

BRUSH AND DEBRIS - LEAF PICK UP

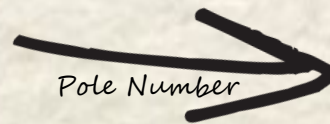

- Leaf vacuuming will begin early October and go until the snow falls.
- Leaves must be raked as close to the road as possible in long rows instead of a big mound.
- Keep sidewalks, streets and concrete drains clear of leaves as this can cause drainage issues.
- Grass clippings and all lawn rakings **must be placed in recyclable paper bags. No plastic bags.** Paper bags for lawn debris are available for purchase at most home improvement stores.
- **Do not bag leaves or use containers** during this time.
- **Do not mix brush, nuts, apples, other trash or animal waste** with the leaves.
- After loose leaf pickup is complete, place leaves in biodegradable lawn bags for pickup.
- **No brush pick up during leaf season.** Brush pick up will resume in April.
- Village residents may drop off their brush at the DPW Recycling Center during the work week. Please call ahead. Proof of residency is required for dumping.
- Before October, for hauling large amount of brush, village residents may have a DPW truck dropped off at their home, a charge of \$25 per day, per load. Please call ahead for this option. Removal of trees, plants and shrubbery on private property is the sole responsibility of the homeowner.
- For yard work and tree removal done by a contractor, it is the responsibility of the contractor to remove all debris.
- Removal of home improvement and construction debris, including and not limited to roofing materials, drywall, plywood, sinks, etc., is the sole responsibility of the homeowner.
- In the event of a wind storm that takes down branches, the DPW will add brush pick up, notice given on the website and Facebook Page.
