TRANSPORTATION NEWS

This informational newsletter will provide updates (as needed) on the status of the Highway Preventive Maintenance #11 Project and communicate upcoming construction activities to local residents.

CURRENT PROJECT STATUS

WORK TO BEGIN ON NORTH GOODMAN STREET ON OR AROUND JUNE 25, 2025

As part of Monroe County Department of Transportation's Highway Preventive Maintenance #11 Project, the contractor, Keeler Construction Corporation, Inc., is scheduled to begin roadwork on **North Goodman Street from Norton Street to East Ridge Road**.

Construction will begin on **North Goodman Street on or around June 25**. Work will include:

- Reconstruction of some sidewalk curb ramps to make them ADA compliant
- Repairs to some existing curb and drainage inlets where needed
- Milling and re-paving of the top layer of asphalt along with installation of new pavement markings

Typical work operations will allow for two-way traffic to be maintained with daily lane closures, as needed.

Flaggers may be utilized to guide traffic around work zones.

Overall work on North Goodman Street is expected to be completed by mid-July. The roadwork will be performed during daytime hours.

Additional information on this project, as well as other Monroe County Department of Transportation projects, is available at: <https://www.monroecounty.gov/dot-construction>

PROJECT CONTACTS:

If you have questions about the Project, you can contact Sam Giovino of the Monroe County DOT. Once the project starts you can also contact the Resident Engineer, Paul Dudley, who will be on-site with the contractor.
