PRESS ADVISORY

FOR IMMEDIATE RELEASE: July 24, 2026

National Poll Worker Recruitment Day

Rochester, NY – On August 11, 2026 the Monroe County Board of Elections (MCBOE), located at 435 Smith Street, celebrates Annual National Poll Worker Recruitment Day starting with a 10am press conference and following with a coordinated day of various public outreach drives across the County.

National Poll Worker Recruitment Day is a National Day of Action established by the U.S. Election Assistance Commission to inspire civic engagement and encourage people to sign up to be poll workers, including bilingual election inspectors. National Poll Worker Recruitment Day is an opportunity to recruit more Election Inspectors & Bilingual Election Inspectors and expand Civic duty across Monroe County.

Five public recruitment pop-ups events will be held to inspire residents to sign up to serve as Election Inspectors & Bilingual Election Inspectors for upcoming elections. Voter Information, on-site assistance, and sign-up opportunities will also be available.

2:30pm to 4:30pm - Machine demo

Poll workers, including bilingual inspectors, are essential to ensuring safe, fair, and efficient elections. These events aim to strengthen the local election workforce and encourage civic participation by providing residents with an opportunity to serve their community. National Poll Worker Day is a nationwide initiative dedicated to highlighting the critical role poll workers play in the democratic voting process and the ongoing staffing needs at polling locations.
