equitable, and inclusive work environment. We believe that diversity of all varieties: racial, gender, ability, sexual orientation, age, etc. improves staff experiences and that a staff that feels comfortable and valued is more likely to contribute to positive case outcomes for our clients. We therefore strive to maintain an engaged and dedicated staff by continuing to develop an office culture that is ever mindful of the challenges presented by our work, and seeks to provide deliberate, thoughtful and intentional support to all who serve our common cause.

The Monroe County Public Defender's Office (MCPDO) was fortunate to have enjoyed the contributions of a full time Diversity Coordinator. This position was created to ensure that the policies and procedures utilized within the office reflected a commitment to cultural awareness and equity, but it expanded to include much more. The DEI coordinator expanded the role to include public outreach, particularly with the local high schools, in an effort to create what could be described as a school to work program wherein students could learn not only about the work

of the Office, the criminal justice system, the family court system, but also about other participants in those areas such as law enforcement, prosecutors, judges and even legislators. The goal of this outreach is to inspire young people to pursue careers in these areas, ideally taking one of those positions right here in Monroe County in the future. This program seeks to create, locate, and mentor the potential leaders of tomorrow.

The DEI coordinator also took on the responsibility of supervising and supporting our large intern classes – assigning interns to attorney groups, providing instruction and providing follow up as needed to ensure the interns receive appropriate credit.

In addition, the DEI Coordinator implemented a LGBTQ Employee Resource Group (ERG), a newly formed initiative designed to support and empower our LGBTQ employees. This group is part of our ongoing commitment to foster an inclusive, equitable workplace where all voices can thrive.

DIVERSIFICATION

The Office currently benefits from the skill and guidance of diverse colleagues, including the supervisors of the Family Defense Unit, Investigators, Mitigation, Caseworkers, and Trial Assistant Bureaus. More work needs to be done to attract and retain diverse attorney staff. We approach this goal by focusing on hiring outreach programs and by creating relationships in the community that puts us in contact with attorneys and attorneys to be.

RECRUITMENT

We recognize the value of recruiting and retaining staff, especially staff that increase the diversity of the office. To these ends, we have more aggressively and proactively pursued candidates for staff positions than in prior years.

Hiring committee

Our hiring committee continues to attract incredible talent in a difficult hiring environment, particularly when this office doesn't pay as much as other Public Defender Offices in the general area. The committee's results are due to the hard work and diligence put in by the committee members. Of course, having a regionally and, to a growing extent, nationally recognized office has significantly helped our recruitment efforts. Due to the reputation of this office, the success of our Initial Attorney Training Program, and the efforts of the hiring committee, we were able to hire eight attorneys who started in August 2025. Of those eight, only three have any connection to Western New York. We currently have six attorneys confirmed for our 2026 August class, including incoming attorneys from Rhode Island, North Carolina, and Washington, DC.

The committee attended (virtually) the Equal Justice Works Career fair where we spoke with thirty-four law school students, sixteen of whom later interviewed. We continued our work with the Cornell University's Office of Academic Diversity Initiatives where we presented to undergraduate and law students issues arising in accusatory instruments, bail reform, and discovery issues. During the Spring semester, the hiring committee will attend on-campus events at the University of Buffalo Law School and Syracuse Law School.

Internship program

The Internship program, led by Vincent French and Assistant Public Defender William Weir, continues to be a success. The proactive outreach results in an eclectic blend of high school, college and law school students who are given the opportunity to contribute first hand to the

representation of a client. Given their background and experience, an intern can expect to be involved in meetings with consenting clients both incarcerated and out of custody, legal research training and projects, issue spotting exercises, investigations and review of discovery, jury selection decisions and assistance during trial. In this way, we expose students to the practice of criminal defense, and help familiarize them with the criminal justice system and an understanding and appreciation of the important roles played by all participants.

The Internship program is intended to give students not only a glimpse into what it means to be a Public Defender, but also to instill in them a respect and desire to do this work.

