1.2 Restriction on Communication

Pursuant to State Finance Law §§ 139-j and 139-k, this RFQ includes and imposes certain restrictions on communications between the Authority/Monroe County and an Applicant during the procurement process, an Applicant is restricted from making contacts from the earliest notice of intent to solicit qualifications through final award and approval of the Professional Services Contract by the Authority (“restricted period”) to other than designated staff unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a).

A designated RFQ Coordinator, as of the date hereof, is identified in the next paragraph of this solicitation. Authority/Monroe County employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the applicant pursuant to these two statutes. Further information about these requirements can be found in the Authority’s Policy of Procurement Disclosure which is included in this RFQ as Appendix B.

Nothing herein is intended to relieve the County from its own negligence or misfeasance or to assume any such liability for the County by the Contractor.

Section 4. INDEPENDENT CONTRACTOR

For the purpose of this Agreement, the Contractor is and shall in all respects be considered an independent contractor. The Contractor, its individual members, directors, officers, employees and agents are not and shall not hold themselves out nor claim to be an officer or employee of Monroe County nor make claim to any rights accruing thereto, including, but not limited to, Worker's Compensation, unemployment benefits, Social Security or retirement plan membership or credit.

The Contractor shall have the direct and sole responsibility for the following: payment of wages and other compensation; reimbursement of the Contractor's employees' expenses; compliance with Federal, state and local tax withholding requirements pertaining to income taxes, Worker's Compensation, Social Security, unemployment and other insurance or other statutory withholding requirements; and all obligations imposed on the employer of personnel. Section 5. EXECUTORY NATURE OF CONTRACT

This Agreement shall be deemed executory only to the extent of the funding available and the County shall not incur any liability beyond the funds annually budgeted therefore. The County may make reductions in this Agreement for the loss/reduction in State Aid or other sources of revenues. If this occurs, the Contractor's obligations regarding the services provided under this Agreement may be reduced correspondingly.

Section 6. NO ASSIGNMENT WITHOUT CONSENT

The Contractor shall not, in whole or in part, assign, transfer, convey, sublet, mortgage, pledge, hypothecate, grant any security interest in, or otherwise dispose of this Agreement or any of its right, title or interest herein or its power to execute the Agreement, or any part thereof to any person or entity without the prior written consent of the County.

Section 7. FEDERAL SINGLE AUDIT ACT

In the event the Contractor is a recipient through this Agreement, directly or indirectly, of any funds of or from the United States Government, Contractor agrees to comply fully with the terms and requirements of Federal Single Audit Act [Title 31 United States Code, Chapter 75], as amended from time to time. The Contractor shall comply with all requirements stated in Federal Office of Management and Budget Circulars A- 102, A-110 and A-133, and such other circulars, interpretations, opinions, rules or regulations that may be issued in connection with the Federal Single Audit Act.

If on a cumulative basis the Contractor expends Five Hundred Thousand and no/100 Dollars (\$500,000.00) or more in federal funds in any fiscal year, it shall cause to have a single audit conducted, the Data Collection Form (defined in Federal Office of Management and Budget Circular A-133) shall be submitted to the County; however, if there are findings or questioned costs related to the program that is federally funded by the County, the Contractor shall submit the complete reporting package (defined in Federal Office of Management and Budget Circular A-133) to the County.

If on a cumulative basis the Contractor expends less than Five Hundred Thousand and no/100 Dollars (\$500,000.00) in federal funds in any fiscal year, it shall retain all documents relating to the federal programs for three (3) years after the close of the Contractor's fiscal year in which any payment was received from such federal programs.

All required documents must be submitted within nine (9) months of the close of the Contractor's fiscal year end to:

Monroe County Internal Audit Unit
402 County Office Building
39 West Main Street
Rochester, New York 14614

The Contractor shall, upon request of the County, provide the County such documentation, records, information and data and response to such inquiries as the County may deem necessary or appropriate and shall fully cooperate with internal and/or independent auditors designated by the County and permit such auditors to have access to, examine and copy all records, documents, reports and financial statements as the County deems necessary to assure or monitor payments to the Contractor under this Agreement.

The County's right of inspection and audit pursuant to this Agreement shall survive the payment of monies due to Contractor and shall remain in full force and effect for a period of three (3) years after the close of the Contractor's fiscal year in which any funds or payment was received from the County under this Agreement.

