BROOKS ANNOUNCES LENEL IS JUNE BUSINESS OF THE MONTH

Monroe County Executive Maggie Brooks today announced that Lenel, a UTC Fire & Security Company, has been named Monroe County's "Business of the Month" for June and will be featured on Monroe County's website, monroecounty.gov.

"Lenel is one of the innovative companies powering our local economy and bolstering our status as a national leader in technology development," said **Brooks**. *"We are proud to have this global company headquartered right here in Monroe County and we thank Lenel for providing good jobs in our community."*

"Throughout Lenel's history, Monroe County has provided Lenel with a diverse pool of employee candidates. Many Lenel employees are graduates from local institutions such as Rochester Institute of Technology, or individuals with local corporate experience looking to increase their potential for growth and accomplishment in their respective fields," said **David Cunningham**, President.

Lenel is headquartered in Monroe County in the Town of Perinton. It is a leading provider of software and integrated systems for corporate and government security markets, providing innovative and superior solutions that enable organizations to protect their people, operations and information. The company has offices worldwide.

Lenel employs 245 people worldwide, including 190 in Monroe County. Monroe County assisted Lenel with its headquarters expansion in 2003.

The company's products include access control, ID credential issuance and management, alarm monitoring, digital video surveillance and management, real-time digital video content analysis, intelligent audio, integration of biometric technologies, intrusion detection, and visitor management and smart card functionality.

For the last nine years, Lenel has provided security equipment and expertise to the Little League Baseball World Series.

The company has earned numerous awards for technology innovation, growth, market leadership and customer satisfaction. Lenel is part of UTC Fire & Security, a business unit of United Technologies Corp.