Defenders of Tomorrow Program

In 2025 we continued the Defenders of Tomorrow Program in collaboration with Odyssey Academy in the Greece Central School District. This initiative aims to inspire and educate high school students about the criminal justice and family court systems, the critical role of public defenders, and the opportunities available in public service. The program is an extension of our commitment to fostering interest in legal careers among underrepresented populations while promoting a deeper understanding of the justice system.

Participants in the Defenders of Tomorrow Program are given hands-on learning opportunities, including visits to the Monroe County Legislature, the Monroe County Law Library, and City Court. Through engaging activities and interactions with our attorneys, students gain valuable insights into the inner workings of public defense, sparking interest in becoming the next generation of advocates for justice.

The expectation is that this program and the investment we make in our student-interns will serve as a pipeline for staff recruitment going forward and serve as a vital supplement to our

other recruitment efforts.

Unadmitted attorney positions

Starting in 2022, the Office began hiring law school graduates who had taken the bar examination, but not received results or been admitted. In September 2025, we hired 8 recent graduates and placed them into a training program spanning over three months. This program is described in detail elsewhere in this report. This is a marked improvement to the old way of learning which required attorneys to take an immediate, and often extremely heavy, caseload, and learn on the job. The ability to intensively train new attorneys before they are given their own caseloads has profound benefits not only to the client, who will work with a well-trained attorney, but also to the attorneys, as the training program allows them to gain skills, confidence and trust in themselves, in their colleagues and in the support the Office provides.

We will continue to offer this program to incoming September classes as numbers merit, in addition to providing a slightly more streamlined training program to those who join us in the spring, with an emphasis on representation from initial interview through motion practice and picking up trial practice along with the September class.

Early hiring gives us a competitive advantage over employers that will not hire until bar admission, as well as giving lead time to provide end to end training to attorneys before they are ever asked to represent a client.

RETENTION

As times change and understanding evolves, the Office does as well. Because we have enjoyed significant success attracting high quality staff, we place a great deal of thought and effort into how we can retain our staff so our initial investment is not wasted. The lessons of the

COVID crises, along with the stressful nature of the work we do, lead us to emphasize the need for a work life balance, for mental health support, and for sensitivity to the needs of each unique individual as they make their place in the office. In brief, office morale is of great concern not only because each individual who works here deserves to be seen and treated as an individual, but also because we recognize that morale is critical to retention.

Among the measures undertaken in 2025 to address retention are the following:

- **A supervisory restructure of Practice Groups.** In 2025, we saw the benefits of a recalibrated approach to Practice Groups where each group contains attorneys from all levels of experience, and also provides a senior felony attorney to work as a back up to the group supervisor. This creates a dynamic flow of training that flows from senior attorney to newer attorneys, as well as the other way around. All members of each group are exposed to a wide range of perspective, experience and knowledge.
- **Hybrid caseloads.** To keep attorneys engaged, accelerate their development, and keep them from becoming overwhelmed, continue to offer caseloads with a mix of different level offenses. These "Hybrid" positions not only offer Superior Court attorneys a more gradual transition from NVFO to VFO cases but also allow them to handle VFO cases earlier in their careers. Likewise, our Local Court attorneys are offered the opportunity to handle felony cases earlier in their careers than in the past. These attorneys are provided with significant oversight of their supervisors on their felony cases. This potential for early exposure to felony cases has been an asset to the both our recruitment and retention efforts.
- **Career start in Rochester City Court.** Attorneys new to the office now begin their careers

whenever possible, representing clients in Rochester City Court [RCC] instead of the town courts. This shift offers several advantages: early exposure to a more diverse client population, earlier familiarity with a wider range of offenses, increased opportunities to litigate search and seizure issues, exposure to more experienced prosecutors and judges that are all attorneys, etc. Another advantage to this arrangement is the proximity of the office to Rochester City Court in that the supervisor of our RCC attorneys is a mere block away and can far more easily observe, supervise, and respond to any urgent matters.

