## CURRENT PROJECT STATUS

### REDMAN ROAD TO CLOSE MAY 27, 2025 FOR BRIDGE REPLACEMENT

Beginning on **Tuesday, May 27, 2025 at 9:00 am**, the bridge on Redman Road over Yanty Creek (approx. 0.4 miles north of Morton Road) will be closed to all traffic. This closure will allow for C.P. Ward, Inc., a contractor for Monroe County DOT, to replace the bridge.

Local traffic will be maintained to all driveways up to the bridge; however, the bridge itself will not be passable. Through traffic will follow a signed detour via Morton Road, County Line Road (NYS Route 272), and Moscow Road (refer to the back of this letter for a map of the detour route).

The project will involve removal of the existing bridge superstructure, including the bridge deck and bridge guide railing. The existing concrete abutments will be partially removed prior to the installation of new concrete abutments and U-wingwalls, adjacent prestressed concrete hollow slab units, and a new concrete deck. New bridge railing will be installed and pavement markings will be replaced prior to re-opening the bridge to traffic.

Barring any unforeseen delays, we expect this project to be completed in October 2025.

Additional information on this project, as well as other Monroe County Department of Transportation projects, is available at: <https://www.monroecounty.gov/dot-construction>

### PROJECT CONTACTS:

*If you have questions about the Project, you can contact Eric Tait of the Monroe County DOT. Once the project starts you can also contact the Resident Engineer, Conor Blake, who will be on-site with the contractor.*

**County Representative:**

Eric Tait  
Transportation Project Manager  
Monroe County DOT  
Phone: (585) 753-7746  
Email: [erictait@monroecounty.gov](mailto:erictait@monroecounty.gov)

**On-site Resident Engineer:**

Conor Blake, P.E.  
Resident Engineer  
Barton & Loguidice  
Field Office Phone: (585) 953-7914  
Email: [cblake@bartonandloguidice.com](mailto:cblake@bartonandloguidice.com)

**Contractor:**

C.P. Ward, Inc.