Section 8. RIGHT TO INSPECT

Designated representatives of the County shall have the right to monitor the provision of services under this Agreement which includes having access at reasonable times and places to the Contractor's employees, reports, books, records, audits and any other material relating to the delivery of such services. The Contractor agrees to maintain and retain all pertinent records related to this Agreement for a period of ten (10) years after final payment.

Section 9. JOB OPENINGS

The Contractor recognizes the continuing commitment on the part of Monroe County to assist those receiving temporary assistance to become employed in jobs for which they are qualified, and the County's need to know when jobs become available in the community.

The Contractor agrees to notify the County when the Contractor has or is about to have a job opening within Monroe County. Such notice shall be given as soon as practicable after the Contractor has knowledge that a job opening will occur. The notice shall contain information that will facilitate the identification and referral of appropriate candidates in a form and as required by the Employment Coordinator. This would include at least a description of conditions for employment, including the job title and information concerning wages, hours per work week, location and qualifications (education and experience.)

Notice shall be given in writing to:

Room 204
111 Westfall Road

Telephone: (585) 753-1245

The Contractor recognizes that this is an opportunity to make a good faith effort to work with Monroe County for the benefit of the community. Nothing contained in this provision, however, shall be interpreted as an obligation on the part of the Contractor to employ any individual who may be referred by or through the County for job openings as a result of the above notice. Any decisions made by the Contractor to hire any individual referred by or through the County shall be voluntary and based solely upon the Contractor's job requirements and the individual's qualifications for the job, as determined by the Contractor.

Section 10. NON-DISCRIMINATION

To the extent required by Article 15 of the Executive Law (also known as the Human Rights Law) and all other State and Federal statutory and constitutional non-discrimination provisions, the Contractor will not discriminate against any employee or applicant for employment because of race, creed, color, sex, national origin, sexual orientation, age, disability, genetic predisposition or carrier status, or marital status. Furthermore, in accordance with Section 220-e of the Labor Law, if this is a contract for the construction, alteration or repair of any public building or public work or for the manufacture, sale or distribution of materials, equipment or supplies, and to the extent that this contract shall be performed within the State of New York, Contractor agrees that neither it nor its subcontractors shall, by reason of race, creed, color, disability, sex, or national origin: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. If this is a building service contract as defined in Section 230 of the Labor Law, then, in accordance with Section 239 thereof, Contractor agrees that neither it nor its subcontractors shall by reason of race, creed, color, national origin, age, sex or disability: (a) discriminate in hiring against any New York State citizen who is qualified and available to perform the work; or (b) discriminate against or intimidate any employee hired for the performance of work under this contract. Contractor is subject to fines of \$50.00 per person per day for any violation of Section 220-e or Section 239 as well as possible termination of this contract and forfeiture of all moneys due hereunder for a second or subsequent violation.

Section 11. CONTRACTOR QUALIFIED, LICENSED, ETC.

The Contractor represents and warrants to the County that it and its employees is duly and fully qualified under the laws of the state of its incorporation and of the State of New York, to undertake the activities and obligations set forth in this Agreement, that it possesses as of the date of its execution of this Agreement, and it will maintain throughout the term hereof, all necessary approvals, consents and licenses from all applicable government agencies and authority and that it has taken and secured all necessary board of directors and shareholders action and approval.

Section 12. CONFIDENTIAL INFORMATION

a. For the purpose of this Agreement, "Confidential Information" shall mean information or material proprietary to the County or designated as "Confidential Information" by the County, and not generally known by non-County personnel, which Contractor may obtain knowledge of or access to as a result of a contract for services with the County. The Confidential Information includes, without limitation, the following types of information or other information of a similar nature (whether or not reduced to writing): methods of doing business, computer programs, computer network operations and security, finances and other confidential and proprietary information belonging to the County. Confidential Information also includes any information described above which the County obtained from another party which the County treats as proprietary or designates as Confidential Information, whether or not owned or developed by the County. Information publicly known and that is generally employed by the trade at the time that Contractor learns of such information or knowledge shall not be deemed part of

the Confidential Information.

1. Scope of Use

- a. Contractor shall not, without prior authorization from the County acquire, use or copy, in whole or in part, any Confidential Information.
- b. - d. Contractor shall take all appropriate action, whether by instruction, agreement or otherwise, to insure the protection, confidentiality and security of the Confidential Information and to satisfy its obligations under this Confidentiality Agreement.