- **Enhanced supervision and support.** The supervisor to supervisee ratio has been decreased, providing attorneys with more support and oversight. The Groups meet regularly and discuss cases, legal issues, and other developments. Supervisors are expected to review attorney written work product and observe them in court. Supervisors are evaluated on how well they supervise their Groups.
- **Work From Home [WFH] policy.** The policy allows for each employee, attorney and support staff, to work from home for 16 hours per pay period. This policy has ameliorated the stress of staff with various conflicting responsibilities including child care and has noticeably enhanced morale.
- **Second Chair program.** Attorneys who work in criminal defense often do so because they enjoy trial practice, but it is never the attorney's decision whether to proceed to a trial or not. The decision to proceed to trial is entirely vested in our clients, so depending on many factors including whether the case is even strong enough to proceed to trial and isn't subject to dismissal on other grounds, the evidence, the offer, the Judge, the risk of trial, the benefits of accepting an offer, a client may not wind up electing to assert their right

to a trial. In order to ensure that attorneys are able to participate in trial work as often as possible, the Office implemented a Second Chair program, whereby most if not all trials are conducted by one senior attorney accompanied by one with less experience. This gets our newer attorneys the courtroom experience they crave, which increases their job satisfaction and retention, and also creates more experienced trial attorneys. The more seasoned attorney is able to pass on their knowledge and also learn from the newer attorney who often brings a fresh perspective to a case. The clients ultimately benefit from this team approach, which includes support staff as well. Courts can be assured that cases will run smoothly under the attention of not one but two attorney's attendant on the arduous demands of a jury trial.

- **Continuing Legal Education.** No-cost CLE opportunities are provided by the Office to our staff regularly. We not only create and deliver these programs but we also generate the certificates of completion for those that attend. This makes our office more attractive to both prospective and current staff and contributes to our retention efforts. Office training and CLE efforts will be discussed more fully below.
- **Office Committees.** As the Office continues to grow, opportunities to gather various staff together along lines of their interests, rather than their roles, become more important to increase camaraderie, understanding and morale.

PART 2: CONTINUED IMPROVEMENT OF CLIENT SERVICES

HOLISTIC REPRESENTATION

With gratitude we recognize the additional resources and support from New York State

through the office of Indigent Legal Services that allow us to provide meaningful services and assistance to our clients outside the realm of defense. Recognizing that our representation in a courtroom only goes so far to remedy the experiences that may have affected our clients, access to in house services gives our clients additional tools to help them succeed and remain arrest free.

Monroe County Model Parental Representation Bureau Grant

This newly formed Bureau – only the second of its kind outside of New York City – has enabled the Office to provide meaningful assistance to parents and providers when faced with a CPS investigation. In the past, a parent may suffer the removal of a child without ever knowing that they had the right to the advice and intervention of an attorney. With this program, a member of the Bureau will be able to intervene early and assess the needs of the client and their family members, and work with CPS, when possible, to form solutions to the problem at hand. The objective is to keep families together and reducing the stress and trauma of removal. When removal cannot be avoided, resources are still brought to bear that will reunify the family as soon as possible. Each client avails themselves of the services of a staff attorney, a social worker and a parent advocate who work together with the client to assess their needs and achieve their goal of a healthy, safe and stable family environment for their child. In 2025, the Family Defense unit team had 282 cases.

As the grant notes, “Using a holistic approach, Bureau staff (four attorneys, four social workers, one parent advocate, and one paralegal) will assess the legal, financial, and social determinants of health needs of each client and their family members, including the needs of the subject children, to develop a strategy that will maximize the likelihood that the client’s children

are not removed, or if removal cannot be avoided, that the children are reunified with the parent at the earliest possible time. Following the Cornerstone Advocacy model of the Center for Family Representation (CFR), each client will be assisted by a staff attorney, social worker and as needed, a parent advocate who will work together to assess the client's needs and develop a plan to achieve the client's goal to maintain the integrity of his or her family, and to ensure safety and stability for the children for the long term. The attorneys, social workers, and parent advocate will be part of a collaborative team representing each client."

