BROOKS ANNOUNCES JULY BUSINESS OF THE MONTH McAlpin Industries Looking for Workers

Monroe County Executive Maggie Brooks today announced that McAlpin Industries has been selected as Monroe County's "Business of the Month" for July and will be featured on Monroe County's website, monroecounty.gov. Brooks launched the online "Business of the Month" feature last year, in an effort to recognize and promote local companies that are retaining and creating jobs, and investing in the community.

County Executive Maggie Brooks recently visited McAlpin Industries for a tour, and visited with company officials. They discussed the availability of local jobs in precision manufacturing and metalworking, and the importance of promoting these career opportunities, especially among young people.

*"I thank McAlpin Industries for its commitment to retaining local jobs and doing business in Monroe County," said **Brooks**. "McAlpin Industries and I agree that it's important for the community to know there are jobs available here and we need to continue to bolster our efforts to promote our many economic strengths and opportunities."*

McAlpin Industries, located at 255 Hollenbeck Street in the City of Rochester, is a second generation family business that employs 200 people. Brothers Ken and Mike McAlpin are the co-owners. Ken is President/CEO and Mike is Executive Vice President.

McAlpin Industries is a leading manufacturing company that has specialized in sophisticated metalworking for over 40 years. The company specializes in manufacturing metal products and assemblies for the business machine, automotive, high-tech and medical industries.

McAlpin Industries has immediate openings for experienced sheet metal workers. For information on employment opportunities, visit the company's website at mcalpin-ind.com.
