RE: Sludge Generator Disposal Permit

Enclosed is an application for a Solids Disposal Permit. Please provide all requested information accurately. An officer of the municipality/company must sign the permit or appoint a duly authorized representative. The letter of appointment should be included with the permit package. Should you no longer require this permit, please notify our office as soon as possible.

Monroe County Pure Waters, under Section 57 of the Worker’s Compensation Law and Section 220 - Subdivision 8 of the Disability Benefits Law, is required to have on file proof that your company has workers compensation insurance and disability benefits for your employees. A form from your insurance carrier stating such coverage will thus be required before your permit can be processed.

All copies of the application and the form from your insurance carrier should be mailed to:

Monroe County Department of Environmental Services
Industrial Waste Control
145 Paul Road, Bldg. 1
Rochester, New York 14624

Processing of your permit will NOT be initiated until this office has received all required sludge monitoring.

If you have any questions regarding the permit, please call Industrial Waste Control at (585) 753-7600, Option 4.
**MONROE COUNTY PURE WATERS**  
**APPLICATION FOR PERMIT TO DISCHARGE SLUDGE AT PURE WATERS TREATMENT FACILITIES**

**Part A - General Information**

1. **Name of Applicant**

   pH range if different _______________________

   c) water or wastes containing toxic, poisonous or hazardous solids, liquids or gases

   d) radioactive wastes

   Yes ___ No ___

*SIU - All industrial users subject to Categorical Pretreatment standards under 40 CFR 403.6 and 40CFR chapter I, subchapter N or user discharging process water greater than 25,000 gallons per day, or in the amount greater than 5 percent of the average dry weather hydraulic, or organic capacity of the wastewater treatment facility, whichever is less.
MAJOR CONTRIBUTORS TO MUNICIPAL SYSTEM

1. Significant Industrial User *
   A. Name ________________________________________________________________
   Address ________________________________________________________________
      ___________________________________________________________ Phone ______________
   B. Brief description of industry __________________________________________
      ________________________________________________________________ Category _________________
   C. Standard Industrial Classification Code(s) __________________________

2. Significant Industrial User *
   A. Name ________________________________________________________________
   Address ________________________________________________________________
      ___________________________________________________________ Phone ______________
   B. Brief description of industry __________________________________________
      ________________________________________________________________ Category _________________
   C. Standard Industrial Classification Code(s) __________________________

3. Significant Industrial User *
   A. Name ________________________________________________________________
   Address ________________________________________________________________
      ___________________________________________________________ Phone ______________
   B. Brief description of industry __________________________________________
      ________________________________________________________________ Category _________________
   C. Standard Industrial Classification Code(s) __________________________

** Copy this page if additional pages are required
Part C - DESCRIPTION OF SLUDGE GENERATED

1. Give a brief description of treatment process generating wastewater sludge (i.e. primary, activated sludge, etc.)

________________________________________________________________________________
________________________________________________________________________________
________________________________________________________________________________

Plant Flow ______________ MGD

2. Indicate whether the sludge delivery to Monroe County for disposal will be:
( ) Continuous through the year     ( ) Seasonal

Circle the months of the year during which the activity will occur:
Jan  Feb  Mar  Apr  May  Jun  Jul  Aug  Sep  Oct  Nov  Dec

COMMENTS: ______________________________________________________________________
________________________________________________________________________________

3. Primary Disposal Facility:
____________________________________________________________________________

Secondary Disposal Facility:
____________________________________________________________________________

4. Quantity of sludge that may be hauled to Monroe County for disposal:

Minimum          Average          Maximum

_______(Gal./Month)          ___(Gal./Month)          ______(Gal./Month)

5. Please state the name(s) and address(es) of all waste haulers:

a.__________________________________     b.__________________________________

__________________________________     ________________________________________

__________________________________     ________________________________________

PART E - AUTHORIZED SIGNATURE

YOUR APPLICATION MUST BE SIGNED AS FOLLOWS:

1. For a municipal, state, federal or other public agency either the agency’s Director or other authorized senior official having responsibility for the overall operations of the facility.

2. For a corporation: by a responsible official.
   A responsible official means:
   (A) A president, secretary, treasurer or vice president of the corporation in charge of a principal business function, or any other person who performs similar policy or decision making functions for the corporation; or
   (B) The manager of one or more manufacturing, production or operation facilities employing more than 250 persons or having gross annual sales or expenditures exceeding $25 million (in second quarter 1980 dollars), if authority to sign documents has been assigned or delegated to the manager in accordance with corporate procedures.

3. For a partnership or sole proprietorship: by a general partner or the proprietor, respectively; or

4. By a duly authorized representative of the individual designated in items (1), (2), or (3) above if:
   (a) The authorization is made in writing by the individual described in items 1, 2 or 3;
   (b) The authorization specifies either an individual or a position having responsibility for the overall operation of the facility from which the Industrial Discharge originates such as the position of plant manager, superintendent, and position of equivalent responsibility. (A duly authorized representative may be either a named individual or any individual occupying a named position); and
   (c) The written authorization is submitted to this Department.

I have personally examined and am familiar with the information submitted in this document and attachments. Based upon my inquiry of those individuals immediately responsible for obtaining the information reported herein, I believe that the submitted information is true, accurate and complete. I am aware that there are significant penalties for submitting false information.