The supervising attorney in charge of the unit is Special Assistant Public Defender Robert Turner.

Social Work Bureau

The social work bureau has three separate arms, the Mitigation/Sentencing Advocacy Bureau, and two separate social work bureaus – one Social Work Bureau for criminal courts, and Social Work Bureau for the Family Defense Unit.

The Mitigation/Sentencing Advocacy Bureau at the Monroe County Public Defender's Office is dedicated to improving outcomes for indigent individuals in criminal court proceedings. The staff of this bureau collaborates with attorneys, court involved teens and adults, their families, and various treatment and community providers, to develop holistic and humanizing narratives in hopes of improving long-term outcomes for our clients.

The work of sentencing advocates is described on the website of the National Alliance of Sentencing Advocates and Mitigation Specialists as follows:

Sentencing advocates explore the histories of criminal defendants to create individualized sentencing plans. Their proposals often focus on substance abuse and mental health treatment, victim restitution, community supervision, avoidance of future misconduct,

and appropriate and constructive consequences. This approach allows courts to sentence people to community-based programs that address their needs, while reserving expensive prison and jail space only for those who threaten the safety of the community. <https://www.nlada.org/NASAMS>

This bureau provides services for homicide cases; VFO gun cases; VFO cases to include clients facing mandatory persistent sentencing; Felony cases after trial where sentencing is up to the court; Parole and felony probation violation cases; Misdemeanor cases with compelling circumstances. These services include: Record collection and discovery review, comprehensive psychosocial history collection completed via 1:1 interview(s), completion of either comprehensive or abridged mitigation reports, support during litigation, and the referral to the case management program if client is in need of identified services. The Sentencing Advocacy unit is supervised by Andre Fontenette. In 2025, staff made 142 referrals to the Mitigation/Sentencing Advocacy unit.

The Social Work Bureau for criminal cases allow an attorney to partner with a social worker, resulting in a partnership designed to reduce the problems and obstacles faced by clients, both to attain better results and to improve the likelihood of success during and after the resolution of cases. The case management arm of the Social Work Bureau provides a myriad of services to clients and their families to assist with needs to promote positive resolutions in cases, and also to support healthy living and life management services to prevent recidivism and lift current and former clients out of unfortunate circumstances in any way possible. The criminal court case workers are supervised by Kayla McCrickard and Philisia Freeman. In 2025, staff made 509 referrals on behalf of criminal court clients.

The Model Parental Representation Bureau grant also provides for caseworkers as well as

a parent advocate, an individual who has experienced the Family Court system as a party within the system, who can understand, empathize, and guide clients through the system. Every in-court article 10 client is assigned a social worker.

This bureau provides services including but not limited to: providing resources and referrals (housing, food, clothing, community care management, bus passes, cell phone applications, government benefit application help), linking clients to services (mental health/Substance abuse evaluations, community service resources, medical services, animal welfare services), offering supportive services (accompaniment to court/appointments, reminder calls, obtain treatment updates to provide to court), record collection/gathering letters of support, etc. The FDU social workers are supervised by Robert Turner. In 2025, The social workers in the Family Defense unit made approximately 250 referrals.

Trial Assistants

While sentencing advocates focus on the result of a plea or trial, trial assistants help in the preparation of a case for hearings and trials. Trial assistants work with attorneys in gathering information to assist in plea negotiations, hearings, and trials. They assist with FOIL requests, subpoena preparation, and document review. They transcribe communication obtained on body-worn camera and interrogation videos. Their work freed up attorney time that had previously been spent on these tasks, so that attorneys could spend more time on attorney/client communications, negotiations, research, writing and hearing and trial preparation. The office currently employs two trial assistants. The trial assistant bureau is supervised by Pamela Fleming.