2. Nature of Obligation

Contractor acknowledges that the County, because of the unique nature of the Confidential Information, would suffer irreparable harm in the event that Contractor breaches its obligation under this Agreement in that monetary damages would be inadequate to compensate the County for such a breach. The parties agree that in such circumstances, the County shall be entitled, in addition to monetary relief, to injunctive relief as may be necessary to restrain any continuing or further breach by Contractor, without showing or proving any actual damages sustained by the County.

Section 13. FEDERAL, STATE AND LOCAL LAW AND REGULATIONS COMPLIANCE

Section 15. NO-WAIVER

In the event that the terms and conditions of this Agreement are not strictly enforced by the County, such non-enforcement shall not act as or be deemed to act as a waiver or modification of this Agreement, nor shall such non-enforcement prevent the County from enforcing each and every term of this Agreement thereafter.

Section 16. SEVERABILITY

If any provision of this Agreement is held invalid by a court of law, the remainder of this Agreement shall not be affected thereby if such remainder would then continue to conform to the laws of the State of New York.

Section 17. TITLE TO WORK

a. The title to all work performed by the Contractor and any unused materials or machinery purchased by the Contractor with funds provided by the County in order to accomplish the work hereunder shall become legally vested to the County upon the completion of the work required under this Agreement. The Contractor shall obtain from any subcontractors and shall transfer, assign, and/or convey to Monroe County all exclusive, irrevocable, or other rights to all work performed under this Agreement, including, but not limited to trademark and/or service mark rights, copyrights, publication rights, distribution rights, rights of reproduction, and royalties.

b. No information relative to this Agreement shall be released by the Contractor or its employees for publication, advertising or for any other purpose without the prior written approval of the County. The Contractor hereby acknowledges that programs described herein are supported by this Agreement by the County and the Contractor agrees to state this fact in any and all publicity, publications and/or public information releases.

Section 18. WAGE AND HOURS PROVISIONS

If this is a public work contract covered by Article 8 of the Labor Law or a building service contract covered by Article 9 thereof, neither Contractor's employees nor the employees of its subcontractors may be required or permitted to work more than the number of hours or days stated in said statutes, except as otherwise provided in the Labor Law and as set forth in prevailing wage and supplement schedules issued by the State Labor Department. Furthermore, Contractor and its subcontractors must pay at least the prevailing wage rate and pay or provide the prevailing supplements, including the premium rates for overtime pay, as determined by the State Labor Department in accordance with the Labor Law. Additionally, effective April 28, 2008, if this is a public work contract covered by Article 8 of the Labor Law, the Contractor understands and agrees that the filing of payrolls in a manner consistent with Subdivision 3-a of Section 220 of the Labor Law shall be a condition precedent to payment by the County of any County approved sums due and owing for work done upon the project.

Section 19. STATE FINANCE LAW PROVISIONS

a. In accordance with Section 139-d of the State Finance Law, if this Agreement was awarded based upon the submission of bids, Contractor affirms, under penalty of perjury, that its bid was arrived at independently and without collusion aimed at restricting competition. Contractor further affirms that, at the time Contractor submitted its bid, an authorized and responsible person executed and delivered to the County a non-collusive bidding certification on Contractor's behalf.

b. To the extent this agreement is a "procurement contract" as defined by State Finance Law Sections 139-j and 139-k, by signing this agreement the Contractor certifies and affirms that all disclosures made in accordance with State Finance Law Sections 139-j and 139-k are complete, true and accurate. In the event such certification is found to be intentionally false or intentionally incomplete, the County may terminate this Agreement by providing written notification to the Contractor in accordance with the terms of the Agreement.

Section 20. MISCELLANEOUS

a. The Contractor agrees to comply with all confidentiality and access to information requirements in Federal, State and Local laws and regulations.

b. This Agreement constitutes the entire Agreement between the County and the Contractor and supersedes any and all prior Agreements between the parties hereto for the services herein to be provided.

Article 2 Investigating Officer

The Monroe County Attorney, Legal Advisor to the Authority, is hereby appointed as the Officer responsible for reviewing and investigating any allegations of violation of this policy or of the Statutes.

Article 3 Procurement Officers

(Authorized Authority Contact Persons)

The Members of the Authority hereby delegate to the Administrative Director the power to select a "Procurement Officer" for each and every Governmental Procurement (collectively, the "Procurement Officers"). The Administrative Director may either select the Procurement Officer at the time the Governmental Procurement commences or select a Procurement Officer in advance for each type or category of Governmental Procurement. Such Procurement Officer(s) shall be the designated "contact" person for Offerers during the Restricted Period surrounding each Governmental Procurement.

