Section 6-134 Designating petition; rules.

[See Executive Order 202 (NY LEGIS EXEC ORDER 202 (2020)), related to the COVID-19 State of Emergency, and Executive Orders issued subsequent thereto for suspension or modification of this section.]

1. A designating petition may designate candidates for nomination for one or more different public offices or for nomination for election to one or more party positions or both, but designations or nominations for which the petitions are required to be filed in different offices or petitions for the same public office or party position in different political subdivisions may not be combined in the same petition. If two or more offices having the same title are to be filled for different terms, the terms of office shall be included as part of the title of the office.
2. Sheets of a designating petition shall be delivered to the board of elections in a manner prescribed by regulations that shall be promulgated by the state board of elections, provided, however, that the sheets of any volume of a petition shall be numbered. Such regulations shall be no more restrictive than is reasonably necessary for the processing of such petitions by the board of elections. Such regulations shall be binding on the board of elections in each county and in the city of New York. When a determination is made that a designating petition does not comply with such regulations, the candidate shall have three business days from the date of such determination to cure the violation.
3. If a voter shall sign any petition or petitions designating a greater number of candidates for public office or party position than the number of persons to be elected thereto his signatures, if they bear the same date, shall not be counted upon any petition, and if they bear different dates shall be counted in the order of their priority of date, for only so many designees as there are persons to be elected.
4. A signature made earlier than thirty-seven days before the last day to file designating petitions for the primary election shall not be counted.
5. The use of titles, initials or customary abbreviations of given names by the signers of, or witnesses to, designating petitions or the use of customary abbreviations of addresses of such signers or witnesses, shall not invalidate such signatures or witness statement provided that the identity of the signer or witness as a registered voter can be established by reference to the signature on the petition and that of a person whose name appears in the registration poll ledgers, provided, however, nothing in this section shall prevent a court from receiving sworn testimony or other admissible evidence as to the authenticity of a signature when such signature would otherwise be invalidated for not matching the signature on file with the board of election.

6. An alteration or correction of information appearing on a signature line, other than the signature itself and the date, shall not invalidate such signature.
7. A signer need only place his signature upon the petition, and need not himself fill in the other required information.
8. Notwithstanding any other provision of this chapter, the failure to list a committee to fill vacancies or the failure to list at least three eligible voters as a committee to fill vacancies shall not invalidate the petition unless a vacancy occurs which, under law, may be filled only by such a committee.
9. A person other than the subscribing witness may insert the information required by the subscribing witness statement, provided that all subscribing witness information required above the subscribing witness' signature is inserted either before such subscribing witness signs the statement or in the presence of such subscribing witness.
10. The provisions of this section shall be liberally construed, not inconsistent with substantial compliance thereto and the prevention of fraud.
11. If the number of signatures on any petition sheet is understated in the witness statement, such petition sheet shall not be invalid solely because of such understatement, but such petition sheet will be deemed to contain the number of signatures indicated on such witness statement and the signatures at the end of such petition sheet that are in excess of the number so indicated shall be deemed not to have been filed.
12. A signature on a petition sheet shall not be deemed invalid solely because the address provided is the post office address of the signer provided that proof that such address is the accepted address of such signer is provided to the board of elections no later than three days following the receipt of specific objections to such signature.
13. In addition to the requirement for the signature, the printed name of the signer may be added, provided that the failure to provide a place to print the name or failure to print a name if a space is provided shall not invalidate the signature or petition.

Section 6-138 Independent nominations; rules.

[See Executive Order 202 (NY LEGIS EXEC ORDER 202 (2020)), related to the COVID-19 State of Emergency, and Executive Orders issued subsequent thereto for suspension or modification of this section.]

1. Independent nominations for public office shall be made by a petition containing the signatures of registered voters of the political unit for which a nomination is made who are registered to vote. The name of a person signing such a petition for an election for which voters are required to be registered shall not be counted if the name of a person who has signed such a petition appears upon another valid and effective petition designating or nominating the same or a different person for the same office.
2. Except as otherwise provided herein, the form of, and the rules for a nominating petition shall conform to the rules and requirements for designating petitions contained in this article.
- 3.a. The name selected for the independent body making the nomination shall be in English characters and shall not include the name or part of the name or an abbreviation of the name or part of the name, nor shall the emblem or name be of such a configuration as to create the possibility of confusion with the emblem or name of a then existing party, or the emblem or name of an independent body selected by a previously filed independent nominating petition for the same office. Such name selected for such independent body shall continuously remain the name of such party as defined in subdivision three of section 1-104 of this chapter.
- b. Notwithstanding the requirements of paragraph a of this subdivision, if the emblem or name selected for an independent body on any independent nominating petition is the same as that selected by any previously filed independent nominating petition for the same office, the board of elections with which such later petition was filed shall, not later than two days after the filing of such later filed petition, send notice of such duplicate selection of emblem or name by first-class mail, to the candidate for such office who was nominated by such later filed petition, and that the candidate to whom such notice is required to be sent may file with such board of election, not later than seven days after such notice was mailed, a certificate selecting a different emblem or name.
- c. & d. (Not applicable – Presidential Election only.)

- e. If any candidate has been nominated for any other office by a petition which selected the same name or emblem for an independent body as the name or emblem selected on the petition which nominated a candidate for President of the United States who has filed a special certificate pursuant to paragraph c of this subdivision, the board of elections with which the petition nominating such candidate for such other office was filed shall, not later than ten days after the last day to file nominating petitions, send to each such candidate, by first-class mail, notice that a special certificate pursuant to paragraph c of this subdivision has been filed and that the candidate to whom such notice is sent may file with such board of elections, not later than seven days after such notice was mailed, a certificate selecting a different name and emblem.
 - f. If such a petition shall not show an emblem, or if the petition shall fail to select a name for such independent body, or if pursuant to the provisions of paragraph b or paragraph e of this subdivision, a candidate shall fail to select another emblem or name for such independent body, the officer or board in whose office the petition is filed shall select an emblem or name or both to distinguish the candidates nominated thereby. The name and emblem shown upon such petition or selected by a candidate authorized to make such selection by paragraph b or paragraph e of this subdivision, or selected by an officer or board shall also conform to the requirements of this chapter with respect to names or emblems permitted to be selected by a party.
 - g. Nothing contained in this subdivision shall preclude a court of competent jurisdiction from rejecting an independent nominating petition if the court determines that fraud was involved in the selection of a name or emblem.
4. A signature made earlier than six weeks prior to the last day to file independent petitions shall not be counted. A signature on an independent petition for a special election made earlier than the date of the proclamation calling the special election shall not be counted.