Next Court Date Reminder Program

In order to assist clients in their obligation to attend court proceedings, the Public Defender's Office implemented a "Next Court Date Reminder Program" in late 2019. Clients are typically issued reminders 7 days, 3 days, and 1 day prior to court appearances and also upon attorney request. In 2025, as a result of this program, a total of 23,208 court date reminders were sent to our 10,657 Rochester City Court and 13,153 Town and Village Court clients.

Failure to Appear Program

Unfortunately, clients do not always make their court appearances. Despite a common belief that this occurs intentionally as the result of a desire to avoid prosecution, the reality is that clients miss court for a variety of reasons unrelated to an intent to avoid prosecution including: lack of transportation (there are courts in Monroe County that are not on a bus line), conflicting work, school, and child care obligations.

Recognizing the reality that people do, at times, struggle to get to court, and miss court for reasons other than intentional disregard for courts' schedules, the New York State Legislature passed legislation (effective January 1, 2020) that required courts to wait 48 hours before issuing a "bench warrant" to allow the defendant time to appear. In 2025, for the sixth year, the Office issued text notices and letters to clients who failed to appear for court in an effort to have them added back onto the dockets, reduce incarceration on bench warrants, prevent disruption to the client and facilitate the orderly resolution of cases.

Centralized Arraignment Part

The arraignment is the first court appearance in a criminal case and one where impactful decision are made including the custody status of the accused. Up until March 31, 2024, the Office

provided 24/7 representation at arraignment in all courts in Monroe County, regardless of time of day or night, as part of a system referred to as Counsel at First Arraignment (“CAFA”). On March 31, 2025, the CAFA system was replaced by the Centralized Arraignment Part (“CAP”). The CAP program provides centralized arraignments in Rochester City Court for any case occurring anywhere in the County. The arraignments are held twice daily, once from 9:30 am to 12:00 pm and again from 5:00 pm to 10:00 pm during the week, and from 9:30 to 11:00 am and 7:00 pm to 9:30 pm on the weekends. Centralized arraignments represent across the board improvements for all stakeholders in the criminal justice system. The office provides an attorney and paralegal staff at all of the scheduled CAP courts. In 2025, the office represented 8,254 people at arraignment.

Raise the Age arraignments

A person between the ages of 16 and 17 is entitled, per statute, to a prompt arraignment. This means that if such a person is arrested outside of CAP court hours, the on-call judge must perform an overnight arraignment. This arraignment is statutorily required to be held in person. The assigned CAP court attorney is also responsible for appearing at any of these arraignments, no matter what time of day or night. In 2025, the Office represented 169 people at a Raise the Age arraignment.

Domestic Violence Survivors Justice Act [DVSJA]

Enacted in 2019, the Domestic Violence Survivors Justice Act [DVSJA] empowers sentencing courts to both evaluate whether a defendant merits sentencing or resentencing based upon their status as a domestic violence survivor who suffered sexual, psychological or physical abuse that contributed to their conviction if certain specific criteria are met. Courts are required

to hold hearings under certain circumstances to determine whether a domestic violence survivors' history of abuse should be a factor in deciding their sentence. The passage of this statute in 2019 led to an influx of hundreds of applications from incarcerated individuals who wished their cases evaluated to determine if they appropriate for an application for resentencing. These applications were carefully reviewed and evaluated to ensure that the most viable cases were reviewed, investigated and evaluated by professionals in the field of domestic violence. As time has gone on, the number of people statutorily eligible for resentencing has diminished and the office is now in the position of representing eligible individuals at sentencing, rather than resentencing, hearings. Going forward we expect that the focus of this practice will be on sentencing, rather than resentencing. In 2025, the office represented 5 people on DVSJA applications for resentencing and 2 people on DVSJA applications at sentencing.