Article 4 Contacts by Offerers

All Contacts between an Offerer and the Authority during the Restricted Period for each Governmental Procurement shall be made through the applicable Procurement Officer, unless one of the following exceptions applies:

The Statutes and this Policy permit communications between Offerers and the Authority prior to the Restricted Period in the form of a request for information ("RFI") by the Authority and the response thereto by the Offerer. The RFI must be used as a means to collect information upon which to base a decision by the Authority to proceed with a Governmental Procurement and not as a tool employed to award a Procurement Contract.

Article 5

Other Prohibited Offerer Activities

In addition to utilizing the designated Procurement Officer for all Contacts with the Authority, the following additional rules shall apply to all Offerers:

(a) Offerers shall not attempt to influence the Authority's Governmental Procurement in a manner that would result in a violation of any State ethics/conflict of interest statute or the Authority's Code of Ethics or Conflict of Interest Policies; and

(b) Offerers are prohibited from contacting any member, officer or employee of a governmental entity other than the Authority¹, during the Restricted Period of a Governmental Procurement, regarding the Authority's pending procurement.

¹ This prohibition is not applicable to Contacts between an Offerer and a member of the state legislature or legislative staff about a governmental entity other than the State Legislature, or a member of the state legislature or legislative staff contacting a governmental entity about a Governmental Procurement being conducted by a governmental entity other than the state legislature, provided that the member of the state legislature or legislative staff is acting in their official capacity.

Article 6
Procurement Record

For each Governmental Procurement of the Authority, the applicable Procurement Officer shall maintain a procurement record (the "Procurement Record"), including all written materials pertaining to the specific Governmental Procurement. Upon any Contact in the Restricted Period, the Procurement Officer shall obtain the name, address, telephone number, place of principal employment and occupation of the person or organization making the Contact and inquire and record whether the person or organization making such contact was the Offerer or was retained, employed or designated by or on behalf of the Offerer to appear before or contact the Authority about the Governmental Procurement. The Procurement Record shall include all recorded Contacts described in the prior sentence, whether such Contacts are Permissible Contacts or Impermissible Contacts. The Procurement Record shall not include Contacts with certain public officials as described in the footnote to item (b) of Article 5 hereof. In addition, the Procurement Record shall not include communications that a reasonable person would infer are not intended to influence a Governmental Procurement. The Authority shall keep a written or electronic copy of the Procurement Record for a period of six years from the end of the Restricted Period for each Governmental Procurement.

Article 7
Required Disclosure

In general, all Solicitation Materials shall incorporate a summary of the policy and prohibitions of the Statutes as well as include copies of rules, regulations and the Authority's guidelines and procedures regarding Permissible Contacts during a Governmental Procurement. The following provisions offer specific methods for satisfying such requirements.

1. In all Authority Solicitation Materials, the following statement shall appear:

Pursuant to State Finance Law §§ 139-j and 139-k, this solicitation [or other applicable identifier, i.e. "Invitation for Bid" or "Request for Proposal," etc.] includes and imposes certain restrictions on communications between a Governmental Entity (including the Authority) and an Offerer during the procurement process. An Offerer/bidder is restricted from making contacts from the earliest notice of intent to solicit offers through final award and approval of the Procurement Contract by the Authority and, if applicable, the Office of the State Comptroller [the Authority may delete the reference to Comptroller approval when not applicable] ("restricted period"), to other than the Authority's Procurement Officer unless it is a contact that is included among certain statutory exceptions set forth in State Finance Law § 139-j(3)(a). The Authority's Procurement Officer(s) for this Governmental Procurement, as of the date hereof, is identified on the first page of this solicitation [or wherever in the bid documents it is identified]. Authority employees are also required to obtain certain information when contacted during the restricted period and make a determination of the responsibility of the Offerer/bidder pursuant to these two statutes. Certain findings of non-responsibility can result in rejection for contract award and in the event of two findings within a four (4) year period, the

Offerer/bidder is debarred from obtaining government Procurement Contracts. Further information about these requirements may be obtained from the Procurement Officer.

