PRESENT: *Hon. Patrick F. McAllister,*
Acting Supreme Court Justice

The Court of Appeals Remittitur in this matter directed the record of the proceedings of the Court of Appeals be remitted to this Court “there to be proceeded upon according to law.” The Court of Appeals provided “[w]e are confident that, in consultation with the Board of Elections, Supreme Court can swiftly develop a schedule to facilitate an August primary election, allowing time for the adoption of new congressional maps, the dissemination of correct information to voters, the completion of the petitioning process, and compliance with federal voting laws, including the Uniformed and Overseas Citizen Absentee Voting Act...” In accordance with that command, to facilitate the orderly unfolding of elections for State Senate and Members of the United States House of Representative, on Constitutionally sound maps

changes to the political calendar and certain nominating and designating processes must be provided for. . On May 10, 2022, the United States Federal District Court for the Northern District of New York (Judge Gary Sharpe) ordered an August 23, 2022 primary for Member of the United States House of Representatives from New York “to accommodate New York’s congressional redistricting process” provided that such election and the subsequent General Election shall be fully compliant with federal laws, in particular those related to military and overseas voters. Dates and methods recommended herein are recommended by the New York State Board of Elections.

NOW, therefore, upon consideration of all papers and proceedings heretofore had herein, and after due deliberations it is

ORDERED that ballot access for the August 23, 2022 primary elections for State Senate and offices or party positions elected by Congressional Districts, including the public office of Member of House of Representatives and members of any party state committee elected by Congressional District, shall be by the following methods, which are not mutually exclusive:

No new acceptance or authorization shall be required. The State Board of Elections shall set forth the elements that must be contained in such writing no later than May 15, 2022 and shall conspicuously post the same on their web site. In addition, the State Board of Elections shall advise all county boards of election of the elements that must be contained therein.