Public Education

The Office recognizes the relationship between a well-informed community and the fate of those ensnared in the criminal justice system. We as well as anyone understand the critical importance of the recent and long overdue improvements to the bail, discovery, parole, marijuana, and driver's license suspension laws. We see the day-to-day positive impact that these reforms have had on the lives of countless clients and their families, many of whom are indigent persons of color.

Change brings conversation, and conversation may become dissent, and dissent may result in confusion or disinformation. Our response has been several-fold. We have spent tremendous time and effort educating and training attorneys in our office, our community, and

around the state about the changes in these laws to ensure that their clients receive the intended protections offered by these reforms. We dispatch staff to community events, frequently at the invitation of a legislator, community member, or pastor to offer support for these reforms and to counter misinformation designed to shake public support for them. Our evidence-based presentations regularly win converts and also buttress the efforts of those fighting to maintain the progress that has been achieved.

PART 3 TRAINING AND CONTINUING LEGAL EDUCATION

In order to effectively represent our clients, our attorneys must be provided frequent and regular trainings on changes in the law and how to improve their legal skills. To accomplish the necessary training for staff, the Office creates and delivers both training and CLE programs. Concerned not merely with the quality of work done by our staff, the Office regularly opens no-cost training and CLE programs to the staff of the Conflict Defender and the Assigned Counsel Program. In 2025 alone, as detailed below, the Office provided 14 Continuing Legal Education programs for staff attorneys and attorneys in the legal community.

Overseeing the creation and presentation of the Office's training and CLE efforts is First Assistant Public Defender Erik Teifke. Invaluable support for training and CLE programs is provided by Executive Secretary Lillian Gucciardo with contributions from other support and attorney staff.

The Initial Attorney Training Program [IATP]

The Initial Attorney Training Program [IATP] is the core training program that criminal trial

attorneys complete early in their tenure at the office.

The ITAP is offered from August through December and spans 25 modules. More than merely a trial skills program, the IATP serves to not only educate and train but to enlighten and inspire. The IATP features an effective combination of lectures, modeling, demonstrations, and simulations designed to instill participants with the passion, knowledge and skills necessary for the work ahead. Participants are introduced to and trained on subjects and skills including: the importance of our client-centered philosophy, client interviewing and relationship building, case investigation, negotiation, motion practice, and trial skills.

This program is designed to serve as an introduction to many of the core skills our attorneys will use in service of their clients and provides the foundation for subsequent training and education.

In 2025, 8 participated in and graduated from this program.

Introduction to Felony Practice

The Introduction to Felony Practice program (IFP) is designed for attorneys being introduced to felony cases and is intended to make sure they enter felony case practice with the foundation skills necessary to offer quality representation on these more serious cases. During this 17-hour program given across 3 weeks, participants are trained on subjects including: felony preliminary hearings, grand jury practice, felony sentencing, superior court accusatory instruments, and more.

CLE Programming

In addition to the staff training programs described above, the Office continued its

development and presentation of CLE programs to attorneys in the Office, the community, and across the state. In 2025, the Office sponsored 14 programs for the attorneys in the Office, and the private defense bar. Hundreds of attorneys from upstate New York attended the Office's CLE programs. All of the programs were **provided at no cost to the attendees.**

The programs offered in 2025 were:

How to Defend SORA Case 1-24-2025
Grand Jury 1-30-2025
Defending a Sex Case 2-11-2025
SORA Appeals 2-13-2025 VIRTUAL
Immigration 2-14-2025
DVSJA 4-10-2025 VIRTUAL
DWI & DMV 4-25-2025
Sobriety Testing to Officers 5-2-2025
Digital Evidence Foundations 5-16-2025

MITIGATION 11-6-2025 VIRTUAL

Attorneys in the Office are often asked to present at various CLE programs throughout New York State. In 2025, Office attorneys presented at CLEs sponsored by the New York State Defenders Association, the Monroe County Bar Association, Syracuse University College of Law, and the New York State Association of Criminal Defense Lawyers. It is a tribute to the knowledge and skills of staff that they are so highly sought after as speakers.