2. In all Authority Procurement Contracts, the following provision shall appear:

The Authority reserves the right to terminate this contract in the event it is found that the certification filed by the Offerer in accordance with State Finance Law §139-k (5) was intentionally false or intentionally incomplete. Upon such finding, the Authority may exercise its termination right by providing written notification to the Offerer in accordance with the written notice terms of this contract.”

3. In each response to any Solicitation Materials, the Offerer shall complete the following in a timely and accurate fashion:

(a) “Offerer Affirmation of Understanding of and Agreement pursuant to State Finance Law §139-j(3) and 139-j (6)(b)” in the manner discussed in Appendix “A” hereto;

(b) “ Offerer Certification of Compliance with State Finance Law § 139-k (5)” in the manner discussed in Appendix “B” hereto; and

(c) “Offerer Disclosure of Prior Non-Responsibility Determinations” in the form provided as Appendix “C” hereto.

The failure of an Offerer to comply with such disclosure requirements will subject the Offerer to the sanctions described in Article 10 hereof, as well as any other penalties permitted by law.

Article 8

Requirements of the authority prior to Awarding Procurement Contracts

Prior to conducting an award of a Procurement Contract, the Members of the Authority shall:

1. Make a final determination of responsibility of the proposed awardee in accordance with the Authority’s existing procedures;

2. Make a final determination of responsibility of the proposed awardee that measures compliance with the State Finance law provisions regarding (i) Permissible Contacts and (ii) disclosure of all information required in any Solicitation Materials (including, but not limited to, prior findings of non-responsibility by a Governmental Entity); and

3. Make a final determination that the procurement process for such proposed award was free from any conduct prohibited under the Public Officers Law as well as the applicable provisions of the Authority’s Code of Ethics and/or Conflict of Interest Policies.

Article 9
Alleged Violation; Procedure

1. Any Member, officer or employee of the Authority who becomes aware that an Offerer has violated this Policy or the Statutes shall:

(a) Immediately notify the County Attorney, who shall immediately investigate the alleged violation(s).

(b) If, after commencing the investigation, the County Attorney finds that there is sufficient cause to believe the alleged violation has occurred, s/he shall give the alleged violating Offerer reasonable notice (in the form of a certified letter, return receipt requested) informing him/her of the allegations and providing him/her with an opportunity to be heard regarding the allegations.

(c) If, following the opportunity to be heard, the County Attorney determines that the Offerer has knowingly and willfully violated this Policy, the Statutes or any other applicable procurement disclosure standards affecting Members, Officers or employees of the Authority, the Offerer shall be subject to sanctions described in Article 10 hereof.

2. The County Attorney shall report to the Investigating Officer of another Governmental Entity any violation of the statutes by an Offerer or by such other Governmental Entity's employees. The County Attorney shall be the person designated to receive similar communications coming from another Governmental Entity.

Article 10
Sanctions

1. Upon a finding by the County Attorney that an Offerer has knowingly and willfully violated this Policy, the Statutes or any other applicable procurement disclosure standards affecting Members, officers or employees of the Authority, the Offerer shall be subject to the following sanctions, as well as any other penalty permitted by law:

(a) The Offerer shall be deemed "non-responsible" and such Offerer (along with its subsidiaries and any other related or successor entity) shall not be awarded the Procurement Contract, unless the Authority finds that the following special circumstances exist:

- (i) The award to the offending Offerer is necessary to protect public property or public health or safety; and
- (ii) The offending Offerer is the only source capable of supplying the required Article of Procurement within the necessary timeframe.

(b) In addition, the County Attorney shall notify the State Office of General Services of the finding of non-responsibility².

² A second finding of non-responsibility under the Statutes within four (4) years will render the Offerer (along with its subsidiaries and any other related or successor entities) ineligible to submit a proposal on or be awarded any Procurement Contract for four (4) years from the date of the second final determination of non-responsibility, unless the special circumstances outlined in Section (a) of this Article 10 exist.

2. Upon a finding that a Member, officer or employee of the Authority has knowingly and willfully violated this Policy, the Statutes or any other applicable procurement disclosure standards affecting Members, officers or employees of the Authority, the County Attorney shall immediately notify the Administrative Director of the Authority or the Chair of the Board of the Authority.

Distribution of This Policy

This Policy shall be distributed annually to the Authority's Members and officers. It shall also be distributed annually to those employees that have the ability to affect any Procurement. It shall also be distributed to each new Member, officer and applicable employee as soon as practicable following commencement of such position.
