FORM #7 HOUSEHOLD HAZARDOUS WASTE FACILITY Conditionally Exempt Small Quantity Generator Certification

A. Generator Certification:

I hereby certify that I am a generator of hazardous waste within New York State and a business located in Monroe County and because of the small volume of hazardous waste generated and/or stored, I qualify for Conditionally Exempt Small Quantity Generator (CESQG) status per 6 NYCRR Part 372.

I understand that in order to qualify for Conditionally Exempt Small Quantity Generator Status I must meet both of the following conditions:

- 1. Generate less than 1 kg/month (2.2 pounds) of acute hazardous waste...
2. Generate less than 100 kg/month (220 pounds) of listed and/or characteristic hazardous waste...

I further understand that if, in the future, I exceed the quantity limitations described above, I will become subject to additional regulation as a hazardous waste generator and will no longer be eligible to participate in this type of collection program.

By signing below, I certify that I have the authority to make these statements on behalf of my firm or business.