Because of the work of the attorneys in this Office who donated their time and effort speaking at CLEs, the legal community received valuable instruction in criminal and family law.

PART 4: OFFICE STAFFING AND CASELOADS

Criminal Trial Courts

The criminal trial courts consist of local courts [town courts and Rochester City Court] and Superior Courts [County or Supreme Court]. The office represents clients in all of these courts.

Local Court Section

There are currently 20 attorneys handling cases in town and city courts. These attorneys handle primarily violation and misdemeanor level offenses, and like their colleagues in Superior Court, handle all aspects of the case including motion practice, hearings, trials, plea negotiations and representation at sentencing, as well as violations of probation. The attorneys are assigned to a specific rotation, where each rotation includes specific judges.

Superior Court Section

In 2025, the Superior Court Section was staffed with the full time equivalent of 34 attorneys, including the 1st Assistant Public Defender, the 2nd Assistant Public Defender, and 10 Supervising Special Assistant Public Defenders. Supervising Special Assistant Public Defenders have reduced caseloads due to supervisory responsibilities.

The attorneys in the Superior Court Section handled felony cases, the most serious charges against the indigent accused. The attorneys appeared in all criminal courts, including: Supreme Court, County Court, City Court and Town/Village Courts.

The attorneys in this Section handled all aspects of the criminal process, including local court preliminary hearings, local court pleas and sentencing; superior court pleas and sentencing, hearings, motions, and trials. In addition, these attorneys handle probation violation

proceedings, parole cases (preliminary hearings, final hearings, and administrative appeals), habeas corpus proceedings, and mental health proceedings under the Criminal Procedure Law.

The Office provides vertical representation in nearly all felony cases with rare exceptions where a determination is made that a client in an increasingly perilous legal situation would be better served with a more experienced attorney. The best interests of the client will always guide decision making. This Office remains committed to providing vertical representation because it provides the indigent accused the most effective representation possible.

In 2025, the Office was assigned to 9,631 criminal cases.

Post-Conviction Unit/ Parole

Individuals accused of violating the terms and conditions of their parole supervision are provided with legal representation by the Office. At any give time, there are two attorneys dedicated to handling these matters, including retention hearings, preliminary hearings, and final hearings. In 2025, the office handled 319 parole violation cases. In addition, the office also dedicates one attorney to represent people on parole appeals. In 2025, the office handled 40 of those appeals.

In addition, this bureau responds to former clients who may have questions about their cases after they are closed. Requests for assistance may be for matters related to re-sentencing under Clean Slate legislation, marihuana reforms, or general questions regarding their sentencing, time served, jail or prison conditions, re-entry services or SORA registration or re-registration. In order to streamline responses to these requests, we will create a dedicated unit of two to three attorneys to provide answers to these questions. This unit will provide legal assistance when appropriate and refer individuals to the proper agencies when necessary.

Family Court Section

The Family Court bureau of the Public Defender's Office represents litigants-mostly adults but some teens as well-who have cases pending in Monroe County Family Court. The attorneys handle every type of family law case in which indigent litigants are statutorily entitled to assigned counsel, including custody/visitation cases, family offense cases (both petitioners and respondents), child abuse and neglect cases, termination of parental rights cases, paternity and child support willful violation cases, and other miscellaneous cases. Outside of New York City, the Family Court bureau of the Monroe County Public Defender's office has the busiest family law practice of any upstate institutional provider.

In 2025, the Office's Family Court attorneys handled approximately 5817 court cases.

Family Defense Unit

The attorneys in the Family Defense Unit opened approximately 282 new cases in 2025. Of those cases, 22 were pre-petition.

(in addition to cases carried over from 2024). The goals of the Family Defense unit are intended to benefit Monroe County families, particularly those that are most likely to have contact with the child welfare system, i.e., poor families and families of color. A key feature of the Family Defense unit is its social work program, whereby three highly experienced senior case workers work collaboratively with parents to eliminate the factors that led to CPS involvement, and to help parents realize a better, more stable life for their families going forward. The Family Defense Unit is supervised by Robert Turner.

Appeals Section

In 2025, the Public Defender's Office continued to contract with a number of highly experienced private appellate attorneys to handle a portion of its appellate caseload. In addition, the appeals bureau works with attorneys from large law, national law firms who handle public defender appeals pro bono under the appeals bureau's supervision. An increase in staffing allowed the appointment of an additional Appeals supervisor which assists the chief supervisor with ensuring the smooth operation of the Appeals bureau. The appointment of a new Chief Justice at the Court of Appeals has already resulted in an uptick in the number of cases being heard by that body, and we anticipate that the Appeals section, already busy, will soon become even more engaged. The Appeals section is supervised by Drew Dubrin. In 2025 the appeals bureau opened 244 new cases plus 15 family court appeals.

Investigation Section

Supervised by Chief Investigator Latanya Morse, the Monroe County Public Defender's Office performs case investigations and other associated tasks on behalf of our clients. The Office regularly conducts our own investigations, not relying solely upon the results of the police investigations as revealed during the discovery process. It is not unusual for our investigators to locate evidence and witnesses that the police did not or could not locate. The investigation results are then provided to the attorney who uses them to the fullest advantage of each client.

During 2025, the Monroe County Public Defender's Office employed nine full-time investigators, one of whom is the Chief Investigator in charge of the bureau.

The statistics for 2025 are as follows:

INVESTIGATIVE SECTION STATISTICS 2025	CRIMINAL TRIAL SECTION	FAMILY COURT/APEALS SECTIONS	TOTAL
INVESTIGATION/INTERVIEWS	2477	433	2910
SUBPOENAS	126	280	406
LOCATE/NOTIFY	75	15	90
MISC (Translations, photos, DMV etc.)	625	186	811

In 2025, approximately 2,910 criminal and family court investigation requests were handled by our investigative staff. Through their work, our investigative staff makes a strong and clear contribution to the Office’s ability to successfully resolve cases for our clients either by disposition or trial.

PART 5: THE FUTURE OF THE OFFICE

The Office continues to build upon its many strengths by investing time, attention and resources into our talented staff. Whether we are encouraging staff members to pursue training in DEI, attorneys to expand and share their legal knowledge in a CLE, or taking the time to talk over challenges presented by working in Public Defense in supportive groups or one on one engagements, the goal is always to be of service to our staff, so our staff can in turn provide exemplary service to our clients. We welcome any and all opportunities to engage with the community that we serve, answer questions about what we do and how we can serve the community, and encourage and mentor others to consider whether this type of work may be a good fit for them in the future. Our clients will experience increasing levels of trust, satisfaction and confidence in their representation that is the natural consequence of these efforts. The courts themselves will continue to receive quality attorneys into their courtrooms who will

uphold the Constitution and the dignity of the system. We fully embrace our responsibility to provide stellar representation and service to all.

We will also continue to work on improving where we can be stronger. With an animated and energetic approach to recruitment, we hope to attract more diverse attorneys so as to reflect the community. We will continue to learn, grow and adapt to both the challenges and benefits of changing technology. We will increase our efforts to interact with the community and maintain transparency in our actions.

CONCLUSION

The Office recognizes that none of the work that we do would be possible without the support of the Monroe County Legislature, the County Executive and County Administration, and the community we serve. It is our privilege to practice law and provide legal services to the underserved, and we are grateful to the all of those who make this work possible. We look forward to continuing these relationships and providing the best legal representation possible in 2025.

Respectfully submitted for The Public Defender's Office

Julie Cianca
